Subject: No3 Devonshire Road FY3
Date: 09 November 2018 14:06:09
Importance: High

I would like to lodge my objection to the variation of the license at the No3 on Devonshire Road

Firstly I feel the application is far too close to residential properties. This potentially has a serious negative impact on the ability to protect those children in properties close by from the affect of late night noise. Both from more traffic in the area taxis picking up and dropping off as well as individuals worse for the effects of alcohol leaving the property, creating noise and other disturbances.

Secondly the prevention of nuisance. The points raised about the effects on children can also be responsible for causing issues which can be seen as a public nuisance.

Thirdly The increased traffic and individuals worse for the effects of alcohol are extremely likely to cause public safety concerns. The roads by the number 3 are busy roads. With people leaving the number 3 worse for the effects of alcohol there is a real possibility of individuals stumbling into the road way and with the increased traffic the potential is substantially raised.

The police I am sure will confirm that much crime and disorder is alcohol and drug related so adding extra hours away from the main late night economy areas stretches the already over stretched emergency services, potentially too far.

Kind Regards

Ian White
