2.0 Recommendation(s)

- 2.1 To consider the Quality Account and make comments that are considered appropriate.
-

3.0 Summary of Key Issues

3.1 Quality Accounts

- 3.1.1 It is mandatory for local Health Overview and Scrutiny Committees to be consulted on Quality Accounts and for any comments received from the Committee to be incorporated into the final draft of the document.
- 3.1.2 At the meeting, a presentation will also be received from Blackpool Teaching Hospitals NHS Foundation Trust on the Quality Accounts for 2013/2014.
- 3.1.3 A copy of the 2013/14 Quality Account from Blackpool Teaching Hospitals NHS Foundation Trust was forwarded to Members of the Health Scrutiny Committee via Email on 23rd April 2014 for their consideration of the whole of the Quality account but the Trust would like to highlight areas for the Committee to specifically consider:
- The Chief Executive's statement on quality – pages 2-4;
 - Quality achievements in 2013/14; and:
 - Priorities for 2014/2015.
