5.0 Background Information

5.1 The Council's 2019/20 Capital Programme runs concurrently with the 2019/20 revenue budget with schemes usually extending over a number of years. For that reason the programme projects forward indicative spending for 3 years. This report updates the programme set in 2018/19 and seeks to ensure that capital expenditure is spent in areas that will contribute to meeting the Council's priorities. The 2019/20 programme is submitted for approval. The 2020/21 and 2021/22 programmes have been drawn up based upon individual allocations and current proposals. These will be reviewed as part of the budget processes for 2020/21 and 2021/22 in the light of changing priorities and final funding levels that mean no commitments can yet be identified in respect of these schemes.
