Proposed Hackney Carriage and Private Hire Licensing Policy 2015

1. Introduction

Blackpool Council is responsible for the regulation of the hackney carriage and private hire trades within the Borough of Blackpool.

When developing this policy the following have been taken into consideration:

- The aims and objectives of this policy (see below)
- Current legislation
- The Department for Transport “ Taxi and Private Hire Vehicle Licensing: Best Practice Guidance” March 2010
- Regulators Code 2014
- Local Government Association template Criminal Convictions Policy 2015

This policy sets out application requirement and standards that must be met by the hackney carriage and private hire trade licensed by Blackpool Council. When carrying out its regulatory functions, the Council will have regard to this policy. Each application or enforcement measure will be considered on its own merits however where it is necessary to depart substantially from the policy, clear and compelling reasons will be given.

2. Aims and objectives of the licensing policy

The principal purpose of hackney carriage and private hire licensing is to protect the public and promote public safety. The Council’s aim is to facilitate well run and responsible businesses which display sensitivity to the wishes and needs of the general public

Blackpool Council will carry out this licensing function with a view to promoting the following:

- The protection of the public, safeguarding children and the vulnerable and the prevention of crime and disorder,
- The safety and health of the public and drivers
- Vehicle safety, comfort and access
- Encouraging environmental sustainability

The Council aims to ensure that the hackney carriage and private hire services offered within the Borough are of a good standard. The application and compliance procedures are designed to ensure these standards are maintained, monitored for compliance and appropriately enforced.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

3. Delegations

Under the Council's Constitution, the Public Protection Sub-Committee has the authority to discharge non-executive regulatory functions with respect to hackney carriage and private hire licensing. The Sub-Committee will determine applications, contraventions, suspensions and revocations.

The Head of Licensing Services has delegated powers to grant licences where there are no criminal or other concerns that give rise to doubts over the suitability of the applicant to hold a licence.

The Head of Licensing Services or in their absence the Licensing Enforcement and Health and Safety Manager, after consultation with the Chair or Vice-Chair of the Public Protection Sub-Committee may:

- Issue warning letters on behalf of the Sub-Committee
- Suspend hackney carriage or private hire drivers with immediate effect

Hackney carriage/private vehicle licensed may be suspended by the Head of Licensing Services or in their absence the Licensing Enforcement and Health and Safety Manager if it cannot be established that the vehicle is suitably insured.

4. Hackney Carriage and Private Hire Drivers

An applicant must satisfy the Council that they are a fit and proper person to become licensed. Once licensed the driver must remain a fit and proper person throughout the duration of the licence.

4.1 Fit and Proper Person Test

Licensed drivers are in a position of trust transporting the young and vulnerable at all times of the day and night. The legislation requires that licences can only be granted if the Council is satisfied that the applicant is a fit and proper person.

Whilst there is no definition of a fit and proper person decisions from Courts over the years have come to the conclusion that the Council is effectively asking the following question

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

“Would you allow your son or daughter, spouse or partner, mother or father, grandson or granddaughter or any other person for whom you care, to get into a vehicle with this person alone?”

During the application process the Council will undertake a number of checks to gather the information necessary to assess the suitability of the applicant.

Factors that will be taken into account when reaching a decision include:

- Criminality (whether the applicant has any criminal convictions or cautions)
- Driving licence – length held and penalty points endorsed
- Right to work in the UK
- Medical Fitness
- General conduct/standards of behaviour
- Conduct of the applicant during the application process
- Previous licensing history
- Knowledge of Blackpool and other matters such as the Highway code and taxi policy and laws
- Ability to communicate and understand English

This is not an exhaustive list of matters that will be considered and further information will be sought from other agencies such as the Police, Safeguarding Boards and other licensing authorities as appropriate.

4.2 Making an application

It is the policy of the licensing authority that every application for a licence to drive a Hackney Carriage and/or Private Hire Vehicle must be accompanied by satisfactory evidence of the following matters (and that applications that are incomplete will not be deemed to have been made until such time as they are completed) -

- That the applicant has the right to live and work in the country
- An enhanced criminal record check and evidence that they are not on a child and/or vulnerable adult barring list
- A certificate of their current medical fitness to Group 2 standard
- That the applicant is authorised to drive a vehicle of the same classification as that which the licence will allow them to drive

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- That the applicant has a minimum of three years post-qualification driving experience (or if not, successful completion of an driving test with a Council approved examiner)

Applications will not be considered until the following has been established:

- That the applicant has adequate literacy and numeracy skills to provide the service that they wish to be licensed for
- That the applicant has sufficient ability to speak English and to understand spoken English to provide the service that they wish to be licensed for
- That the applicant has completed training specific to the service that they wish to be licensed to provide (including in respect of safeguarding, sexual exploitation, disability and dementia awareness and equality and diversity)
- (For persons who seek to be authorised to drive a wheelchair accessible vehicle) that the applicant has the ability to safely load and secure wheelchair users in a wheelchair accessible vehicle whilst in their chair
- That the applicant has sufficient knowledge of the Borough and other issues such as legislation relating to hackney carriage and private hire vehicles (for example the requirement to carry assistance dogs) as may be prescribed by the Council

4.2.1 Application form

Applicants are expected to act with honesty and integrity throughout the application process. There is an expectation that information requested, for example previous convictions and cautions, will be fully and accurately disclosed. Applicants are required to disclose all convictions and cautions including those that would normally be considered spent as both hackney carriage and private hire drivers are included as exceptions within the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975.

Care should be taken when completing the form as failure to make full and accurate disclosure can in itself result in refusal of the application.

4.2.2 Disclosure and Barring Service Check

A criminal record check of a driver is seen as an important safety measure. An enhanced disclosure through the Disclosure and Barring Service (DBS) is required as these disclosures include details of live and spent convictions, police cautions and other relevant information from the Police.

