4.5 **Local policy considerations**

None

**National policy considerations**

9.42 – The authority’s decision should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

9.43 – Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. Whilst this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder as well as the potential benefit in terms of promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the licensing objectives and nothing outside those parameters.

4.6 **Observations**

The following conditions are currently endorsed on the licence:

## Annex 1 - Mandatory conditions

- 1 No supply of alcohol may be made under the premises licence -
  - a) At a time when there is no designated premises supervisor in respect of the premises licence, *or*
  - b) At a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
  
- 2 Every supply of alcohol under the premise licence must be made or authorised by a person who holds a personal licence.
  
- 3 (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.  
  
(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises -
  - (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to -
    - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
    - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
  - (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;
  - (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;
  - (d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) Dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

4 The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

5 (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

(3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either a holographic mark, or an ultraviolet feature.

6 The responsible person must ensure that -

(a) where any of the following alcoholic drinks are sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures -

(i) beer or cider: ½ pint;

(ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and

(iii) still wine in a glass: 125 ml;

(b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and

(c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

7 (1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

(2) In this condition:-

a. "permitted price" is the price found by applying the formula  $P = D + (D \times V)$ , where-

- i. P is the permitted price,
  - ii. D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
  - iii. V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- b. “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
- c. “relevant person” means, in relation to premises in respect of which there is in force a premises licence-
  - i. the holder of the premises licence,
  - ii. the designated premises supervisor (if any) in respect of such a licence, or
  - iii. the personal licence holder who makes or authorises a supply of alcohol under such a licence;
- d. “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
- e. “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994.

(3) Where the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny.

(4) Where the permitted price on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

## **Annex 2 - Conditions consistent with the Operating Schedule**

- 1 There are no restrictions on the sale of alcohol to hotel residents - they may be served 24 hours a day.
- 2 At the end of permitted hours for non-residents, only hotel guests with a supplied resident’s card (issued for the duration of their stay) will be served alcohol.
- 3 CCTV will cover all licensed areas of the building.

## Appendix 4b

31 JUL 2017

Licensing Services  
Blackpool Council .

We wish to object to the Licence application which has been submitted by Lindsey Whiteside for the property 80-82 Dickson Road FY12BU .

Between Talbot Road and Cocker Street there are eight night clubs and bars which are all open till early hours of the morning.

This area now has a large problem with drunken behaviour , drugs and begging . My wife and myself have worked hard over the last 12 years to establish a respectable business and like many moor Hotels and Guesthouses in this area, we all have struggled to attract respectable people and families to return to Blackpool .

At the rear of our guesthouse is PEEK-A-BOOZE karaoke bar which has a licence until 2 am , when all the noise stops it is 3am . I and all other residence both business and residential feel there are enough, if not to many bars in our area , the council and the town have worked hard over the past years to revive Blackpool to what it should be, a fun place for all ages but we all feel Blackpool is being dragged down again and we the residence have to suffer .

Yours sincerely ,

Colin Gray    Marion Gray .

## Appendix 4b

31 JUL 2017

Thursday 27TH July 2017

Licensing Services,

Blackpool Council.

We the undersigned wish to object to the Licence application which has been submitted by Lindsey Whiteside in respect of 80-82 Dickson Road, FY1 2BU.

The reasons for this objection are that there are already too many bars of this nature in the area which is not in the town centre but on the out skirts. We already have major problems in the area with begging and drug dealing late night fighting and noise and this will just add to the problem.

In addition to this the property does not portray a good image for Blackpool with plywood in the guest bedrooms windows instead of glass and a very low standard of accommodation in general which does not attract the type of people to Blackpool that we thought most people including the council were trying to attract to the town.

We have had Chaps Hotel for nearly 11 years and have took the hotel from one of the worst to one of the best (formally Colin's Hotel) and have spent thousands of £s and time in achieving this, only to find that the area we have invested in as gone down in standards substantially over the same period.

Finally I would draw your attention to the fact that we are attached to the property which is next to our living accommodation and can see there being noise problems from the proposed show bar.

Please do not hesitate to contact us if you require and further information.

YOURS SINCERLY

KEVIN BOULTON
