4.0 Background Information

4.1 On 5 September 2018, the Licensing Service was served with a Temporary Event Notice on behalf of Home and HQ, Talbot Road, Blackpool. This notice relates to extending the hours for the sale by retail of alcohol (for consumption on the premises), provision of regulated entertainment and provision of late night refreshment from 04.00 to 07.00 on 30 September 2018 (the premises is usually licensed to a terminal hour of 04.00).

The Police have objected to the event taking place on the grounds of crime and disorder and public safety. Environmental Protection has objected on grounds of public nuisance. A hearing is therefore required to determine whether to allow the event to go ahead, issue a counter notice to prevent the event from taking place, or to modify the Temporary Event Notice and add conditions. Copies of the objections are attached at Appendices 4b and 4c.

4.2 Local policy considerations

None.

4.3 National policy considerations

Section 7 – Temporary Event Notices is relevant

At the hearing the panel can either let the event go ahead, serve a counter notice to prevent the event going ahead or after considering the representations, the panel may decide that it is appropriate for the promotion of the Licensing Objectives to impose one or more conditions onto the Temporary Event Notice. | <p>I am in receipt of a Temporary Event Notice at the above premises for the sale of alcohol and provision of regulated entertainment and late night refreshment, from 4am to 7am on 30th September 2018.</p> <p>On behalf of the Police I believe that allowing the premises to be used in accordance with this TEN will undermine the licensing objectives, namely in relation to the prevention of crime and disorder and public safety. There is already a high volume of crime and disorder in this immediate area and it is believed that by allowing this additional time for alcohol consumption it will exasperate this further and add to the cumulative impact already being experienced within the Town Centre and would lead to further alcohol fuelled crime and disorder and contribute to the stress and further burden on the emergency services. There is also a greater risk to public safety as individuals become increasingly vulnerable due to intoxication which increases the chance of them being a victim of crime or needing medical treatment for injuries sustained.</p> <p>Previous Temporary Event Notices that have been held at the premises have ceased at 6am therefore the Police would ask the committee to consider amending this notice so that the terminal hour is 6am and also that conditions that mirror this premises licence are added to this TEN.</p> | | | | |

The Police recommend to the Panel that a Counter Notice be served by the Licensing Authority unless the following restrictions or requirements can be imposed by condition.

Licensable activities to cease at 06:00hrs.

The following conditions to be added to the TEN:

The licence holder and the Designated Premises Supervisor shall ensure that an appropriate number of licensed door supervisors are on duty whenever the premises are open for the purpose of a licensable activity or when patrons are upon the premises. The number of door staff shall be in accordance with the following schedule:

The licence holder and the Designated Premises Supervisor shall arrange adequate supervision of any queue, which may form to gain entry to the premises.

The licence holder and the Designated Premises Supervisor shall ensure sufficient door staff are employed to ensure the dispersal of patrons from the curtilage and grounds of the licensed premise immediately after the end of each period of licensable activity.

The licence holder and the Designated Premises Supervisor shall ensure that the door supervisors take appropriate measures to prevent the removal of bottles or glasses from the licensed premises.

All door staff will comply with SIA requirements relating to the availability of registration documents for inspection.

All door staff employed at the entrance / exit of the licensed premises will wear a reflective jacket of a design approved by the Lancashire Constabulary.

The licence holder and the Designated Premises Supervisor shall ensure that the premises are equipped with a closed circuit television system, which is provided and maintained to the satisfaction of the Lancashire Constabulary.

The CCTV control room will be notified:

- a) On any occasion when the premises CCTV or radio system is inoperative.
- b) When the CCTV or radio system has been brought back into use.

The Licence holder or DPS shall notify the Police Licensing Unit on any occasion when the CCTV or radio system is to be inoperative for a period in excess of one working day and shall provide a certificate from a competent person stating the reason for the system being inoperative and the measures which have been taken to satisfy the licence conditions.

The Radiolink equipment will be 'live' and will be monitored by the Head Doorman or another responsible person while the licensed premises are open for business.

The licence holder and the Designated Premises Supervisor shall ensure that the arrangement for the storage of empty bottles prevents unauthorised access to those bottles.

The licence holder and the Designated Premises Supervisor shall ensure that the premises are operated in accordance with the standards described in the attached 'Nightsafe' leaflet.

The licence holder and the Designated Premises Supervisor shall erect and maintain signage (in a form approved by the licensing authority) on or adjacent to all staffed exits advising patrons of the Street Drinking Order and the intention of door staff to enforce a 'no exit with a bottle' policy.