Before an application will be considered, the applicant must provide a current enhanced disclosure certificate. In this context “current” means less than three months old. DBS certificates are ordinarily applied for through the Council’s licensing unit however a certificate obtained elsewhere will be acceptable if it is less than three months old and has been processed

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

in relation to both the child and adult workforce employment position (this is specified on the certificate)

It should be noted that the Disclosure and Barring Service send the certificate to the applicant direct. The original certificate must be produced to the Licensing Service to progress the application.

A licence will not be granted or renewed in the absence of a current enhanced DBS certificate.

So that the licensing authority receives relevant information as quickly as possible in order to take appropriate and proportionate action to protect public safety, it is the licensing authority's policy to require applicants to register for the DBS's update service and to nominate the licensing authority to receive updates. Registration lasts for 1 year and costs £13 per year. Licensees are expected to maintain this registration and nomination throughout the duration of their licence. This policy requirement will not take effect until 1st October 2016 to allow further consultation with the trade on its implementation.

More information about the DBS can be found on their website at <https://www.gov.uk/government/organisations/disclosure-and-barring-service>.

Applicants with periods of residency outside the UK

If a new applicant has spent six continuous months or more overseas the Council will need to see evidence of a criminal record check from the country/countries visited covering the period before an application can be made.

4.2.3 Relevance of Convictions and Cautions.

In assessing whether the applicant is a fit and proper person to hold or retain a licence, the Council will consider each case on its merits having regard to its policy on convictions and cautions which can be found at Appendix A.

4.2.4 Medical Assessment

The Council is of the opinion that it is appropriate for licensed drivers to be subject to more stringent medical standards than those applicable to normal car drivers because:

- They carry members of the public who expect a safe journey
- They are on the road longer than most car drivers
- They have to assist disabled passengers and handle luggage.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

For this reason the Group 2 standards of medical fitness as applied by the DVLA to the licensing of lorry and bus drivers is the appropriate standard for licensed hackney carriage and private hire drivers

Applicants are required to undergo a medical assessment on first application, on reaching 45 years of age then every 5 years thereafter until the age of 65 when annual examinations will be required. Holders of current PSV and/or HGV licences where the holder is able to produce proof of a current medical examination will not be required to undergo further assessment.

Where there is any doubt as to the medical fitness of the applicant, the Council may require the applicant to undergo and pay for a further medical examination by a doctor appointed by the Council.

Licence holders must advise the licensing service of any deterioration or other change in their health that may affect their driving capabilities – this includes, but is not restricted to the list of conditions which must be notified to the DVLA. Where there remains any doubt about the fitness of the applicant, the Public Protection Sub-Committee will review the medical evidence and make a final decision.

No licence shall be issued until medical clearance (if required) has been established.

Exemption Certificates

Licensed drivers are under a legal duty to carry guide, hearing and other prescribed assistance dogs in their vehicles without additional charge. Drivers who have a medical condition which is aggravated by exposure to dogs may apply to the Council for exemption from the duty on medical grounds. If an application is successful they will be issued with an exemption certificate and a notice of exemption. The notice of exemption must be displayed in the vehicle either on the windscreen or in a prominent position on the dashboard.

4.2.5 Knowledge of the Borough

Applicants for a new licence are required to have passed the Council's knowledge test. This test will ensure that the applicant has sufficient knowledge in relation to:

- A basic level of English language
- Child/Adult safeguarding awareness
- Disability awareness
- Road Safety
- Basic Vehicle Maintenance
- Customer care/customer awareness

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- Local knowledge
- Taxi/private hire regulations and policy

If an applicant fails four successive knowledge tests their application will be rejected and a period of twelve months must elapse before a new application is permitted. Applicants who cannot demonstrate a basic level of English Language will be provided with information on relevant courses that can bring them to the required standard.

A fee must be paid for each test taken and any applicant cancelling the test with less than 24 hours' notice will not be refunded the fee. Failure to attend the test without prior notification will be classed as a failure.

Applicants who have been licensed previously by Blackpool Council will not be required to pass a knowledge test if their last licence expired less than three years prior to the date of the new application.

4.2.6 Customer Service Training

New applicants will be required to undertake a World Host course offered by the Council covering customer service and dealing with people with disabilities. Existing drivers who have not successfully completed the NVQ will also be required to complete this training before their current licence is renewed.

4.2.7 Child Sexual Exploitation and Abuse

One of the aims of this policy is to protect the public and safeguard children and the vulnerable. For this reason the Council believes that it is appropriate for licensed drivers to undertake basic safeguarding training.

Sexual exploitation of children and young people under 18 involves exploitative situations, contexts and relationships where young people (or a third person) receives "something" (e.g. food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money) as a result of them performing, and/or another or others performing on them, sexual activities. In all cases, those exploiting the child/young person have the power over them by virtue of their age, gender, intellect, physical strength and/or economic or other resources

Children and young people may be taken to public or private venues, rooms, hotels or houses for the purpose of sexual abuse.

All drivers are expected to report any suspicion or concerns that a child or young person is being transported for the purposes of sexual abuse. Where a driver becomes aware or concerned that

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

they or other drivers are transporting a young person or a number of young people to specific premises or venues either accompanied or alone on a regular basis and they suspect the young person may be subject to exploitation they must report their concerns to Lancashire Police.

Failure to report a suspicion or concern that a young person may be being sexually exploited could lead to the licence being revoked and the individual could also be considered complicit in the sexual exploitation in any subsequent criminal investigation.

It is a requirement that all existing licensed drivers undertake CSE training before their licence is renewed.

4.2.8 Right of driver to work in the UK

The Council will require all applicants for new licences to provide documentary evidence to confirm that they may legally work in the UK. Examples of documents that may be provided include (but are not limited to):

- A UK passport confirming that the holder is a British Citizen (or citizen of another EEA country including Switzerland)
- Passport or other travel document endorsed to show that the holder is allowed to stay in the UK and undertake paid employment
- Full UK birth/adoption certificate
- An immigration document issued by the Border and Immigration Agency to the holder which indicates that the person named in it can stay in the United Kingdom and undertake paid employment
- A work permit or other approval to take employment issued by the Home Office or the Border and Immigration Agency when produced in combination with either a passport or another travel document endorsed to show the holder is allowed to stay in the United Kingdom and is allowed to undertake paid employment.

