Dear Resident

**RE: Proposed Additional 20mph Limit**

Blackpool Council has recently consulted with all of the properties on Burwood Drive and several properties on Whinney Heys Road regarding a proposal to introduce / extend the existing 20mph speed limit along Whinney Heys Road and down Burwood Drive.

Following the positive feedback, the Council wishes to extend the proposal to include Whinpark Avenue, Cottesmore Place and the full length of Whinney Heys Road. It is proposed that the scheme is funded by the Hospital. A plan showing the proposed scheme is attached to this letter.

To progress this matter, we would like to know your views. Please fill in the questionnaire attached and return using the prepaid envelope supplied. Alternatively you can send an email to [traffic.management@blackpool.gov.uk](mailto:traffic.management@blackpool.gov.uk), quoting the reference code above (Hosp002). Please make sure your response is received before 5<sup>th</sup> August 2016 so that we can progress and feedback our findings.

Yours faithfully,
