- 1.1 To consider a Temporary Event Notice submitted by Benjamin Mills in respect of an event taking place on 27 August 2017.

2.0 Recommendation(s):

- 2.1 The panel is requested to consider the objection and determine whether to allow the event to go ahead, add conditions to the Temporary Event Notice or issue a counter notice.

3.0 Reasons for recommendation(s):

- 3.1 An objection has been received therefore there must be a hearing to consider whether to issue a counter notice.

- 3.2a Is the recommendation contrary to a plan or strategy adopted or approved by the Council? No

- 3.2b Is the recommendation in accordance with the Council's approved budget? Yes

- 3.3 Other alternative options to be considered:

None, once an objection is received to a Temporary Event Notice it must be considered by the Licensing Panel.

4.0 Background Information

- 4.1 On 28 July 2017, the Licensing Service was served with a temporary event notice on behalf of Walkabout, 1-9 Queen Street. This notice relates to the sale of alcohol, and provision of late night refreshment 04.00 – 07.00 hours on 27 August 2017 to show

the boxing between Floyd Mayweather and Conor McGregor which is being televised live from Las Vegas.

The Police have objected to this event taking place on the ground of preventing crime and disorder. A hearing is therefore required to determine whether a counter notice should be issued to prevent the event from taking place.

4.3

Section 7 – Temporary Event Notices is relevant

The system of permitted temporary activities is intended to be a light touch process where notice is given by the premises user that they intend to carry out specified activities. The police and environmental health team have three working days to object to the notice on the basis of any of the four licensing objectives.

Observations

At the hearing the panel can either let the event go ahead, serve a counter notice to prevent the event going ahead or after considering the representations, the panel may decide that it is appropriate for the promotion of the licensing objectives to impose one or more conditions onto the TEN. The panel can only add existing conditions from the premises licence.

The licence has the following conditions:

Annex 1 - Mandatory conditions

- 1 No supply of alcohol may be made under the premises licence -
 - a) At a time when there is no designated premises supervisor in respect of the premises licence,
 - or*
 - b) At a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- 2 Every supply of alcohol under the premise licence must be made or authorised by a person who holds a personal licence.
- 3 (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises -

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to -

(i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or

(ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

4 The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

5 (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

(3) The policy must require individuals who appear to the responsible person

to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either a holographic mark, or an ultraviolet feature.

6 The responsible person must ensure that -

(a) where any of the following alcoholic drinks are sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures -

(b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and

(c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

7 (1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

(2) In this condition:-

- a. “permitted price” is the price found by applying the formula $P = D + (D \times V)$, where-
 - i. P is the permitted price,
 - ii. D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
 - iii. V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- b. “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;

- e. "value added tax" means value added tax charged in accordance with the Value Added Tax Act 1994.

(3) Where the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny.

(4) Where the permitted price on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

- 8 Any individual employed on the premises to carry out a security activity must be licensed by the Security Industry Authority.
- 9 The terms, conditions and restrictions detailed in the Blackpool Borough Council Entertainments Licences (Standard Conditions) Regulations 1985 must be adhered to at all times.

Premises Details				
Premises Name	Walkabout			
Address	1-9 Queen Street			
	Blackpool			
Post Code	FY1 1NL			
Reasons for objecting				
<p>I am in receipt of a Temporary Event Notice at the above premises for the sale of alcohol and the provision of late night refreshment, from 04:00 to 07:00 on 27th August 2017. This is to cover the showing of live TV coverage of a high profile boxing match.</p> <p>Boxing and wrestling matches increase the risk of crime and disorder due to the high-adrenaline nature of the sport, hence the actual activity on the premises (as opposed to TV coverage) being licensable in itself. This, coupled with the supply of alcohol, and the very late hour at which the coverage is to be shown, causes great concern for the Constabulary.</p> <p>Not only will viewers be exposed to a high adrenaline atmosphere, they will also be more likely to have already had alcoholic drinks leading up to the fight, and the provision of alcohol continuing until 7.00am will exacerbate drunkenness and noise nuisance complaints, with a risk of crime and disorder due to all of the above combined.</p> <p>This boxing match in particular is unique in that it is bringing together the two fighting disciplines of boxing and Cage fighting. Floyd Mayweather is one of World's most renowned boxers; being unbeaten throughout his career. McGregor is widely regarded as the best cage fighter in the World. As a consequence this fight has the potential to bring together two rival fan bases with not only an individual winning but also a fighting discipline.</p> <p>The Temporary Event Notice does make mention of the event being ticket only with advance ticket</p>				

sales and that security staff will be present; although does not state how many. Also that food will be offered to patrons attending the boxing. These measures are in place to aid in the reduction of risk to crime and disorder. However, there is no mention of closing the bar and dispersing customers prior to the commencement of the boxing, therefore patrons already in Walkabout consuming alcohol up to 04:00hrs as their existing licence allows could then be allowed to continue whilst watching the boxing match; allowing the premises to serve alcohol for a solid 22 hours which gives the Police extreme concerns regarding drunkenness and an extremely likely rise in crime and disorder on an already busy bank holiday weekend.