When an applicant is subject to immigration controls, a licence will not be issued for longer than the period that the applicant has permission to undertake paid employment in the United Kingdom.

4.3 Standards expected of a licensed driver

4.3.1 Licence Conditions

The Council may attach such conditions to a private hire driver's licence as it considers reasonably necessary. The standard conditions can be found at Appendix B. Conditions may not be attached to a hackney carriage driver's licence, however they are required to abide by the Hackney Carriage Byelaws.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

4.3.2 General Conduct

The standards expected of licensed drivers are set out in the Code of Good Conduct. This code, set out at Appendix C should be read in conjunction with the other statutory and policy requirements set out in this document.

4.3.3 Dress Code

It is recognised that both the hackney carriage and private hire trade play an important part in portraying a positive image of Blackpool.

Anything that serves to enhance the professional image of the trade and promotes the concept that the drivers of licensed vehicles are professional vocational drivers is to be welcomed.

To ensure that the objectives above are met a dress code for licensed drivers has been set see Appendix D. It is a condition of licence that drivers adhere to this policy.

4.3.4 Code of Conduct when working with vulnerable passengers

It is essential that young, elderly and other vulnerable people are safeguarded and protected whilst being transported in a licensed vehicle. Accordingly a specific Code of Conduct must be complied with when working with vulnerable passengers. This Code can be found at Appendix E.

5 Hackney Carriage and Private Hire Vehicles

5.1 Limitation of numbers

The grant of a hackney carriage licence may be refused for the purpose of limiting the number of licensed taxis, if the local authority is satisfied that there is no significant demand for the services of hackney carriages in the area which is unmet.

Blackpool Council does limit the number of hackney carriages to 256 together with 44 horse drawn (landaus). The need for this limit is reviewed periodically (approximately every three years) by a competent company appointed to conduct the review on behalf of the Council, the findings of which are available on request.

The Council has no power to limit or otherwise restrict the number of private hire vehicles.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

5.2 Vehicle Specification

The Council has a series of specifications which a vehicle will need to comply with if it is to be licensed. These specifications can be found at Appendix F.

Not all types of vehicles are suitable to be licensed as hackney carriage or private hire vehicles. The Council maintains a list of approved vehicles. If an applicant wishes to licence a vehicle that does not appear on the list, advice should be sought from the licensing enforcement team which is responsible for maintaining the list. In the event of a dispute over the suitability of a vehicle the final decision rests with the Public Protection Sub-Committee.

5.3 Maximum age of vehicles

Vehicles will not be licensed beyond 14 years of age unless they satisfy the exceptional quality test.

1. g

5.4 Vehicle Testing

Vehicles are tested in accordance with the table below. Certificates of compliance are issued to vehicles who meet the required standard

Below 14 years of age*	2 inspections per year
Over 14 years of age	3 inspections per year

*The Public Protection Sub Committee retains the right to increase the number of tests to three per year in respect of vehicles under the age of 14 years due to maintenance issues.

5.5 Signage

Hackney Carriage vehicles are required to display plates on both the front and rear of the vehicle. This is a key feature in helping to identify vehicles that are properly licensed. All hackney carriage vehicles, except for mini buses, transits, people carrier type vehicles and those with built in roof signs should carry illuminated roof mounted signs indicating that they are a taxi. Mini buses, transits and people carrier type vehicles must display the single word "taxi" on the front and rear of the vehicle. In order to differentiate between the two types of licensed vehicle, private hire vehicles are not permitted to carry roof-mounted signs of any kind or any references to the word "taxi" or "hackney"

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

Private hire vehicles must display the following signage on both the rear passenger doors of each Private Hire saloon vehicle and on both passenger access doors for all other types of Private Hire vehicles to include the Blackpool Council logo and the wording "licensed private hire vehicle not insured unless pre-booked" in a size and font to be specified by the Council'. These signs can be purchased from the licensing service.

5.6 Application Process

The Council will consider all applications for vehicle licences on their own merits.

A valid application will consist of:

- Vehicle application form
- Fee
- The original vehicle registration document (V5), certificate of registration for the vehicle or a bill of sale. Licences will not be renewed unless the full V5 document has been produced to the Council.
- Certificate of compliance from the Council's testing station.
- Valid policy of insurance

5.7 Grant and renewal of licences

Vehicle licences will be issued for a period of 12 months.

5.8 Change of Vehicle

Historically, the licensing service have permitted vehicle licence holders who wish or need to change their vehicle to do a vehicle change to enjoy the benefit of the unexpired portion of the licence. The only charge for this was for the vehicle plates/disc.

The proposal is that this practice will cease and from the date this policy comes into force licence holders wishing to change vehicles must apply for a new vehicle licence. This decision has been taken due to the number of these applications now being received and the fact that it is the correct approach lawfully. Refunds for complete months outstanding on the existing licence will be given.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

5.9 Conditions

The Council may attach such conditions as it considers reasonably necessary to the grant of a hackney carriage or private hire vehicle licence.

The following condition is attached to all hackney carriage licences:

- Any hackney carriage operating to different tariffs must display a statement of fares which shall be fitted and maintained in such a position as to be clearly visible at all times to the hirer.

The standard conditions attached to a private hire vehicle licence can be found at Appendix H

5.10 Accidents

If at any time a licensed vehicle is involved in an accident, however minor, the driver must inform the licensing service as soon as possible and in any event within one working day. An accident report form must then be completed and submitted to the licensing service within 72 hours of the accident occurring (except in exceptional circumstances when the licensing service may agree to the report being filed outside of that time limit).

