4.4 National Guidance

The following paragraphs of the guidance are relevant:

9.12 " In their role as a responsible authority, the police are an essential source of advice and information on the impact and potential impact of licensable activities, particularly on the crime and disorder objective. The police have a key role in managing the night-time economy and should have good working relationships with those operating in their local area. The police should be the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder licensing objective, but may also be able to make relevant representations with regard to the other licensing objectives if they have evidence to support such representations. The licensing authority should accept all reasonable and proportionate representations made by the police unless the authority has evidence that to do so would not be appropriate for the promotion of the licensing objectives. However, it remains incumbent on the police to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.

9.38 Licensing authorities are best placed to determine what actions are appropriate for the promotion of the licensing objectives in their areas. All licensing determinations should be considered on a case-by-case basis.

9.39 The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

9.40 Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. Whilst this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder (such as the financial burden due to restrictions on licensable activities) as well as the potential benefit in terms of the promotion of the licensing objectives.

Not clear if application is in company name of 'Eat Sleep Entertainment Ltd' or in joint names of Stephen Skelly, Gareth Lapsins and James Ogilvie?

Form is unsigned - all 3 of the above have just written their names into the boxes on the last page of the form (as they have used the online form there is no signature box)

Licensed area needs to be marked on plan

→ Spoke to Stephen Skelly 6/5/14:

- Application is to go in company name (all 3 people listed are directors of the company) - he is out of town at the moment but will get one of the directors to come in and sign form (and amend applicant to company name) and marked licensed area on plan (whole premises to be licensed)

→ James Ogilvie come in - amended and signed form.

Submitted new plan - all OK.

Confirmed he has copies to send to FAs today + knows about advertising.

Reasons for making representations

This application for a minor variation to an existing premises licence is in Blackpool Town Centre just outside of the cumulative impact area; due to the area being saturated by licensed premises and high alcohol related violent crime this Blackpool Council policy was introduced to prevent more licensed premises materialising in this area.

The location of the premises is in one of the busiest parts of the town, servicing both the day time and night time economy. This variation will only add to the availability of alcohol and increase crime and disorder. Highly intoxicated individuals cause anti-social behaviour in the town and seriously damage the image of the town, as a family resort. A significant amount of time is spent by the Neighbourhood Policing Team in dealing with these individuals and the problems they bring to the town centre.

The Police are concerned that this premises would be another vertical drinking bar and that the conditions are not sufficient to prevent create

crime and disorder, particularly in the early hours of the morning.

As it stands I am not satisfied that the licensing objectives will be promoted and if this new licence was granted I believe there would be an increase in crime and disorder as a result of this.

It is recommended that the licence should only be granted if the application is amended, or if conditions are applied, as detailed below.

The sale by retail of alcohol for consumption ON the premises only Thursday to Saturday to be amended to 13:00-03:00hrs and all other licensable activity to cease by 03:00hrs.

The following conditions to be added to the Operating Schedule:-

- 1) No customers will be admitted to the premises after 2am. For the avoidance of doubt, this condition shall not apply to those customers who were on the premises prior to 2am, and who exited the premises for the purpose of smoking.
- 2) An adequate number of licensed door supervisors will be on duty as appropriate to any risk assessment, however on the following occasions at least two SIA registered member of door staff will be on duty from 20:00hrs until close:
 - Every Friday and Saturday
 - Bank holiday Sundays, Christmas Eve and New Years Eve
 - When a private function takes place on the premises
- 3) An incident book will be maintained, in which shall be recorded:
 - (a) All incidents of crime and disorder
 - (b) Refused sales to suspected under age / drunken persons
 - (c) A record of any person refused admission or asked to leave the premises
 - (d) Details of occasions upon which the Police are called to the premises
 - (e) The use or discovery of drugs

That book shall be available for inspection by a Police Officer or authorised person.
- 4) Functions which specifically target young people aged 18 years (for example birthday parties) will not be allowed to take place on the premises.

5) All alcoholic drinks will be served in polycarbonate or other appropriate non-glass vessels after 20.00 hours each day, and all day and night on Saturdays. Any glass bottles should be decanted during these times.