Walkabout is a large and very popular venue situated in the heart of Blackpool Town Centre, in the middle of the Cumulative Impact Zone, surrounded by a high concentration of late night licensed bars. It is highly likely that any persons attending a boxing event at 04:00 will consume alcohol at many of the other licensed bars (or indeed Walkabout itself) prior to 04:00 and therefore have an already elevated alcohol level prior to the match even starting. It seems implausible that many patrons will go to bed, set a very early alarm to come into Blackpool Town Centre during a busy Bank Holiday weekend at 04:00 to watch a boxing match and mix with many others who will have been out consuming alcohol most of the night.

Due to the predicted business of the town centre at this time on the Bank Holiday Weekend there will be many people heavily intoxicated already in the town centre who don't have a ticket to the boxing and will be looking for venues to watch it. Refusal of entry at any licensed premises is often a flash point for disorder so although ticket only entry helps to manage those who enter the premises it also creates an increased risk to crime and disorder with those that have to be turned away.

Furthermore due to the time this event is due to start (approx. 05:00hours) it is likely many will not be leaving the premises until 07:00. This is a busy bank holiday weekend in Blackpool with many visitors to the area, especially with the Live Wire Festival taking place on the Headlands on the same weekend. At 07:00 it is light outside and many locals and visitors will be getting up to start their day, either opening up businesses, going for a breakfast or just a walk down the promenade. These people are likely to be met by up to 499 persons highly intoxicated and adrenaline fuelled leaving the premises.

Lancashire Constabulary believes there is an extremely high likelihood that the granting of this Temporary Event Notice would directly lead to an increase in crime and disorder and therefore wishes to object.

The Police recommend to the Panel that a Counter Notice be served by the Licensing Authority unless the following restrictions or requirements can be imposed by condition.

Report to:	Licensing Panel
Relevant Officer:	Sharon Davies, Head of Licensing Services
Date of Meeting :	10 August 2017

TEMPORARY EVENT NOTICE – Yates

1.0 Purpose of the report:

1.1 To consider a Temporary Event Notice submitted by Stacey Boyd in respect of an event taking place on 27 August 2017.

2.0 Recommendation(s):

2.1 The panel are requested to consider the objection and determine whether to allow the event to go ahead, add conditions to the Temporary Event Notice or issue a counter notice.

3.0 Reasons for recommendation(s):

3.1 An objection has been received therefore there must be a hearing to consider whether to issue a counter notice.

3.2a Is the recommendation contrary to a plan or strategy adopted or approved by the Council? No

3.2b Is the recommendation in accordance with the Council's approved budget? Yes

3.3 Other alternative options to be considered:

None, once an objection is received to a Temporary Event Notice it must be considered by the Licensing Panel.

4.0 Background Information

4.1 On 28 July 2017, the Licensing Service was served with a Temporary Event Notice on behalf of Yates, 13-15 Market Street Blackpool. This notice relates to the sale of alcohol, and provision of late night refreshment 04.00 – 07.00 hours on 27 August 2017 to show the boxing between Floyd Mayweather and Conor McGregor which is

being televised live from Las Vegas.

The Police have objected to this event taking place on the ground of preventing crime and disorder. A hearing is therefore required to determine whether a counter notice should be issued to prevent the event from taking place.

4.2 Local policy considerations

None.

4.3 National policy considerations

Section 7 – Temporary Event Notices is relevant

The system of permitted temporary activities is intended to be a light touch process where notice is given by the premises user that they intend to carry out specified activities. The police and environmental health team have three working days to object to the notice on the basis of any of the four licensing objectives.

Observations

At the hearing the panel can either let the event go ahead, serve a counter notice to prevent the event going ahead or after considering the representations, the panel may decide that it is appropriate for the promotion of the licensing objectives to impose one or more conditions onto the TEN. The panel can only add existing conditions from the premises licence.