The vehicle must be presented for inspection at the Council's testing station as soon as possible after the accident has taken place at the licence holder's expense. The inspection should be booked via the licensing service. Failure to present the vehicle for inspection may result in the vehicle licence being suspended until such time as the vehicle is produced for examination.

If the vehicle is so damaged that it cannot be driven, the licensing service must be informed of this fact. In such cases, the vehicle proprietor is advised to take photographic evidence of the vehicle's condition to clearly illustrate the reason why the vehicle cannot be driven or be presented for examination.

5.11 Meters

All hackney carriages must be fitted with an approved meter. Private hire vehicles may be fitted with a meter but this is not a requirement of licensing. If a private hire vehicle is fitted with a meter it should not display the words "for hire" unless this wording cannot be viewed from outside of the vehicle

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

5.12 Fares

The Council sets the maximum rates that may be charged by hackney carriage vehicles. Private Hire Vehicles may set their own fare structure.

5.13 CCTV

Vehicles may be fitted with an appropriate CCTV system. If a system is installed it should be operational at all times the vehicle is in use.

The CCTV system must:

- Be of a make, type and design approved by the Council;
- Will not be changed in any way from its original design, be free of damage and maintained in working condition;
- The vehicle must carry appropriate signs, approved by the Council, informing the public that camera surveillance is active in the vehicle;
- The recording system and memory card (or other image recording system) must be securely stored within the vehicle and away from public access;
- Installation and maintenance must be in accordance with the manufacturer's specifications and recommendations;
- Images contained in the recording device may only be downloaded by an authorised officer of the Council or Police Officer unless the vehicle licence holder or licensed driver is registered with the Information Commissioner as a Data Controller

6 Operators

6.1 Requirement for a licence

A private hire vehicle may only be dispatched to a customer by a private hire operator who holds an operator's licence. Such a licence permits the operator to make provision for the invitation or acceptance of bookings for a private hire vehicle. A private hire operator must ensure that every private hire vehicle is driven by a person who holds a private hire driver's licence. All licences must be issued by the same local authority.

Applications for operator licences must be made on the form provided by the Council together with the appropriate fee. The Council will then decide whether the applicant is a fit and proper person to hold an operator's licence. In the case of a company the Council must be satisfied that all company directors/secretary are fit and proper.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

On the spot bookings - where a private hire vehicle is approached on the street by a potential customer, in the Council's view, the booking would only be lawful if it is made by the potential customer contacting the operator themselves. It would not be a lawful booking if the driver contacted the operator to make the booking on behalf of the customer.

6.2 Fitness and propriety

In assessing whether the applicant for an operator's licence is a fit and proper person, the Council will have regard to the following:

- Criminal record including convictions, cautions, warnings and reprimands
- Demeanour, general character, non-criminal behaviour, honesty and integrity
- Previous conduct
- Business practices demonstrated by the applicant (for example standard of record keeping, compliance with other regulatory requirements, financial practices, etc)

If the application is received from a person not already licensed as a driver by Blackpool Council, the applicant will be required to produce a Basic Disclosure from the Disclosure and Barring Service. They will also be required to undertake the Council's Safeguarding Awareness Training.

6.3 Insurance

Before an application is granted, the applicant must produce evidence that they have taken out appropriate public liability insurance.

6.4 Conditions

Conditions are attached to an operator's licence. The standard conditions can be found at Appendix I.

6.5 Address of Operator

The Council will specify in the licence the address from which the operator may operate. The operator must notify the Council in writing of any change of address.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

The Council will not grant an operator's licence for an operating base outside of the Borough of Blackpool. This is to ensure that proper regulation and enforcement measures may be taken by the Council and is in no way intended to be a restraint of trade.

7 Compliance and Enforcement

7.1 Enforcement

The principal purpose of hackney carriage and private hire licensing is to protect the public and promote public safety. To this end the Council aims to provide an efficient, targeted and proportionate regulatory service to those it regulates.

The Regulator's Code was brought into force in 2014 which states that the Council should:

- Carry out their activities in a way that supports those they regulate to comply and grow
- Provide simple and straightforward ways to engage with those they regulate and hear their views
- Base their regulatory activities on risk
- Share information about compliance and risk
- Ensure clear information guidance and advice is available to help those they regulate meet their responsibilities to comply
- Ensure that their approach to their regulatory activities is transparent.

Where appropriate, referrals will be made to other agencies. This will include but is not limited to the Police, HM Customs and Excise, DVLA and the Children's and Adult Safeguarding teams.

The Council will respond to complaints made by the public and referrals from other agencies and bodies. In addition officers will undertake proactive inspections and testing as either day to day activity or as a part of programmed operations.

7.1.1 Disciplinary Hearings

Licence holders may be referred to the Public Protection Sub-Committee for committing offences, failure to comply with any part of this policy, or for other any other conduct which impacts on their fitness to be a licence holder. The Sub-Committee will consider the impact of the offending/conduct on the individual's fitness to hold a licence and take such action as is appropriate in the circumstances.

Warnings

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

These may be issued for minor infringements. A warning letter will remain on file for a period of three years and will be referred to in the event that the licence holder is taken before the Sub-Committee for any other reason.

Suspensions

Vehicles can be suspended in accordance with section 68 Local Government (Miscellaneous Provisions) Act 1976 if an officer is not satisfied as to the fitness of a vehicle.

Drivers can be suspended under section 61 Local Government (Miscellaneous Provisions) Act 1976. This suspension can be ordered to take immediate effect in certain circumstances..

Revocations

Both vehicle and drivers licences may be revoked by the Sub-Committee.

