Commentary on the key issues:

Directorate Summary - basis

The Revenue summary (above) lists the outturn projection for each individual service within Governance and Partnership Services against their respective, currently approved, revenue budget. Forecast outturns are based upon actual financial performance for the first 9 months of 2017/18 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year, all of which have been agreed with the head of service.

Democratic Governance Service

The Democratic Governance Service is forecasting a break-even position for 2017/18.

Corporate Legal Services

This service is currently forecasting a break-even position.

Life Events & Customer Care

This service, which used to be called Registration and Bereavement Services, is now forecasting a pressure of £80k. This is due to the current forecast level of income and maintenance pressures within the Registrars and Cremation Services. The pressure has increased again this month as predictions that income may increase during the year continue not to come to fruition.

Ward Budgets

Ward budgets are expected to underspend in 2017/18.
