2 MINUTES OF THE MEETING HELD ON 16TH DECEMBER 2014

Resolved: That the minutes of the meeting held on 16th December 2014 be signed by the Chairman as a correct record.

3 EXCLUSION OF THE PUBLIC

That under Section 100 (A) of the Local Government Act 1972, the public be excluded from the meeting during consideration of the whole item, including the decisions referred to at Agenda items 3, 4 and 5 on the grounds that it would involve the likely disclosure of exempt information as defined in paragraph 1 of Part 1 of Schedule 12A of the Act.

4 HACKNEY CARRIAGE DRIVERS LICENCE

The Sub-Committee was informed of an existing Hackney Carriage driver who had given sufficient cause for concern as to be referred to the Sub-Committee for consideration.

The Chairman informed Members that he had agreed that the Sub-Committee should consider an existing Hackney Carriage and Private Hire vehicle driver as an additional urgent item as the incident that had given cause for concern had not been known at the time that the Agenda was despatched.

Mr Ratcliffe, Licensing Officer, presented both cases on behalf of the Authority. Mr Marshall, Licensing Health and Safety Enforcement Manager was in attendance during consideration of the case in respect of the urgent item.

MTS was in attendance at the meeting. Also in attendance was YC, accompanied by Ms Cutler, Manager of Premier Taxis.

During consideration of the case in respect of MTS. the Sub-Committee was informed that the Disclosure and Barring Service (DBS) certificate that was required as part of the licence renewal procedure had not been received by the Licensing Service despite repeated written reminders and several unsuccessful attempts to contact the driver by telephone. The Sub-Committee noted the driver's comments regarding his personal circumstances and his reasons for not producing the certificate. Whilst Members accepted that the driver had paid the appropriate fee to obtain the certificate, they expressed serious concerns that the certificate had not been made available to the Licensing Service.

The Sub-Committee considered the case in respect of YC as an urgent item as the incident that had been a cause for concern had not been known at the time that the agenda had been despatched.

Members noted that YC had been arrested as a result of an alleged incident and released on Police bail until 15th April 2015. It also noted that, following consultation with the Chairman of the Public Protection Sub-Committee his Hackney Carriage and Private Hire vehicle driver's licence had been suspended by the Head of Licensing Service under delegated powers pending this meeting. The Sub-Committee considered the representations made by the driver regarding the circumstances surrounding the alleged incident and noted his denial of the offence. It also noted both the drivers and Ms Cutler's assurances that CCTV would be installed in his vehicles should the licence be reinstated. However, Members raised significant concerns regarding the serious nature of the allegations made and the fact that YC was currently on bail pending the outcome of Police enquiries. Members were also mindful of the potential impact on the driver should the suspension of his licence be continued, particularly in the event that the Police investigations were subsequently dropped.

Resolved:

- 1. That in the case of MTS, the Hackney Carriage driver's licence be suspended until such time as a satisfactory DBS certificate had been received on the grounds that without the certificate the Sub-Committee could not be satisfied that he was a fit and proper person to hold such a licence.
- 2. To delegate authority to the Head of Licensing Service to reinstate the Hackney Carriage driver's licence to MTS upon receipt of a satisfactory DBS certificate.
- 3. To note that the Chairman had agreed that the case of YC be considered as an additional urgent item as the incident that had given cause for concern had not been known at the time that the Agenda was despatched.
- 4. That in the case of YC, following suspension of his licence by the Head of Licensing Service under delegated powers, the Hackney Carriage and Private Hire vehicle driver's licence remain suspended pending the outcome of ongoing Police investigations and to delegate authority to the Head of Licensing Service to reinstate the licence should the ongoing Police investigations cease.
- 5. That the case in respect of YC be brought back to the Sub-Committee for consideration at its meeting on 5th May 2015.

5 PRIVATE HIRE VEHICLE DRIVERS LICENCE

The Sub-Committee was informed of a new application for a Private Hire and Hackney Carriage driver's licence, a new application for a Private Hire vehicle driver's licence and an existing Private Hire vehicle driver that had given sufficient cause for concern as to be referred to the Sub-Committee for consideration.

YB and GPW were in attendance at the meeting.

During consideration of the application for a Hackney Carriage and Private Hire vehicle drivers licence in respect of YB, the Sub-Committee noted that the applicant had failed to disclose a driving conviction and that the driving licence that he had submitted at the time of application had not been endorsed with the driving conviction. Further investigations by the Licensing Service had revealed that the applicant's driving licence had expired for a period of time prior to application and Members were informed that he had recently presented a new driving licence to the Licensing Service which had been endorsed with the driving conviction. Members considered the representations made by the applicant and noted his explanations regarding the expired driving licence, his personal circumstances and the circumstances surrounding his driving conviction. However, Members expressed serious concerns regarding the nature of his conviction and his failure to disclose same on the application form.

