5.0 Background Information

5.1 The Council's 2017/18 Capital Programme runs concurrently with the 2017/18 revenue budget with schemes usually extending over a number of years.

5.2 For that reason, the programme projects forward indicative spending for three years. This report updates the programme set in 2016/17 and seeks to ensure that capital expenditure is spent in areas that will contribute to meeting the Council's priorities.

5.3 The 2017/18 programme is submitted for approval. The 2018/19 and 2019/20 programmes have been drawn up based upon individual allocations and current proposals. These will be reviewed as part of the budget processes for 2018/19 and 2019/20 in the light of changing priorities and final funding levels that mean no commitments can yet be identified in respect of these schemes.

5.4 All Members of the Council should have received copies of the papers considered by the Executive at its meeting on 6 February 2017, in connection with the Proposed Rent Review [available via this link](#).

5.5 Does the information submitted include any exempt information? No