If the seriousness of the case merits revocation, this course of action will be available to the Sub-Committee even if it is the first enforcement action taken against the driver/vehicle.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

Appendix A - Taxi and PHV Licensing Criminal Convictions' Policy

1. Introduction

- 1.1 The purpose of this policy is to provide guidance on the criteria taken into account by the council when determining whether or not an applicant or an existing licence holder is a fit and proper person to hold a hackney carriage and/or private hire vehicle licence.
- 1.2 The overriding aim of the licensing authority is to protect the safety of the public. The licensing authority is concerned to ensure:
 - That a person is a fit and proper person.
 - That the person does not pose a threat to the public.
 - That the public are safeguarded from dishonest person.
 - The safeguarding of children, young persons and vulnerable adults.
- 1.3 The term “fit and proper person” for the purposes of licensing is not legally defined and in assessing whether someone is “fit and proper” the Council will consider the following together with any other relevant information:
 - Criminality

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- Human rights
- Period of holding a driver's licence
- Number of penalty points endorsed on driving licence
- Right to work
- Medical fitness
- Conduct of the applicant in making the application (e.g. whether they have acted with integrity during the application process)
- Previous licensing history of existing and former licence holders

In addition the Council will also consider further information provided by sources such as the Police (including abduction notices), Children and Adult Safeguarding Boards and other statutory agencies.

- 1.4 This policy provides guidance to any person with an interest in hackney carriage and private hire licensing. In particular, but not exclusively:
- Applicants for drivers' licenses
 - Existing licensed drivers whose licences are being reviewed
 - Licensing officers
 - Members of the Public Protection Sub-Committee
 - Magistrates hearing appeals against local authority decisions
- 1.5 Where licensing officers have delegated powers to grant licences, they will utilise these guidelines when making a decision to grant a licence. In all other cases applications for licences will be referred to the Public Protection Sub-Committee. Whilst officers and the Sub-Committee will have regard to the guidelines contained in the policy, **each case will be considered on its individual merits and, where the circumstances demand, the committee/officer may depart from the guidelines.**

2. General policy

- 2.1 There may be occasions where it is appropriate to depart from the guidelines, for example where the offence is a one-off occasion or there are mitigating circumstances or alternatively where there are many or continuous offences which may show a pattern of offending and unfitness.
- 2.2 A person with a conviction for a serious offence need not be automatically barred from obtaining a licence, but would normally be expected to:
- a. Remain free of conviction for an appropriate period; and

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- b. Show adequate evidence that her or she is a fit and proper person to hold a licence (the onus is on the applicant to produce such evidence).
(Simply remaining free of conviction may not generally be regarded as adequate evidence that a person is a fit and proper person to hold a licence).
- 2.3 **Where an applicant has been convicted of a criminal offence, the licensing authority cannot review the merits of the conviction** [Nottingham City Council v. Mohammed Farooq (1998)].

3 Appeals

- 3.1 Any applicant refused a driver's licence on the grounds that the licensing authority is not satisfied he is a fit and proper person to hold such a licence has a right to appeal to the Magistrates' Court within 21 days of the notice of refusal.
- 3.2 Any applicant refused an operator licence on the grounds that the licensing authority is not satisfied he is a fit and proper person to hold such a licence has a right to appeal to the Magistrates' Court within 21 days of the notice of refusal.
- 3.3 Any licensee whose licence is suspended or revoked has a right to appeal to the Magistrates' Court within 21 days of the notice of suspension or revocation.

4. Powers

- 4.1 Section 61 and Section 62 of the Local Government Miscellaneous Provisions Act 1976 allow the licensing authority to suspend, revoke or refuse to renew a licence if the application/licence holder has been convicted of an offence involving dishonesty, indecency, violence; failure to comply with the provisions of the Town Police Clauses Act 1847; failure to comply with the provisions of Part II of the Local Government (Miscellaneous Provisions) Act 1976; or any other reasonable cause.
- 4.2 The Rehabilitation of Offenders Act 1974 (Exceptions)(Amendment) Order 2002, allows the licensing authority to take into account all convictions recorded against an applicant or the holder of a private hire vehicle or hackney carriage driver's licence, whether spent or not. Therefore the licensing authority will have regard to all relevant convictions, particularly where there is a long history of offending or a recent pattern of repeat offending.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- 4.3 In this policy the term “disqualification” refers to the period served, in order to take account of the fact that a court may reduce the period of disqualification from driving. An applicant must provide evidence in advance to prove that the court agreed a reduction in the period of disqualification.

5. Consideration of disclosed criminal history

- 5.1 Under the provisions of Sections 51, 55, and 59, Local Government (Miscellaneous Provisions) Act 1976, the licensing authority is required to ensure that an applicant for the grant or renewal of a hackney carriage and/or a private hire vehicle drivers’ licence and/or private hire vehicle operators licence is a ‘fit and proper’ person to hold such a licence. However, if an applicant has any convictions, warnings, cautions or charges awaiting trial, the licensing authority will look into:
- How relevant the offence(s) are to the licence being applied for
 - How serious the offence(s) were
 - When the offence(s) were committed
 - The date of conviction
 - Circumstances of the individual concerned
 - Sentence imposed by the court
 - The applicant’s age at the time of conviction.
 - Whether they form part of a pattern of offending
 - Any other character check considered reasonable (e.g. personal references)
 - Any other factors that might be relevant
- 5.2 Existing holders of drivers’ licences are required to notify the licensing authority in writing within seven days of being arrested, receiving a driving licence endorsement, fixed penalty notice or criminal conviction (including cautions).
- 5.3 Applicants can discuss further what effect a caution/conviction may have on any application by contacting the licensing office on 01253 478343 in confidence for advice.
- 5.4 The licensing authority conducts enhanced disclosures from the Disclosure and Barring Service (DBS) of any applicant for a driver licence. The licensing authority follows the DBS’s Code of Practice on the fair use of disclosure information. A copy is available on request.
- 5.5 Applicants applying for the grant or a renewal of a drivers’ licence will be required to obtain an enhanced disclosure at their expense. Applicants for an operators licence will be required to obtain a standard DBS check at their own expense (unless they are the holder of a current hackney carriage or private hire drivers licence issued by Blackpool Council). The licensing authority abides by the DBS’s

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

Policy on the secure storage, handling, use, retention and disposal of disclosure information, which is available on request.

