Commentary on the key issues:

Directorate Summary

The Revenue summary (above) lists the outturn projection for each individual service within the Places Directorate against their respective, currently approved, revenue budget. The forecast outturn of £378k overspend is based upon actual financial performance for the first 4 months of 2016/17 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year, all of which have been agreed with each head of service.

Cultural Services

This service is expecting a £63k overspend by the year-end due to a shortfall in funding of the Grundy Art Gallery.

Growing Places

This service is expecting a £93k overspend by the year-end. This is due to a combination of staffing pressures of £63k in the Planning Department and prudential borrowing costs of £30k in Housing for the Foxhall Village development.

Visitor Economy

This service is expecting a £222k overspend by the year-end. £100k is due to low income in Print Services that needs to be reviewed as part of a wider review of how the service is used corporately. This position has changed compared to month 3 due to revised income forecasts. The remaining £122k is the balance of savings yet to be identified within the department.