Prior to consideration of the case in respect of LAK, the Sub-Committee was informed that the applicant was not in attendance at the meeting although he had previously been notified of the meeting and had indicated that he would attend. The Sub-Committee discussed the option of considering the case in the applicant's absence but agreed that deferring the matter to the next meeting would allow a further opportunity for him to attend, particularly in light of the fact that he had previously indicated that he wished to do so.

During consideration of the case in respect of GPW, the Sub-Committee was informed that the driver had received a criminal conviction. Members noted the additional information that had been submitted by the Police in relation to the circumstances surrounding the conviction that it had deemed relevant to the application. The Sub-Committee considered representations made by the driver regarding his personal situation at the time of the incident that had resulted in the conviction and was satisfied that he had subsequently taken steps to address his personal problems. The Sub-Committee also considered additional evidence submitted by the driver at the meeting in the form of numerous character references from family, friends and professional organisations.

Resolved:

- 1. That the application for a Hackney Carriage and Private Hire vehicle driver's licence in respect of YB be refused on the grounds that he was not a fit and proper person to hold such a licence due to his previous driving conviction and his failure to disclose that conviction,

 2. That in the case of YB no action be taken to prosecute for failure to declare his

driving conviction.

- 3. That consideration of the case in respect of LAK be deferred to the next meeting of the Sub-Committee to allow the applicant the opportunity to attend.
- 4. That GPW be allowed to retain his Private Hire vehicle drivers licence subject to a severe warning letter being issued regarding future conduct.

Background papers: Exempt

6 HACKNEY CARRIAGE VEHICLE LICENCE

The Sub-Committee was informed of an application that had been received requesting conditions that had previously been attached to an existing vehicle owner's Private Hire and Hackney Carriages vehicle licences be removed.

The Sub-Committee noted the significant improvements in the age of the vehicles owned by APW since the conditions had been attached to his vehicle licences by the Sub-Committee at its meeting on 17th January 2013. Members also noted the results of the vehicle inspection tests since April 2014. The vehicle owner made representation to the Sub-Committee relating to the upgrading of his vehicles and servicing regime. The Sub-Committee acknowledged favourably the steps taken by the vehicle owner to improve the standard of his vehicles. However, it expressed concerns at the potential reoccurrence of maintenance issues should the conditions currently attached to the licence be removed and agreed that should future failings in this regard be brought before the Sub-Committee it was likely that more serious action in regard to the vehicle licences would be taken at that time.

Resolved: That the following conditions attached to the vehicle licences of APW be removed:

- The licence holder or a suitably qualified mechanic must inspect the vehicle on a weekly basis
- 2. The licence holder is to implement as a minimum a bi-monthly vehicle safety inspection regime to be undertaken by a qualified motor engineer. Such records to be kept for 2 years.
- 3. Records of all servicing to be retained for 2 years.
- 4. All service/inspection records must be legible
- 5. All records to be produced to enforcement or police officers within 24 hours of the demand being made.

		Action before	by	1
1.0	<u>Apologies</u>			
1.1	None			
2.0 2.1	Special Safety Certificate MA stated than an application must be submitted to the Council for a special safety certificate along with the event management plan. MA confirmed he would like this information as soon as possible.	Cuffe		
3.0 3.1	Public Protection Committee The next sitting is the 17 th March and MA confirmed that he would like to get approval at this meeting. The most important aspect is the capacity, DC confirmed that the capacity of 19983 gained at the Rod Stewart concert would be ample.	RSS/Cut	ffe	

4.0	Structural Issues-Stage on North Stand	
4.1	MA queried the position of the stage and the specified stage company. DC stated that the stage will no longer be erected off the North stand but on the pitch perimeter and partially on the pitch. The company erecting this are Starr Events, full details to follow.	RSS/Cuffe
5.0	Capacity	
5.1	MA queried whether the numbers on the pitch are to be the same as last time, RSS Events have a pitch plan which shows a different configuration than last time and approx. 1000 more seats on the pitch, although the overall capacity within the stadium would not exceed the Rod Stewart concert.	
5.2	The type of seating will be different with a tip up seat thereby allowing them to be closer together, details to follow. MA queried the number of seats in a row. It has been designed as 40, the green guide permits 28. This needs clarifying with calculation to show exit times are not adversely affected.	RSS/Cuffe
6.0	Event Management Plan	
6.1	SF stated that this is still early days however will endeavour to complete by the 6 th May.	RSS
	MA stated this needs supporting with medical and stewarding plans.	
	DC confirmed that he is looking to employ specialised pitch stewards to prevent the crowd from moving position. TP expressed concern that these will not come under the overall control of the safety team.	
	MA also queried whether the outside of the stadium will be used again for WC's and bars, it was confirmed that this would. MA stated that signage and communication to fans should be improved to reduce queues for female WC's.	
7.0	Ticket Scanners	
7.1	MA requested that this issue be resolved as soon as possible to prevent the issues that arose last time with fences to the turnstiles and consequently the lack of access around the stadium.	Cuffe