- 5.6 The licensing authority is also entitled to use other records and information that may be available to it in determining applications or an entitlement to continue holding a licence. This may include information held by the licensing authority or other licensing authorities, and information disclosed by the police.
- 5.7 It is an offence for any person knowingly or recklessly to make a false declaration or to omit any material particular in giving information required by the application for a licence. Where an applicant has made a false statement or a false declaration on their application for the grant or renewal of a licence, the licence will normally be refused.
- 5.8 For renewal applications and current licence holders the policy will not be applied retrospectively where there are no new concerns or convictions. The policy will be applied to existing licence holders if any additional convictions are incurred or they are otherwise brought to the attention of the Council for conduct that would call into question a person's suitability to hold a licence.
- 5.9 Offences not covered by this Policy will be considered by the Council when determining whether the applicant/licensed driver is a fit and proper person.

6 Serious offences involving violence

- 6.1 Licensed drivers have close regular contact with the public. A firm line is to be taken with those who have convictions for offences involving violence. An application will normally be refused if the applicant has a conviction for an offence that involved the loss of life.
- 6.2 In other cases anyone of a violent disposition will normally be refused to be licensed until at least 3 years free of such conviction. However, given the range of the offences that involve violence, consideration must be given to the nature of the conviction.
- 6.3 Unless there are exceptional circumstances a licence will not normally be granted where the applicant has a conviction for an offence such as:
- Murder
 - Manslaughter
 - Manslaughter or culpable homicide while driving

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- Terrorism offences
- Or any similar offences (including attempted or conspiracy to commit) offences which replace the above

6.4 A licence will not normally be granted where the applicant has a conviction for an offence or similar offence to those below and the conviction is less than 10 years prior to the date of application:

- Arson
- Malicious wounding or grievous bodily harm which is racially aggravated
- Actual bodily harm which is racially aggravated
- Grievous bodily harm with intent
- Robbery
- Possession of firearm
- Riot
- Assault Police
- Common assault with racially aggravated
- Violent disorder
- Resisting arrest
- Or any similar offences (including attempted or conspiracy to commit) offences which replace the above

6.5 A licence will not normally be granted where the applicant has a conviction for an offence or similar offence to those below and the conviction is less than 5 years prior to the date of application:

- Racially-aggravated criminal damage
- Racially-aggravated offence
- Or any similar offences (including attempted or conspiracy to commit) offences which replace the above

6.6 A licence will not normally be granted where the applicant has a conviction for an offence or similar offence(s) which replace the below offences and the conviction is less than 3 years prior to the date of application:

- Common assault
- Assault occasioning actual bodily harm
- Affray
- S5 Public Order Act 1986 offence (harassment, alarm or distress)
- S.4 Public Order Act 1986 offence (fear of provocation of violence)
- S4A Public Order Act 1986 offence (intentional harassment, alarm or distress)
- Obstruction

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- Criminal damage
- Or any similar offences (including attempted or conspiracy to commit) offences which replace the above

6.7 A licence will not normally be granted if an applicant has more than one conviction in the last 10 years for an offence of a violent nature.

6.8 In the event of a licence being granted, a strict warning both verbally and in writing should be administered.

7. Possession of a weapon

7.1 If an applicant has been convicted of possession of a weapon or any other weapon related offence, this will give serious concern as to whether the person is fit to carry the public.

7.2 Depending on the circumstances of the offence, an applicant should be free of conviction for 3 years (or at least 3 years must have passed since the completion of the sentence, whichever is longer), before a licence is granted.

8. Sex and indecency offences

8.1 As licensed drivers often carry unaccompanied and vulnerable passengers, applicants with convictions for sexual offences must be closely scrutinized. Those with convictions for the more serious sexual offences will generally be refused. For other offences, applicants will be expected to show a substantial period free of conviction for such offences before a licence will be granted.

8.2 Unless there are exceptional circumstances, an application will normally be refused where the applicant has a conviction for an offence such as:

- Rape
- Assault by penetration
- Offences involving children or vulnerable adults
- Sexual assault
- Indecent assault
- Exploitation of prostitution
- Grooming, Trafficking for sexual exploitation or other sexual exploitation related offences
- Possession of indecent photographs, child pornography etc.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- Or **any** sex or indecency offence that was committed in the course of employment as a taxi or PHV driver
- Or any similar offences (including attempted or conspiracy to commit) offences which replace the above.

8.3 Before an application will be considered, an applicant should be free of conviction for at least 10 years (or at least 5 years must have passed since the completion of the sentence, whichever is longer), if he/she has a conviction for an offence such as:

- Indecent exposure
- Soliciting (kerb crawling)
- Or any similar offences (including attempted or conspiracy to commit).

8.4 In addition to the above the licensing authority will not normally grant a licence to any applicant who is currently on the Sex Offenders Register.

8.5 A licence will not normally be granted if an applicant has more than one conviction for a sexual/indecency offence.

9. Dishonesty

9.1 A licensed PHV or taxi driver is expected to be a trustworthy person. They deal with cash transactions and valuable property may be left in their vehicles. The widespread practice of delivering unaccompanied property is indicative of the trust that business people place in licensed drivers. Moreover, it is comparatively easy for a dishonest driver to defraud the public by demanding more than the legal or agreed fare, etc. Drivers may well deal with customers who are vulnerable or intoxicated and potentially easily confused. For all these reasons, a serious view is taken of any conviction involving dishonesty.

9.2 In general, a minimum period of 3 years free of conviction or at least 3 years from completion of sentence (whichever is longer) should be required before granting a licence. Offences involving dishonesty include:

- theft
- burglary
- fraud
- benefit fraud
- handling or receiving stolen goods
- forgery
- conspiracy to defraud

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- obtaining money or property by deception
- other deception
- taking a vehicle without consent
- and any similar offences
- Or any similar offences (including attempted or conspiracy to commit) offences which replace the above

9.3 A licence will not normally be granted if an applicant has more than one conviction for a dishonesty offence.

9.4 Applicants or existing licence holders that are found to have intentionally misled the Council, or lied as part of the application process, will not normally be issued with a licence.

