Proposed Sex Establishment Policy 2016

1. Introduction

This policy statement sets out Blackpool Council's approach to the regulation of sex establishments in the Borough.

Nothing in this policy undermines the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.

The policy covers the operation of the following:

1.1 Sex Shops

A sex shop is defined as any premises, vehicle, vessel or stall used for a business which consists to a significant degree of selling, hiring, exchanging, lending, displaying or demonstrating –

- a) Sex articles; or
- b) Other things intended for use in connection with, or for the purpose of stimulating or encouraging –
 - i) Sexual activity; or
 - ii) Acts of force or restraint which is associated with sexual activity.

1.2 Sex Cinemas

A sex cinema is defined as any premises, vehicle, vessel or stall used to a significant degree for the exhibition of moving pictures, by whatever means produced, which –

- a) Are concerned primarily with the portrayal of, or primarily deal with or relate to, or are intended to stimulate or encourage –
 - i) Sexual activity; or
 - ii) Acts of force or restraint which are associated with sexual activity;
- or
- b) Are concerned primarily with the portrayal of, or primarily deal with or relate to, genital organs or urinary or excretory functions.

But does not include a dwelling house to which the public is not admitted.

Proposed Sex Establishment Policy 2016

1.3 Sexual Entertainment Venues

A sexual entertainment venue is defined as any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer.

“Relevant entertainment” means –

- a) Any live performance; or
- b) Any live display of nudity;

which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).

The following premises are not sexual entertainment venues:

- a) Sex shops and sex cinemas;
- b) Premises which provide relevant entertainment on an infrequent basis i.e. premises where –
 - i) No relevant entertainment has been provided on more than 11 occasions within a 12month period;
 - ii) No such occasion has begun within a period of one month beginning with the end of the previous occasions; and
 - iii) No such occasion has lasted longer than 24 hours; or
- c) Other premises or types of performance or displays exempted by an order made by the Secretary of State.

1.4 Waivers

Schedule 3 of the 1982 Act makes provision for the Council to grant a waiver from the requirement to hold a sex establishment licence in any case where it considers that to require a licence would be unreasonable or inappropriate. A waiver may be for such a period as the Council thinks fit.

The Council does not consider it would be appropriate to permit waivers from the requirement to hold a sex establishment licence in respect of sexual entertainment venues particularly as the legislation allows relevant entertainment on an infrequent basis of no more than 11 occasions within a 12month period, providing there is at least one month between each period of entertainment which itself does not last for more than 24 hours.

Proposed Sex Establishment Policy 2016

The Council may at any time give a person who would require a licence but for a waiver notice that the waiver it to terminate on a date not less than 28days from the date the notice is given.

Whilst each application will be considered on its own merits by the Public Protection Sub-Committee in light of the exemption in relation to the provision of relevant entertainment on an infrequent basis the Council takes the view that waivers are unlikely to be appropriate in relation to relevant entertainment and would only be covered in exceptional circumstances.

2. Making an Application

Applications for the grant, renewal, variation or transfer of a licence must be made on the prescribed form which is available upon request from the Licensing Service or at www.blackpool.gov.uk. Applications can be submitted on paper or electronically.

New applications or variations which involve a change of layout must be accompanied by a plan of the premises to which the application relates. The plan must show:

- a) The extent of the boundary of the building, if relevant, and any external and internal walls of the building and, if different, the perimeter of the premises;
- b) The location of points of access to and egress from the premises;
- c) the location of escape routes from the premises;
- d) In a case where the premises is to be used for more than one licensable activity, the area within the premises used for each activity;
- e) Fixed structures (including furniture) or similar objects temporarily in a fixed location (but not furniture) which may impact on the ability of individuals on the premises to use exits or escape routes without impediment;
- f) In a case where the premises includes a stage or raised area, the location and height of each stage or area relative to the floor;
- g) In a case where the premises includes any steps, stairs, elevators or lifts, the location of the steps, stairs, elevators or lifts;
- h) In the case where the premises includes any room or rooms containing public conveniences, the location of the room or rooms;
- i) The location and type of any fire safety and any other safety equipment including, if applicable, marine safety equipment; and

Proposed Sex Establishment Policy 2016

j) The location of a kitchen, if any, on the premises.

2.1 Advertising of applications

Applications must be advertised on/near the premises to which the application relates and in a newspaper circulating in the Borough.

On the premises

A notice must be displayed at or on the premises to which the application relates for a period of not less than 21 consecutive days from the day the application was given to the Council. The notice must be in such a position that it can be conveniently read by members of the public.

The notice must be on paper sized A4 or larger containing the information detailed below printed legibly in black ink.

In the newspaper

Applicants must give public notice of the application by publishing an advertisement in a local newspaper that circulates in the Blackpool Borough no later than 7 days after the date the application is made.

