## 6.0 Background information

6.1 On 27 September 2023 the Licensing Service received an application from Mark Marshall of M Squared Services Ltd on behalf of Omer Altinok for a new Premises Licence for AB Pizza, 149 Layton Road, Blackpool, FY3 8HH.

The property has never held a Premises Licence before.

6.2 The application requests permission Late Night Refreshment from 23.00 to 01.00 Monday to Sunday with opening hours 13.00 to 01.00 Monday to Sunday. The applicant has volunteered a number of conditions on the application form which will be attached to the Premises Licence if granted, a copy of the application is attached at Appendix 4(a).

6.3 A representation has been received from Suzanne Rowney on behalf of herself and her husband. A copy of the representation is attached at Appendices 4(b).

6.4 Local policy considerations:

3.2.3 Where relevant representations are made, the following factors will normally be taken into account:

- The style of operations, the number of customers and profile of customers expected to attend the premises
- The location of the premises and its proximity to noise sensitive properties
- The proposed hours of operation
- The transport arrangements for customers attending or leaving the premises and any possible impact on local residents or businesses
- The proposed methods for the dispersal of customers
  - The scope for mitigating any impact
  - The extent to which the applicant has offered conditions to mitigate the impact
- How often the activity occurs

4.4.2 The Council wishes to develop a diverse night-time economy but acknowledges that any licensable activity has the potential to impact adversely on the surrounding area either by disturbance caused by crime and disorder or by nuisance caused by customers being noisy when leaving/using on-street car parking. The impact of these activities can be greater at night when ambient noise levels are much lower.

6.5 National policy considerations:

8.44 It is expected that enquiries about the locality will assist applicants when determining the steps that are appropriate for the promotion of the licensing objectives. For example, premises with close proximity to residential premises should consider what effect this will have on their smoking, noise management and dispersal policies to ensure the promotion of the public nuisance objective. Applicants must consider all factors which may be relevant to the promotion of the licensing objectives, and where there are no known concerns, acknowledge this in their application.

9.43 – The authority’s decision should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

6.6 Does the information submitted include any exempt information? No

We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at [www.gov.uk/provide-right-to-work](http://www.gov.uk/provide-right-to-work)) which, along with the applicant's date of birth (provided within this application) will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Good Afternoon

We just seen an application to serve food until 1am on the window of the following takeaway business:

AB Pizza  
149 Layton Road  
Blackpool

We wish to formally object to this application. We live directly opposite and currently have the following issues which will be compounded if they are allowed to open to 1am. This is a residential area, the quieter part of Layton Road.

Noise, this has been a constant problem since the business first opened, we have previously complained about the noise and at the time the business was opening until 12am even though they didn't have a license for this . The drivers, and there seems to be a lot of them for a small takeaway business, are noisy especially at end of shift, they also play loud music and sit in vehicles with idling engines whilst waiting for work. When you are up for work at 5am this becomes extremely annoying, double glazing or not you can hear everything including every thing discussed between the drivers.

Not only are the delivery drivers an issue but customers under the influence of alcohol also tend to be 'rowdy' and we have in the past had altercations happening in and around this premises spilling out on to the street with police involvement . This will get worse when they are the only takeaway business in the area open till the early hours of the morning.

The number of drivers currently used by AB Pizza cause massive parking issues on the road which is already limited.

The rubbish generated by their customers usually ends up all over the road so much so we now have seagulls in permanent residence. We have never witnessed anyone from the business clearing away any rubbish dumped by their customers.

If you require any further clarification please do not hesitate to contact us.
