6.0	Background information	
6.1	The Council's 2021/22 Capital Programme runs concurrently with the 2021/22 General Fund Revenue Budget. Capital schemes usually extend over a number of years and for that reason the programme projects forward indicative spending for 3 years. This report updates the programme reported in last year's budget and seeks to ensure that capital expenditure is allocated to areas that will contribute to meeting the Council's priorities. The Capital Programme submitted for approval for 2021/22 is £24.3m and over a three-year period is estimated at £135.8m (See Appendix A and B).	
6.2	The Capital Programme now submitted is consistent with that agreed for 2020/21. It includes identified commitments for housing developments. The scale of these commitments means that there are very limited resources to deliver additional schemes that are not fully funded.	
6.3	Does the information submitted include any exempt information?	No