The notice must state:

- a) Details of the application and activities proposed to be carried on,
- b) The full name of the applicant,
- c) The postal address of the premises, or where there is no postal address, a description of the premises sufficient to enable the location and extent of the premises to be identified,
- d) The date, being 28 days after the day on which the application was given to the Council, by which representations may be made to the Council in writing.

A specimen notice is available upon request from the Licensing Service or on our website www.blackpool.gov.uk.

Proposed Sex Establishment Policy 2016

2.2 Objections

Objections must be made in writing (email is acceptable) within the period of 28 days from the date on which the application is given to the Council and should include the following:

- The name and address of the person or organisation making the objection,
- The premises to which the objection relates, and
- An indication whether the objector consents to their name and address being disclosed to the applicant.

No weight will be given to any objection that does not contain the name and address of the person making it.

An objection must state the grounds on which the objection is made. Persons making an objection are encouraged to provide full reasons for their objection and, where possible, demonstrate how their reasons are relevant to the mandatory and discretionary grounds for refusal (if any) as set out in this policy.

No weight will be given by the Council to objections made on moral grounds or those that are in the opinion of the Council, frivolous or vexatious.

Where an objection is received, the applicant will be notified of the general grounds of the objection. The name and address of the objector will not be disclosed to the applicant unless the objector has consented to this.

3 Determination of applications

When considering applications, the Council will have regard to:

- (a) the Local Government (Miscellaneous Provisions) Act 1982;
- (b) any supporting regulations;
- (c) this Statement of Licensing Policy.

Proposed Sex Establishment Policy 2016

This does not, however, undermine the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.

All applications for new sex establishments and variations of existing licences will be determined by the Public Protection Sub-Committee irrespective of whether objections have been received. The Sub-Committee will also consider renewal applications where the Lancashire Constabulary have made comments or objections have been received. At the hearing the applicant and any objectors who made objections within the statutory period will be given the opportunity to address the Sub-Committee.

Uncontested applications for renewal will be determined by the Head of Licensing.

When determining an application the Council will take account of any comments made by the Police and any objections made. Each application will be considered on its own merits.

Where a hearing has taken place before the Public Protection Sub-Committee, unless otherwise advised, its decision will be given at the end of the hearing and the applicant and the objectors will receive written confirmation of the decision together with reasons within seven days.

3.1 Refusal of Licences

The Local Government (Miscellaneous Provisions) Act 1982 provides mandatory and discretionary grounds for refusal of a licence.

3.1.1 Mandatory Grounds

A licence **must not** be granted to:

- a) A person under the age of 18;
- b) A person who has had a similar licence revoked within the previous 12 months;
- c) A person, other than a body corporate who is not resident in the United Kingdom, or was not so resident throughout the period of six months immediately preceding the date when the application was made;

Proposed Sex Establishment Policy 2016

- d) To a body corporate who is not incorporated in the United Kingdom;
- e) To a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

3.1.2 Discretionary Grounds

A licence may be refused on the following grounds:

- a) The applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason see paragraph 3.2;
- b) If the licence were to be granted, renewed or transferred the business to which it relates would be managed by, or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such licence if he made the application himself;
- c) That the number of sex establishments in the relevant locality at the time of the application is made is equal to or exceeds the number which the authority considers appropriate for that locality see paragraph 3.3;
- d) That the grant or renewal of the licence would be inappropriate having regard
 - o To the character of the relevant locality see paragraph 3.4; or
 - o To the use to which any premises in the vicinity are put; or
 - o To the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

3.2 **Suitability of applicants.**

The Council will need to be satisfied that the applicants for a sex establishment licence are suitable to operate the business by ensuring:

- a) that the operator is honest;

Proposed Sex Establishment Policy 2016

- b) That the operator is qualified by experience and/or knowledge to run the type of sex establishment. That the operator understands the general conditions and will comply with them;
- c) That the operator is proposing a management structure which will deliver compliance with operating conditions, for example through managerial competence, presence, a credible management structure, enforcement of rules internally, a viable business plan and in the case of a sexual entertainment venue, policies for the welfare of performers;
- d) If the application is for a sexual entertainment venue, that the operator can be relied upon to act in the best interests of the performers e.g. in how they are remunerated, the facilities provided, how they are protected and how and by whom their physical and psychological welfare is monitored;
- e) That the applicant can be relied upon to protect the public e.g. transparent charging and freedom from solicitation; and
- f) That the operator can show either a track record of management of compliant premises, or that he/she has an understanding of the rules governing the type of licence applied for

All applications will be considered but they are unlikely to be granted if any of the following apply:

- a) The applicant has a criminal record. Offences that will be considered particularly relevant include convictions for:
 - Dishonesty,
 - Violence,
 - Sexual offences,
 - Drugs,
 - People trafficking;
- b) The applicant has previously been involved in running an unlicensed sex establishment;

Proposed Sex Establishment Policy 2016

- c) If the licence were to be granted, the business to which it relates would be managed by or run for the benefit of a person other than the applicant who would be refused the grant of such a licence if they made it themselves.

