		from hospital and report back to the Adult Social Care and Health Scrutiny Committee with the reasons for pharmacy delays and a course of action to address those delays at the Committee meeting in July 2019.			<p>highlighted a number of issues with dispensing of prescriptions which demonstrated that further improvements were required. It was also noted that the discharge lounge, where patients could wait for prescriptions, had recently started operating seven days per week.</p> <p>Members were of the opinion that further work was required on the recommendation and requested a further response in approximately six months.</p> <p>At the request of Ms Groves and with the agreement of the Chairman, a final update on these recommendations has been deferred until April 2020 so that Ms Groves can be in attendance at the meeting.</p>	
2	Updated 03.07.19	That Blackpool Teaching Hospitals NHS Foundation Trust work with all relevant partners to review discharge processes and ensure they are efficient, effective and to identify if any parts of the processes could be carried out after the patient has left the hospital. To report back to the Committee meeting in July 2019.	January 2019 Agreed delay till April 2020.	Ms Berenice Groves, BTH	<p>Ms Groves highlighted that a number of pieces of work relating to improving discharge processes were ongoing. It was noted that each piece of work would be tracked with data to determine if it had impacted on performance. It was also noted that there had been a reduction in the length of stay of patients and the impact of the bed reduction pathways which could be shared with the Committee.</p> <p>Members requested a further update on the impact of the initiatives to improve discharge processes in approximately six months.</p>	Ongoing

3	Updated 03.07.19	That Blackpool Teaching Hospitals NHS Foundation Trust consider offering parking refunds to patients attending accident and emergency inappropriately.	January 2019 Agreed delay till April 2020.	Ms Berenice Groves, BTH	<p>It was reported that consideration was being given to the first 30 minutes of parking being free, in order that patients who inappropriately attended the emergency department could then leave immediately without facing a charge. The Committee suggested that consideration also be given to providing free parking tokens for people picking up patients in order to further speed up their discharge. Furthermore, it was considered that the Trust should also explore the costs of parking for low income families, cost of parking for families of patients who are admitted for a prolonged period and how widely refunds for parking for certain services such as maternity were advertised.</p> <p>The initial recommendation was agreed as completed. Ms Groves was requested to respond to the additional recommendations in approximately six months.</p>	Ongoing