The licence holder and the Designated Premises Supervisor shall permit, facilitate and assist in the display upon the premises of health education and crime prevention campaign materials in a form

agreed with the Licensees Forum or any successor liaison body recognised by the Licensing Authority.

The licence holder shall erect and maintain suitable and sufficient conspicuous signage on the exterior of their premises advising patrons that causing any disturbance or disorder in a queue will result in admission being refused.

Where there is reasonable suspicion that drugs are being carried, the licensee shall ensure that the outer clothing, pockets and bags of those entering the venue are searched by a trained staff member of the same sex.

The licensee shall erect a clearly visible notice in a form prescribed by the Council advising those attending that 1. It is a condition of entry that customers agree to be searched and 2. Police will be informed if anyone is found in possession of controlled substances or weapons.

The licensee shall ensure that the security arrangements are sufficient to discourage the sale and consumption of drugs and shall ensure such arrangements include regular checks of toilet areas.

The licensee shall exclude any customers known to have been previously convicted of committing criminal offences relating to drugs.

The licensee shall maintain a record of incidents involving the use and/or detection of drugs and make those records available for inspection.

The licensee shall store, dispose, transfer confiscated and found drugs in accordance with procedures agreed with the Lancashire Constabulary.

The licensee shall develop and apply a drugs prevention strategy for the venue. The strategy shall include arrangements for the location of posters and the distribution of other information relating to drugs risks, the dangers associated with drugs and the legal provisions relating to drug use.

Frequent collection of glasses and bottles will be undertaken to ensure empty containers do not accumulate in or around the licensed premises.

The licensee shall ensure that the ventilation to the premises is maintained to satisfy the appropriate Building Regulations.

During the final hour of daily trading the licence holder and the Designated Premises Supervisor shall ensure that appropriate announcements are made or images are projected to remind patrons of the need to leave the premises without causing annoyance, nuisance or disturbance to local residents and to advise patrons of any taxi free-phone or collection arrangements available upon the premises.

The licence holder shall erect and maintain in a prominent position at every exit a clear and conspicuous notice requesting patrons to avoid causing noise, nuisance or disturbance to local residents.

The licence holder and the Designated Premises Supervisor shall ensure sufficient door staff are employed at exits from the premises to remind departing patrons of the need to avoid causing nuisance or disturbance to local residents.

The licence holder shall not permit the admission of persons under 18 years of age to the licensed premises.

Noise from any regulated entertainment, mechanical ventilation or refrigeration plant shall be inaudible within the nearest sensitive properties or, at the discretion of the Local Authority, shall not exceed some other pre-agreed limit, which does not cause unreasonable disturbance to the residents of these properties or their guests.

The volume of amplified sound used in connection with entertainment shall at all times be under the

control of the licensee or management and the controlling mechanism shall be operated from a part of the premises inaccessible to the public.

Vibration produced as a result of any regulated entertainment shall not be perceptible in any adjoining or nearby sensitive properties.

All internal lobbied doors to any entrance / exit point, fire exit doors and external windows should be closed during hours of any regulated entertainment except in the case of an emergency, save for the purposes of access and egress.

All staff will have received suitable training in relation to the proof of age scheme to be applied upon the premises. Records to evidence this will be made available to an authorised officer on request.

Risk assessments carried out by or on behalf of the licence holder which relate to a licensing objective will be available for inspection by an officer or a Responsible Authority.

Dear Sir/Madam

Re: LICENSING ACT 2003-Home and HQ

In Relation to the above matter, I would like to bring to your attention the fact that as of 24th November 2005, the new licensing act came into force and will be rigorously enforced by all the enforcement officers operating in the town.

On Friday 7th September at approximately 0100 your premises were visited by officers from the Council. During the visit, it was found that the premises were operating in breach of the conditions stipulated on the Premises Licence. These breaches are as follows:

- Internal lobby doors were open to front and rear of the premises and external speaker in operation causing an excessive amount of noise.

***Please noted that eternal speakers should not be in operation after 9pm under the Control of Pollution Act 1974 s62 (please see below**

62 Noise in streets.

(1)Subject to the provisions of this section, a loudspeaker in a street shall not be operated—

(a) between the hours of nine in the evening and eight in the following morning, for any purpose;

(b)At any other time, for the purpose of advertising any entertainment, trade or business;

and any person who operates or permits the operation of a loudspeaker in contravention of this subsection shall be guilty of an offence against this Part of this Act.

Please take this letter as a warning, and that if your premises are found in breach again then further proceedings will be taken.

A copy of this letter will be retained on your file and may be used against you in subsequent proceedings.

Yours sincerely
