Licensing Service, Blackpool council

Municipal buildings, PO Box 4

Blackpool FY11NA

I object to the licence applied by Mr Janusz Artur Kuca for the property Folklore 13 Westcliffe Drive, Blackpool, FY3 7BJ on the basis as follows

Opposite this shop there is Layton cemetery and there is lot of young people gather in group and cause nuisance and anti-social behavior.

The area immediately around this location is one that suffers from disorder and anti-social behavior, with much of that behavior fueled by alcohol.

There are many problematic youths around the area these youths often gather outside similar shops causing problems and badgering people in an attempt to get alcohol.

I also don't think it would help with the street drinking and begging around the area.

Our police force can do without any more problem regarding theft and antisocial behavior by another off license.

We also have 7 licensed premises national and local retailers in Layton. It's more than what the residents need.

I have also noticed the premises license application is not visible 24 hours a day as the notice is not visible when the shutters come down 7pm to 8 am.

Yours sincerely

Joanne Rodgers