The licence has the following conditions:

Annex 1 - Mandatory conditions

- 1 No supply of alcohol may be made under the premises licence -
 - a) At a time when there is no designated premises supervisor in respect of the premises licence,
 - or*
 - b) At a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- 2 Every supply of alcohol under the premise licence must be made or authorised by a person who holds a personal licence.
- 3 (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to

the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises -

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to -

- (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
- (ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

4 The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

5 (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

(3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either a holographic mark, or an ultraviolet feature.

6 The responsible person must ensure that -

(a) where any of the following alcoholic drinks are sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures -

- (i) beer or cider: ½ pint;
- (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
- (iii) still wine in a glass: 125 ml;

(b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and

(c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

7 (1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

(2) In this condition:-

- a. “permitted price” is the price found by applying the formula $P = D + (D \times V)$, where-
 - i. P is the permitted price,
 - ii. D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
 - iii. V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- b. “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
- c. “relevant person” means, in relation to premises in respect of which there is in force a premises licence-
 - i. the holder of the premises licence,
 - ii. the designated premises supervisor (if any) in respect of such a licence, or

- iii. the personal licence holder who makes or authorises a supply of alcohol under such a licence;
- d. “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
- e. “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994.

(3) Where the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny.

(4) Where the permitted price on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

8 Exhibition of films:

Where the film classification body is specified in the licence, unless the following applies, admission of children must be restricted in accordance with any recommendations made by that body.

Where -

- a) The film classification body is not specified in the licence,
- or*
- b) The relevant licensing authority has notified the holder of the licence that this condition is applied to the film in question,

Admission of children must be restricted in accordance with any recommendation made by that licensing authority.

Reasons for objecting				
<p>I am in receipt of a Temporary Event Notice at the above premises for the sale of alcohol and the provision of late night refreshment, from 04:30 to 07:30 on 27th August 2017. This is to cover the showing of live TV coverage of a high profile boxing match.</p> <p>Boxing and wrestling matches increase the risk of crime and disorder due to the high-adrenaline nature of the sport, hence the actual activity on the premises (as opposed to TV coverage) being licensable in itself. This, coupled with the supply of alcohol, and the very late hour at which the coverage is to be shown, causes great concern for the Constabulary.</p> <p>Not only will viewers be exposed to a high adrenaline atmosphere, they will also be more likely to have already had alcoholic drinks leading up to the fight, and the provision of alcohol continuing until 7.30am will exacerbate drunkenness and noise nuisance complaints, with a risk of crime and disorder due to all of the above combined.</p> <p>This boxing match in particular is unique in that is bringing together the two fighting disciplines of boxing and Cage fighting. Floyd Mayweather is one of World's most renowned boxers being unbeaten throughout his career. McGregor is widely regarded as the best cage fighter in the World. As a consequence this fight has the potential to bring together two rival fan bases with not only an individual winning but also a fighting discipline.</p> <p>The Temporary Event Notice does make mention to the premises closing for 2 and half hours from</p>				

02:00, the event being ticket only with advance ticket sales and that security staff will be present; although does not state how many. Also that food will be offered to patrons attending the boxing. These measures are in place to aid in the reduction of risk to crime and disorder.

However, Yates is situated in the heart of Blackpool Town Centre, in the middle of the Cumulative Impact Zone, surrounded by a high concentration of late night licensed bars. It is highly likely that any persons attending a boxing event at 04:30 will consume alcohol at many of the other licensed bars prior to 04:30 and therefore have an already elevated alcohol level prior to match even starting. It seems implausible that many patrons will go to bed, set a very early alarm to come into Blackpool Town Centre during a busy Bank Holiday weekend at 04:30 to watch a boxing match and mix with many others who will have been out consuming alcohol most of the night.

Due to the predicted busyness of the town centre at this time on the Bank Holiday Weekend there will be many people heavily intoxicated already in the town centre who don't have a ticket to the boxing and will be looking for venues to watch it. Refusal of entry at any licensed premises is often a flash point for disorder so although ticket only entry helps to manage those who enter the premises it also creates an increased risk to crime and disorder with those that have to be turned away.

Furthermore due to the time this event is due to start (approx. 05:00hours) it is likely many will not be leaving the premises until 07:30. This is a busy bank holiday weekend in Blackpool with many visitors to the area, especially with the Live Wire Festival taking place on the Headlands on the same weekend. At 07:30 it is light outside and many locals and visitors will be getting up to start their day, either opening up businesses, going for a breakfast or just a walk down the promenade. These people are likely to be met by up to around 500 persons highly intoxicated and adrenaline fuelled leaving the premises.

Therefore Lancashire Constabulary wishes to object to the Temporary Event Notice.

The Police recommend to the Panel that a Counter Notice be served by the Licensing Authority unless the following restrictions or requirements can be imposed by condition.
