Good afternoon,

My name is Craig Hunter, proprietor of Absolute Fitness (fitness club) at 32 Waterloo Road Blackpool. I am currently representing on an informal basis some of the small business's in the locality and I have some names and address of business owners who currently object to the Tesco alcohol licence extension application.

G Foden - Appliance Services 35a Waterloo Road Blackpool FY4 1AD
Kathryn Wood - Houseproud 44 Waterloo Road Blackpool FY4 1AB
Ian Muir - Sweetly Special 60 Waterloo Road Blackpool FY4 1AB
Kathy Muir - Sweetly Special 60 Waterloo Road Blackpool FY4 1AB
Steve Orwin - Smart Mart 21 Waterloo Road Blackpool FY4 1AD
Paul Kelly - Blackpool Rock Shop South Promenade Blackpool
Ewelina Szopa - Absolute Fitness 32 Waterloo Road Blackpool FY4 1AB
Peter - Harold Rigby's 50 Waterloo Road Blackpool FY4 1AB
Andy Smith - Cash Generators 46 Waterloo Road Blackpool FY4 1AB

Unfortunaley due to the short notice these are the only names so far but I would expect more given the time as the problems in the area are of deep concern for all.

Kind regards

Craig Hunter

That's excellent Craig !

If you can just do a short introduction stating that you are representing the following business in the area to Object to the granting of a new premises licence for Tesco Express ,257/259 Lytham Road.

If you add in that your main concern is the early hours between 06.00hrs and 08.00hrs. The next bit is a pain but I need the business addresses of the people you have listed.

You have till Thursday, but you putting your weight behind things will massively.

Please find attached the video as requested. I will issue a letter today and get a response (names at the very least) by Monday-Tuesday at the latest. I strongly oppose any such move to allow the sales of alcohol prior to 8:00am in this vicinity as I believe the target market that would benefit from such a move would be the sort of individuals that are currently creating problems in the area with drunken and intimidating behavior. Current licencing rules in the area which allow a 16 hour window of opportunity in order to make

such purchases of alcohol are by any means sufficient for a responsible individual to make alcohol purchases.

Any extension on this (more specifically early morning) would in my opinion and due to my observations (being next to an off licence at 7:15am most mornings) feed the habits of dependent people who often demonstrate anti-social behavior.

Regards

Craig Hunter
