Directorate Summary - basis

The Revenue summary (above) lists the outturn projection for each individual service within the Chief Executive's Directorate against their respective, currently approved, revenue budget. Forecast outturns are based upon actual financial performance for the first 4 months of 2017/18 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year.

This Directorate now includes the School Improvement Data Team transferred from Children's Services to the Corporate Delivery Unit.

The Directorate is forecasting a break-even position for 2017/18.
