Planning Application Reports – Update Notes

Listed below are changes to the planning reports made as a result of additional information received since the publication of the agenda for this meeting.

Case: Year:	Address:	Update:
14/0608	Units 21-25 Squires Gate Industrial Estate, Squires Gate Lane	On page 28 of the report, 4 th paragraph there is an error in that the report should acknowledge that there is a bus stop to the west of the junction of Squires Gate Lane and Amy Johnson Way. However, this is for a service away from the town centre and provides a link to St Annes (no 7 bus). The fact remains that this bus stop is not well placed to serve the proposed store.
15/0224	170 Preston New Road	The application has been withdrawn from this agenda to seek clarification on the planning history regarding the site
15/0326	Kings Christian Centre, Warley Road	The agent has confirmed that the Secure by Design features will be incorporated at the reserved matters stage and that a recording of the building will be carried out prior to demolition.
