Details of your representation (Please refer and attach any supporting documentation)

The Health and Safety Section would like to bring to the attention of the committee details relation to the applicants history and his ability to manage and maintain the premises in a safe manner.

The applicant has had interaction with this section on a few significant occasions as follows:

November 2009 the applicant submitted a license application which prompted a visit from this department and a representation was submitted detailing;

- 1) Fire extinguishers not services since 1997
- 2) Live electrical conductors exposed.
- 3) Overloaded electrical installations.
- 4) Huge stocks of alcohol despite no licence in place at the time.
- 5) Corroded mains electrics.
- 6) Lack of records for electrical/gas safety.

July 2012

The applicant had opened a mobile food van on the forecourt of the premise of which this department had to prohibit dangerous gas installations in the van, planning issued an enforcement notice for

breach of their legal requirements and food safety levels were appalling.

January 2015

Officer Marsden visit prompted by the licence application and note there is no hot water in the premise and no current electrical installation condition report.