10. Drugs

10.1 A serious view is taken of any drug related offence. The nature and quantity of the drugs, whether for personal use or supply are issues which should be considered.

10.2 A licence will not normally be granted where the applicant has a conviction for an offence related to the supply of drugs and has not been free of conviction for 5 years.

10.3 A licence will not normally be granted where the applicant has more than one conviction for offences related to the possession of drugs and has not been free of conviction for 5 years.

10.4 An applicant who has an isolated conviction for an offence related to the possession of drugs (other than for supply) within the last 3-5 years may be granted a licence, but consideration should be given to the nature and quantity of the drugs.

10.5 If there is evidence of persistent drugs use, misuse or dependency a specialist medical examination (in accordance with DVLA Group 2 medical standards) may be required before the licence is granted. If the applicant was an addict then they would normally be required to show evidence of 5 years free from drug taking after detoxification treatment.

10.6 A licence will not normally be granted if an applicant has more than one conviction for a drugs related offence.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

11 Driving offences involving the loss of life

11.1 A very serious view is to be taken of any applicant who has been convicted of a driving offence that resulted in the loss of life.

Unless there are exceptional circumstances a licence will not normally be granted where the applicant has a conviction for an offence such as:

- Causing death by dangerous driving
- Causing death by careless driving whilst under the influence of drink or drugs
- Causing death by driving: unlicensed, disqualified or uninsured drivers
- or any similar offences

12 Drink driving/driving under the influence of drugs/using a mobile phone whilst driving

12.1 As licensees are professional vocational drivers, a serious view is taken of convictions for driving, or being in charge of a vehicle while under the influence of drink or drugs. An isolated incident would not necessarily debar an applicant from proceeding on the restoration of his DVLA driving licence but he should be warned as to the significant risk to his licence status in the event of re-offending. Normally at least 3 years, after the restoration of the driving licence following a drink/drug drive conviction should elapse before an application will be considered. If there is any suggestion that the applicant is alcohol or drug dependent, a satisfactory special medical report must be provided before the application can be allowed to proceed.

12.2 Applicants should also be aware of the serious risk posed by driving whilst using a mobile phone. There is a substantial body of research (see for instance <http://www.rospa.com/rospaweb/docs/advice-services/road-safety/drivers/mobile-phone-report.pdf>) which shows that drivers who use a mobile phone suffer physical and cognitive distraction which means they :

- are much less aware of what's happening on the road around them
- fail to see road signs
- fail to maintain proper lane position and steady speed
- are more likely to 'tailgate' the vehicle in front
- react more slowly, take longer to brake and longer to stop
- are more likely to enter unsafe gaps in traffic
- feel more stressed and frustrated.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

12.3 There is evidence to show that drivers who use a mobile phone have slower reaction times than those who have consumed up to the legal alcohol limit. In light of this, an equally serious view should be taken of convictions for driving whilst using a mobile phone as for driving under the influence of drink or drugs.

12.4 A licence will not normally be granted if an applicant has more than one conviction for an offence of driving under the influence of drink or drugs or whilst using a mobile phone.

13 Licensing offences

13.1 Certain offences under taxi legislation such as plying for hire, overcharging and refusing to carry disabled persons would normally prevent a licence being granted or renewed until a period of 3 years has passed since .

13.2 A licence will not normally be granted if an applicant has more than one conviction for a licensing related offence.

14 Insurance offences

14.1 A serious view will be taken of convictions of driving or being in charge of a vehicle without insurance. An isolated incident in the past will not necessarily stop a licence being granted provided he/she has been free of conviction for 3 years, however strict warning should be given as to future behaviour.

14.2 A licence will not normally be granted if an applicant has more than one conviction for an insurance related offence.

14.2 An operator found guilty of aiding and abetting the driving of passengers for hire and reward whilst without insurance will normally have his operators' licence revoked immediately and be prevented from holding a licence for at least three years.

15 Outstanding charges or summonses

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- 15.1 If the individual is the subject of an outstanding charge or summons their application can continue to be processed, but the application will need to be reviewed at the conclusion of proceedings.
- 15.2 If the outstanding charge or summons involves a serious offence and the individual's conviction history indicates a possible pattern of unlawful behaviour or character trait, then in the interests of public safety the application may be put on hold until proceedings are concluded or the licence may be refused.

16 Non-conviction information

- 16.1 If an applicant has, on more than one occasion, been arrested or charged, but not convicted, for a serious offence which suggests he could be a danger to the public, consideration should be given to refusing the application.
- 16.2 In assessing the action to take, the safety of the travelling public must be the paramount concern.

17 Cautions

- 17.1 Admission of guilt is required before a caution can be issued. Every case will be considered on its own merits including the details and nature of the offence.

18 Licences issued by other licensing authorities

- 18.1 Applicants who hold a licence with one licensing authority should not automatically assume that their application will be granted by another. Each case will be decided on its own merits.
- 18.2 Licensees who are licensed by multiple authorities are expected to inform all such authorities of the authorities that they are licensed by and to advise each authority of any changes in this respect; and should expect those authorities to share information regarding their conduct and to take it into account as appropriate.

19 Summary

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

- 19.1 To summarise, a criminal history in itself may not automatically result in refusal and a current conviction for a serious crime need not bar an applicant permanently from becoming licensed. As the preceding paragraphs indicate, in most cases, an applicant would be expected to remain free from conviction for 3 to 10 years, according to circumstances, before an application can be considered. However, there may be occasions when an application can be allowed before 3 years free from conviction have elapsed.
- 19.2 Any person who has committed an offence and has to wait before an application is positively considered is more likely to value their licence and act accordingly.
- 19.3 While it is possible that an applicant may have a number of convictions that, individually, meet the above guidelines, the overall offending history must be considered when assessing an applicant's suitability to be licensed. A series of offences over a period of time is more likely to give cause for concern than an isolated minor conviction. Obviously some discretion can be afforded if an offence disclosed is isolated and there are mitigating circumstances, but the overriding consideration is the protection of the public.

