Subject: No 3 Public house extended drinking hours.

I wish to object to the application by the owners of the No3 Public house for an extended drinking hours licence beyond 12pm midnight.

A Previous application for similar by the nearby Post office was refused.

Some of the same objection criteria apply to the No 3.

1. It's in a residential area and any closing time past 12 midnight would severely inconvenience nearby residents by increased noise and nuisance levels of people leaving the pub.
2. Music playing till 2 is inappropriate in a residential area where people have to get up for work, this could and probably would lead to friction between the residents and the owners of the pub.
3. As with pubs in the town centre at closing times there would no doubt be episodes of inappropriate and violent behaviour/disorder resulting in an increase in police presence.

Thank you.
