#### **5.0 Background Information**

5.1 In order to maintain a strategic oversight of the health and wellbeing agenda and ensure that the Board fulfils its statutory duties, a draft Forward Plan has been developed. This will enable the Board to strategically plan its future agendas and ensure that items are aligned to and relevant to the delivery of the Board’s priorities. This plan was agreed at the meeting of the Board held on the 15<sup>th</sup> July 2015 and has been reviewed at all meetings since then and it is intended that it will be reviewed at all future meetings to give the Board oversight of its workplan.

5.2 At the Strategic Commissioning Group away day on 1<sup>st</sup> July 2015, the link between the Health and Wellbeing Board and Strategic Commissioning Group was discussed. In order to maintain the relationship between the Board and Strategic Commissioning Group, and ensure that there is alignment between the Strategic Commissioning Group’s commissioning priorities and the Board’s strategic priorities, the draft Forward Plan will be included as a standing item at the Strategic Commissioning Group to enable relevant items from the Strategic Commissioning Group to be added on a regular basis for discussion and ratification.
