SCRUTINY SELECTION CHECKLIST

Title of proposed Scrutiny:

The issue has potential impact for one or more sections of the community		
There is evidence of public interest in the topic		
It is an area where a number of complaints (or bad press) have been received		
The issue is strategic and significant		
The Council or its partners are not performing well in this area		
The review will add value to the Council and/or its partners overall performance		
Service or policy changes are planned and scrutiny could have a positive input		
Adequate resources (both members and officers) are available to carry out the scrutiny		
The list is intended to assist the Scrutiny Committee in deciding whether or not to approve a topic that has been suggested for scrutiny.		
Whilst no minimum or maximum number of 'yes' answers are formally required, it is suggested that a potential review will carry more weight and credibility if these are attributable in most cases.