8.0	Preliminary Emergency Service Comments	
	These comments were gained by MA regarding feedback from the Rod Stewart concert:	
	Police 1. The road closure on Seasiders was fine at the end, but the mass of people then went onto Lytham Road which was then swamped at the Bloomfield Rd / Lytham Rd junction. We need to consider how the rolling crowd will hit pinch points, especially if the initial road closure has caused it.	
	2. Whilst there were 2 parking enforcement officers on the car park the traffic management pre event was poor, and my officers had to step in to alert incoming traffic to using the car park at Yeadon Way / South railway station. Bloomfield car park opposite the venue was full by 4pm, but traffic was coming up to it and then trying to turn around, or out into the same, to then go south, this created a jammed section. There should have been either better signage or someone directing traffic into the two more southern car parks, especially as so many of the visitors were from out of town. Fortunately I found a yellow sign up at Foxhall and sent it down to the round-about. I also sent messages out via traffic link (radio) but what had the event organisers done to highlight the use of the southern car parks?	Cuffe/RSS
	3. The NHP style operation during the day and evening was clearly valuable as we saw/spoke with loads of people and got to put a very good crime prevention and visibility message out. We have to repeat it if such a big gig happens again.	
	NWAS The ambulance service confirmed that the first aid room was too small last time and requested bigger areas be provided. DC confirmed the the home/away dressing rooms could be utilised. FIRE AUTHORITY No comments to make	Cuffe/RSS
9.0	<u>AOB</u>	
9.1	MA queried the pitch covering as the Rod Stewart pitch was prone to lifting. DC confirmed he is using a different product, details to follow.	Cuffe

- 5.7 **Royal Air Forces Association Wings Appeal**. This is a national charity which aims to provide welfare and support to the RAF family. The application for consideration today is for a permit to collect on the Promenade on the 9th and 10th August 2015.
- 5.8 **Amnesty International Lytham Branch.** This is a local branch of a national charity. The application is for a collection on 11th July 2015 in the Town Centre.
- 5.9 **Care for the Wild**. This is a charity to help neglected and ill-treated animals to be returned to the wild both in the UK and worldwide. The application is for permits to make collections in the Town Centre on 8th/9th and 22nd/23rd May 2015. This would be the charity's first street collection in Blackpool.
- 5.10 **Great Ormond Street Hospital**. This is a charity supporting a children's hospital in London. This is the adopted charity of Premier Inn Blackpool East who held a number of collections in 2013 and 2014. Collections are requested on 03/04/15, 28/05/15, 24/08/15, 30/10/15 and 21/12/15.
- 5.11 **The Fibroduck Foundation**. This is a charity set up to pay for research into Fibromyalgia. The charity has arranged to light up Blackpool Tower on 12th May 2015 or international awareness day and they also plan to hold a family picnic on the Promenade. The proceeds of the collection would be put towards research and to providing support to patients. This would be the charity's fist collection in Blackpool.
- 5.12 **Help for Heroes**. This is a national charity, but the applicant for this collection is a local resident. The application is for a collection to take place 3rd-5th April 2015 in the Town Centre. The Sub-Committee should be aware that the applicant was granted a permit under delegated powers to conduct a street collection on behalf of Cancer Research 7th-14th February 2015. The BID team was aware of a number of complaints:
 - Complaint from Councillor Christine Wright via Leader's Office about unacceptable charity collectors.
 - Several complaints via Customer First leading to an approach from a BID warden on the afternoon of 11 February asking them to curb their behaviour.
 - On 12 February, a BID Warden and PCSO approached Matcham's Court from the Grand Theatre to be faced with four collection buckets spread across the width of Matcham's Court. The collectors were shouting for money saying "you may need this one day". When requested by the Warden/PCSO to pick the buckets up, the collectors responded that they can't shake them. Their attitude was quite challenging.
 - I personally witnessed them approaching members of the public asking for donations – which I believe is contrary to the regulations.