Appendix E - Code of Conduct when working with vulnerable passengers

A vulnerable passenger is a person whose age or disability means that they are more susceptible to harm than a typical passenger. This may be a child, elderly person and someone with learning difficulties for example. It can include someone who is vulnerable due to an excessive level of intoxication.

The code of conduct aims to promote good safeguarding practice for drivers and staff working with vulnerable passengers in the taxi or private hire trade. Licensed drivers should adopt the following practices:

Drivers should carry photo ID at all times and wear it in accordance with the conditions of licence/byelaws

The driver/operator must confirm that appropriate provision has been made for the vulnerable person prior to accepting the booking or commencing the journey. This does not necessarily mean that the driver/operator is responsible for the provision of appropriate measures however they should check that they are in place.

When making a journey with vulnerable passengers photo identification should be produced to the carer responsible for the vulnerable person. If necessary you should obtain a record of the carer's contact details if there is no chaperone.

If a vulnerable passenger is refused service a responsible person should be informed so that alternative arrangements can be made. For example this situation may arise if the customer has an assistance dog and the driver has a medical exemption granted by the Council.

Always ask if a vulnerable person needs help do not assume

Drivers should remain professional at all times and should not:

- Touch a vulnerable person inappropriately
- Make offensive or inappropriate comments (such as the use of swearing or sexualised or discriminatory language)
- Behave in a way that may make a vulnerable passenger feel intimidated or threatened
- Attempt to misuse personal details obtained via the business about a vulnerable person.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

A log should be maintained by drivers where a service has been provided to a vulnerable passenger including any incidents occurring/actions taken or refusals of service.

If you are concerned about the safety, welfare or behaviour of a vulnerable person you should report this to the police by telephoning 101 (or in appropriate cases by calling 999)

If you are concerned about someone else's conduct you should report your concerns to the Council's licensing department 01253 478343, the police on 101 or Crimestoppers 0800 555111

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

All vehicles shall have an appropriate “type approval” which is either:

- European whole vehicle type approval

It is unlikely that anything not of the manufacturer’s specification other than vehicle colour will be authorised.

The roof sign must be centrally mounted on the vehicle roof and adequately secured either directly to the roof or mounted on a single roof bar and secured by bolts, straps or clamps. Magnetic or suction fittings alone are not considered suitable as a sole method of fixing.

Minibuses, transits and people carrier type vehicles which are not fitted with an appropriate roof sign shall have the word “Taxi” in letters of between 25cm and 30cm in height displayed on the front and rear of the vehicle so they can be clearly identified as a hackney carriage.

A private hire vehicle licence contains the following condition – “that all Private Hire operators must place signs on both the rear passenger doors of each Private Hire saloon vehicle and on both passenger access doors for all other types of Private Hire vehicles to include the Blackpool Council logo and the wording "licensed private hire vehicle not insured unless pre-booked" in a size and font to be specified by the Council’. These signs can be obtained from the licensing service.

The only other signage permitted on the exterior of the vehicle is self-adhesive signage on the front passenger and driver doors displaying the company name, logo and telephone number, or any combination. This signage must be approved by the Licensing Service.

A private hire vehicle must also display in the top left hand corner of the windscreen a licence disc on which will be displayed the registration number of the vehicle and the number of passengers permitted to be carried.

Where a vehicle is designed or adapted to carry a wheelchair, the vehicle licence holder shall ensure that the driver (unless exempt from loading wheelchairs on medical grounds) has received sufficient training to safely load and convey passengers using wheelchairs.

Vehicles powered by Liquid Petroleum Gas (LPG)

An applicant for a licence involving a vehicle that has been converted to run on LPG is required to produce, prior to the licence being issued, a certificate issued by a member of the LPG Association confirming satisfactory installation, examination and testing of the vehicle in accordance with the LPG Association Code of Practice and that the vehicle is therefore considered safe.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

If an LPG conversion involves the installation of a fuel tank in the vehicle boot space (and possible relocation of the spare wheel) it is a requirement that an amount of space shall remain free for the stowage of a reasonable amount of luggage and any spare wheel displaced as a result must be stowed in a location that does not impinge on the passenger carrying area of the vehicle.

Guidance notes

Mot items – Any individual fault which would cause the vehicle to fail the standard MOT test will count as one fault. For example a leaking brake cylinder and a bald tyre are **2 faults**.

Interior and exterior faults – as a general rule, each defect identified during the inspection will count as one fault, however multiple faults of an identical nature will count as one fault. For example – holes in two seats will count as one fault. Similarly, dents found on two separate panels will count as one fault.

Fixing – all trim should be present, correctly aligned and fixed in accordance with the manufacturer's specification.

Proposed Hackney Carriage and Private Hire Licensing Policy 2015

Poor Workmanship – repairs should be carried out to a high standard. Defects resulting from poor preparation or poor application of a paint finish are likely to result in the vehicle not reaching the required standard. Such defects may include runs, dust in the paint, orbital sander marks, poor paint coverage and overspray.

Gloss Finish – Paintwork should have a gloss finish over the whole vehicle. Where the paintwork has begun to fade due to age and the effects of ultraviolet degradation over large areas of the vehicle, where it cannot be returned to an acceptable gloss level by the use of cutting compounds refinishing may be required.

Replacement panels – vehicles which have been damaged and had replacement panels fitted are acceptable as hackney carriage and private hire vehicles provided that

- The repairs have been carried out to a high standard
- The replacement panel has been fitted to the vehicle manufacturer's specification using approved fittings, and
- The replacement panel has been correctly aligned, level with all adjacent panels. The gaps between panels should be uniform and similar to those between original panels.
