Dear Licensing,

I would like to offer a formal objection to the extension of the licensing hours and the music license until 2am for the Number 3 Public House now run by Ma Kelly's. If these extensions to licensing and music are allowed it is going to create public nuisance and encourage more antisocial behaviour (creating public safety issues) in what is a residential area. I live just along the road from the premises and experience first hand the problems we have already.

This application would also undermine the local plan for the area and also impact on local residents and families with children. The Post Office shop wanted a 2am license for alcohol in recent years and that was objected to as well, and rejected, because of the public nuisance and antisocial behaviour it would have brought and increased in a residential area. This application therefore sets a very dangerous precedent if it is allowed.

Yours Sincerely,

David Slattery-Christy
