

28 JUL 2015

Ms J. Mooney & Mr Paul Vincent

ref: Christine Bar
1 Lord Street
Blackpool.

We are objective to a Bar Licence to 2am in the morning, we feel there are enough Bars on the Street, we will get a ~~increase~~ increase in noise, fighting, Sexual Actives, which will affect our Business.

The police already can not cope with the crime and fighting in the area.

We have cars Damaged, Plants Pulled out, and the Street is very noise we would have more people on the Street.

The nuisance has a impacted on our Business and our personal Quality of Life.

We have tolerated the noise
When Christine have had temporary
Licence, as we did not know she
was having temporary Licences.

But if it was to be a
Permanent Licence it would create
more noise, more people on the
Street, fighting, etc.

I strongly feel that the
Licence should be refused.
