Notes for Guidance

This application cannot be used to vary the licence so as to extend the period that the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy.
2. Describe the premises. For example the type of premises, its general situation and layout and any other information that could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place is and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - o Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.

 - o Boxing or Wrestling: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - o Live music: no licence permission is required for:
 - A performance of unamplified live music between 08.00 and 23.00 on any day, on any premises;
 - A performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500;

Amendment to Variation Application- Sugar and Spice, 2- 4 Queen Street, Blackpool. PL0736

Dear Sir/ Madam

I write further to my current application to vary the premises licence, having sought further advice I would like to amend the timings and propose additional measures to safe guard the licensing objectives.

Trimming;

LNR -Sunday- Thursday: 23.00-03.00

Closing Time-Sun-Thurs:03.20

LNR-Friday & Saturday: 23.00-04.00

Closing Time-Fri&Sat: 04.20

Rationale

The revised timings are simplified for staff and management to clearly understand the commercial trading boundaries and more importantly to reduce any likely impact on the Licensing Objectives.

Additional Measures;

The Premises Licence Holder will ensure that at least 1 SIA door supervisor is on duty at the premises on Friday and Saturday nights and Sundays during a Bank Holiday from 02.00hrs until the Premises close.

CCTV to be installed at the premises which has adequate coverage to the satisfaction of Lancashire Constabulary over the trading area and external parts of the premises.

At least 2 cameras will be installed to the front elevation (Queen Street) to provide coverage of the pavement area directly in front of the premises .

The system will be capable of storing images for 28 days, the storage device will always be located securely in the premises with a staff member or member of management having access to the system whenever Licensable activity is taking place.

The Premises Licence holder will ensure that a staff member or member of management will have the capability to provide images in a readable format to a Police Officer or Authorised Officer on request.

The system will be checked, maintained and serviced at least once a year, records to evidence the servicing will be retained on the premises and produced on request to a police constable or authorised officer.

The trading area of the premises will be reduced from 01.00hrs till the terminal hour by the installation of a temporary barrier preventing customers from using the table, chairs and bench seating in this area (marked in amber hatching on the plan attached to this application)

Clear notices to customers will be posted at the entrance to this part of the premises advising them that the area can only be used until 01.00hrs.

Staff members and Security will monitor this area to ensure compliance with the restrictions offered.

As the proposed activity timings are less than those currently advertised on the newspaper advert I was hoping that you wouldn't insist on a new advert on the basis that there would be no detriment to any interested party considering an objection, however I await your confirmation on this matter .

Yours faithfully

Emad Abuaassi
