Reasons for objecting				
<p>I am in receipt of a Temporary Event Notice at the above premises for the sale of alcohol and provision of regulated entertainment and late night refreshment, from 4am to 7am on 30th September 2018.</p> <p>On behalf of the Police I believe that allowing the premises to be used in accordance with this TEN will undermine the licensing objectives, namely in relation to the prevention of crime and disorder and public safety. There is already a high volume of crime and disorder in this immediate area and it is believed that by allowing this additional time for alcohol consumption it will exasperate this further and add to the cumulative impact already being experienced within the Town Centre and would lead to further alcohol fuelled crime and disorder and contribute to the stress and further burden on the emergency services. There is also a greater risk to public safety as individuals become increasingly vulnerable due to intoxication which increases the chance of them being a victim of crime or needing medical treatment for injuries sustained.</p> <p>Previous Temporary Event Notices that have been held at the premises have ceased at 6am therefore the Police would ask the committee to consider amending this notice so that the terminal hour is 6am and also that conditions that mirror this premises licence are added to this TEN.</p>				

The Police recommend to the Panel that a Counter Notice be served by the Licensing Authority unless the following restrictions or requirements can be imposed by condition.

Licensable activities to cease at 06:00hrs.

The following conditions to be added to the TEN:

The licence holder and the Designated Premises Supervisor shall ensure that an appropriate number of licensed door supervisors are on duty whenever the premises are open for the purpose of a licensable activity or when patrons are upon the premises. Where there is reasonable suspicion that drugs are being carried, the licensee shall ensure that the outer clothing, pockets and bags of those entering the venue are searched by a trained staff member of the same sex.

The licensee shall erect a clearly visible notice in a form prescribed by the Council advising those attending that 1. It is a condition of entry that customers agree to be searched and 2. Police will be informed if anyone is found in possession of controlled substances or weapons.

The licensee shall ensure that the security arrangements are sufficient to discourage the sale and consumption of drugs and shall ensure such arrangements include regular checks of toilet areas.

The licensee shall exclude any customers known to have been previously convicted of committing criminal offences relating to drugs.

The licensee shall maintain a record of incidents involving the use and/or detection of drugs and make those records available for inspection.

The licensee shall store, dispose, transfer confiscated and found drugs in accordance with procedures agreed with the Lancashire Constabulary.

Frequent collection of glasses and bottles will be undertaken to ensure empty containers do not accumulate in or around the licensed premises.

The licensee shall ensure that the ventilation to the premises is maintained to satisfy the appropriate Building Regulations.

During the final hour of daily trading the licence holder and the Designated Premises Supervisor shall ensure that appropriate announcements are made or images are projected to remind patrons of the need to leave the premises without causing annoyance, nuisance or disturbance to local residents and to advise patrons of any taxi free-phone or collection arrangements available upon the premises.

The licence holder shall erect and maintain in a prominent position at every exit a clear and conspicuous notice requesting patrons to avoid causing noise, nuisance or disturbance to local residents.

The licence holder and the Designated Premises Supervisor shall ensure sufficient door staff are employed at exits from the premises to remind departing patrons of the need to avoid causing nuisance or disturbance to local residents.

Noise from any regulated entertainment, mechanical ventilation or refrigeration plant shall be inaudible within the nearest sensitive properties or, at the discretion of the Local Authority, shall not exceed some other pre-agreed limit, which does not cause unreasonable disturbance to the residents of these properties or their guests.

The volume of amplified sound used in connection with entertainment shall at all times be under the

control of the licensee or management and the controlling mechanism shall be operated from a part of the premises inaccessible to the public.

Vibration produced as a result of any regulated entertainment shall not be perceptible in any adjoining or nearby sensitive properties.

All internal lobbied doors to any entrance / exit point, fire exit doors and external windows should be closed during hours of any regulated entertainment except in the case of an emergency, save for the purposes of access and egress.

All staff will have received suitable training in relation to the proof of age scheme to be applied upon the premises. Records to evidence this will be made available to an authorised officer on request.

Risk assessments carried out by or on behalf of the licence holder which relate to a licensing objective will be available for inspection by an officer or a Responsible Authority.