3.3 Number of Sex Establishments

The Local Authority may refuse an application if it is satisfied that the number of sex establishments of a particular kind in the relevant locality at the time the application is made, is equal to or exceeds the number which the authority considers is appropriate for that locality. The Council is able to determine that the appropriate number for a locality is nil.

Blackpool Council has determined that in the Bloomfield, Claremont and Talbot Wards:

- The number of sex shops shall be two.
- The number of sex cinemas shall be nil.
- The number of sexual entertainment venues shall be 4.

In all other wards the number shall be nil for all categories of sex establishments.

Proposed Sex Establishment Policy 2016

3.4 Location of licensed premises

In considering whether the grant or renewal of a licence would be inappropriate having regard to the character of the relevant locality or to the use of which any premises in the vicinity are put, the Licensing Authority will consider whether the grant of the application would be inappropriate having regard to its proximity to:

- Residential areas;
- Premises which are sensitive because they are frequented by children, young persons or families including, but not limited to educational establishments and leisure facilities such as parks, libraries or swimming pools;
- Shops used by or directed at families or children;
- Premises sensitive for religious purposes for example, churches, mosques and temples;
- Places and/or buildings of historical/cultural interest and tourist attractions;
- The Promenade.

3.5 Conditions

The Council recognises that all applications should be considered on an individual basis and any condition attached to such a licence will be tailored to each individual premises.

The conditions that may be attached to a sex shop licence are shown in Appendix A and conditions that may be attached to a sexual entertainment venue are shown in Appendix B.

3.6 Duration of licence

Licences will be granted for one year unless a shorter period is specifically stated.

3.7 Revocation of licences

The Council may revoke a licence on any of the grounds contained within the Act which include (please note this list is not exhaustive):

- the licence holder no longer being fit and proper;
- Poor operation of the premises.

Proposed Sex Establishment Policy 2016

The Council will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before the Public Protection Sub Committee.

3.8 Appeals

There is a right of appeal against the refusal to grant, renew, vary or transfer a licence, the imposition of conditions on a licence and the revocation of a licence.

Appeals must be made to the Magistrates' Court within 21 days starting from the date the aggrieved party is notified of the decision.

It is important to note that appeals only lie against the mandatory refusals on the basis that the mandatory ground does not apply to the applicant/licence holder. Further no appeal lies against the Licensing Authority's decision made on the discretionary grounds namely:

- That it is inappropriate to grant or renew a licence on the grounds of the character of the locality or the number of premises in it; or
- The use of the premises in the vicinity or the layout, character or condition of the premises.

4. Complaints and Enforcement

4.1 Complaints

Where possible and appropriate the council will give early warning to licence holders of any concerns about problems identified at premises and of the need for improvement.

4.2 Enforcement

The Council is responsible for the administration and enforcement of the licensing regime and will have regard to the Quality Standards Enforcement Concordat. The Council will carry out its regulatory functions in a fair, open and consistent manner.

Specifically, the Council is committed to:

- (a) be proportionate – to only intervene when necessary and remedies will be appropriate to the risk posed;

Proposed Sex Establishment Policy 2016

- (b) be accountable – to justify decisions, be subject to public scrutiny and allow opportunities to resolve differences before enforcement action is taken, unless immediate action is needed;
- (c) be consistent – to implement rules and standards fairly;
- (d) be transparent – to be open and to provide clear explanations of what is needed, by when and the rights of appeal.
- (e) target its regulatory action at cases in which action is needed.

The Council recognises the interests of both citizens and businesses and will work closely, with partners, to assist licence holders to comply with the law and the conditions attached to the licence.

However, proportionate but firm action will be taken against those who commit offences or consistently break the law or breach the conditions of the licence.

The Council has set clear standards of service and performance that the public and businesses can expect. In particular, an enforcement policy has been created that explains how the Council will undertake its role and how the principles of effective enforcement will be achieved.

This policy is freely available from the licensing section, as are details of the corporate complaints procedures, both of which can also be viewed on the Council's website: www.blackpoolcouncil.gov.uk

5. Cancellation of licences

The licence-holder may surrender the licence at any time and may request the Council in writing to cancel the licence.

In the event of the death of a licence-holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for 3 months from the date of death, unless previously revoked.

Where the Council are satisfied that it is necessary for the purpose of winding up the estate of the deceased licence-holder, it may extend or further extend the period in which the licence remains in force.
