As a resident and day to day user of Central drive I am aware of a new application for a new premises licence for the above property. On behalf of me and my local community, I would very much like to make a formal objection to this application.

In order to reduce crime and disorder in the local area of central drive.

- The Licencing Committee to consider the amount of premises on central drive already got alcohol licences to serve alcohol from early till late increases antisocial behaviour and higher crime rate.
- The premises is situated within the outskirts of the town centre also serving alcohol both day time and nighttime also increase crime and disorder rate.

None of the information on this application form detailing the above applicat intends to promote Any of the licencing objectives in particular the crime and disorder objective.

I have felt the need to write this objection due to the fact of the increased anti social behaviour and crime and disorder that has steeply increased in this location over the past 18 months.

Speaking for myself as a single mother the regular congregation of people have congregated next door to the above premises harassing me and my family and other people of the community on a simple walk to town and back. In my opinion the above named licensee applicant is already demonstrating a lack of community conscious due to his allowing disnegative to pursue of the past 18 months.
