Commentary on the key issues:

Directorate Summary - basis

The Revenue summary (above) lists the outturn projection for each individual service within the Chief Executive's Directorate against their respective, currently approved, revenue budget. Forecast outturns are based upon actual financial performance for the first 8 months of 2016/17 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year.

Following the recent Council restructure this directorate now includes Human Resources, Organisation and Workforce Development and the Corporate Delivery Unit (both transferred from the former Deputy Chief Executive's Directorate).

The Directorate is forecasting a break-even position for 2016/17.