- The Manageress of Body Shop has asked the collectors to move from outside of her shop as she believed their behaviour was unacceptable, as they were shouting at people, "you may need this one day" etc.
- One of the BID wardens has had a conversation with a member of the public who says he has witnessed the 2 collectors [one with a ginger beard] whilst travelling home on the train to Preston, speaking to their manager on the telephone telling him how much they had collected that day – the collection should be in sealed buckets.

Relevant Officer:	Sharon Davies, Head of Licensing Service
Date of Meeting:	17 th March 2015

CONSENTS UNDER SECTION 29 COUNTY OF LANCASHIRE ACT 1984

1.0 Purpose of the report:

1.1 To consider consents issued under Section 29 County of Lancashire Act 1984.

2.0 Recommendation(s):

- 2.1 To approve the proposed standard conditions.
- 2.2 To approve the fee of £50.00 per consent.
- 2.3 To confirm that consents will last for a period of 12 months.
- 2.4 To confirm that each individual concerned in the business of taking the photographs must possess a consent.
- 2.5 To delegate power to the Head of Licensing Services, following consultation with the Head of Quality Standards to grant consent to suitable applicants.

3.0 Reasons for recommendation(s):

- 3.1 The Council is required to have a procedure for consideration of applications for consent.
- 3.2a Is the recommendation contrary to a plan or strategy adopted or approved by the Council?
- 3.2b Is the recommendation in accordance with the Council's approved Yes budget?
- 3.3 Other alternative options to be considered:

The Sub-Committee has the power to grant or refuse the applications.

4.0 Council Priority:

4.1 The relevant Council Priority is "Create safer communities and reduce crime and antisocial behaviour"

5.0 Background Information

- 5.1 Section 29 of the County of Lancashire Act 1984 permits the Council to designate areas where taking photographs of any person by way of trade or business is not permitted without the consent of the Council.
- 5.2 The Act permits conditions to be attached to the consent. A fee may also be charged.
- 5.3 At its meeting on 10th August 2001, the Licensing and Appeals Committee approved the list of designated places detailed in Appendix 5(a).
- 5.4 This part of the legislation has not been enforced for a number of years, however over the last 12 months concerns have arisen over the number of people in character costumes making themselves available at a charge to have their photograph taken. This can cause nuisance and annoyance to members of the public. Many of these costumes are targeted at children, yet nothing is known about the individual wearing it.
- 5.5 To address concerns, officers have formulated a permit scheme that can be operated aiming to:
 - Safeguard the interests of the public, in particular, children and the vulnerable;
 - Facilitate activities in a well organised manner to ensure that good standards are met, and without causing undue nuisance to the public and local businesses;
 - Prevent photography in designated places without the relevant consent.
- 5.6 The proposal is that if approved the consent will last for 12 months and a fee of £50.00 per consent will be charged. All persons associated with the photography must have consent, not just the actual photographer.
- 5.7 It is proposed that the following standard conditions be attached to consents:
 - The consent does not apply to Bank Hey Street.
 - The consent shall be produced on request to an authorised officer of the Council or Police Constable/Community Support Officer.
 - Any charge/donation for the service/activity shall be clearly displayed before the customer agrees to take part.
 - The consent holder shall ensure that any queue or crowd is managed in such a way as not to cause unnecessary obstruction to any highway, thoroughfare

- or entrance and exit to any business.
- Consent holders are prohibited from causing annoyance or nuisance to any person queuing or entering any business in the vicinity that they are carrying out the activity.
- Consent holders will ensure that they do not carry on any activity within three
 metres of any entrance/exit or queue to businesses in the vicinity they are
 carrying out the activity.
- 5.8 Applications for consent must include:
 - The applicant's details.
 - Two passport size photographs.
 - The location of the proposed photography.
 - The nature of the proposed photography.
 - Details of the payment that will be requested in connection with the activity.
 - Details and a photograph of any costume to be used.
 - The consent of any relevant Trademark holder.
 - Names of other persons associated with the activity.
 - Basic DBS certificate less than three months old.
 - Certificate of public liability insurance to cover the period of the consent.
 - The correct fee.
- 5.9 When deciding whether to grant or revoke a consent, consideration will be given to the following (this list is not exhaustive):
 - Any criminal convictions or cautions.
 - The nature of the proposed photography.
 - The time and location of the proposed photography.
 - Previous complaints regarding the photography.
 - Legality in respect of Trademarks and Copyright.
 - Any breach of conditions.
 - Instances of photography in a designated place without consent.
- 5.10 Any person aggrieved by the refusal/revocation of a consent, or the conditions attached to a consent may appeal to the Magistrates' Court.
