**4.0 Council Priority:**

4.1 The relevant Council Priority is: “The economy – maximising growth and opportunity across Blackpool”

**5.0 Background Information**

5.1 The Horse Drawn Hackney Carriage Licensing Policy is not a statutory policy. This means that there is no requirement for the Council to adopt one, although it is good practice to do so as it sets out the Council’s approach to issuing licences and enforcement. Decisions made in accordance with the policy are more likely to be upheld in the event of an appeal.

5.2 The current policy has been in existence since 2011 and the 2015 Scrutiny Report on Licensed Horse Drawn Hackney Carriages recommended that officers undertake a full review of the policy.

5.3 In February 2015, the Casey Report into Child Sexual Exploitation (CSE) was published. That report devoted two chapters to taxi licensing and the involvement of taxis in Child Sexual Exploitation. A subsequent Serious Case Review from Oxford also highlighted the involvement of taxi drivers in Child Sexual Exploitation – on this occasion they were not the perpetrators, however they were used to take young people to places where they were then abused. The reports highlighted the importance of ensuring that only suitable people are licensed as drivers and that those who are licensed receive appropriate training on safeguarding issues. Whilst the reports outlined above related to the drivers of motorised vehicles, the same principles also apply to Horse Drawn Hackney Carriage Drivers.

5.4 The Licensing Committee approved a draft policy for consultation at its meeting in March 2016. Consultation with the trade took place until June 2016. There were no formal written responses to the consultation however the draft policy was discussed in detail at the Landau Liaison meeting held on 12 May 2016 and amendments to paragraph 5.5 of the draft policy have been made to take into account the comments made at the meeting.

5.5 The proposed policy is attached at Appendix 10a, to the Executive report. The Licensing Committee considered this policy at its meeting on the 8 November 2016 and agreed to recommend it to the Executive for approval.
