On 8th April 2014, the licensing service received an application to review this premises licence on the grounds of public safety. A copy of the application is attached.

The licence holder is Richard Crawley

The designated premises supervisor is Kevin Scott.

4.2 Local policy considerations

The licensing authority will view particularly seriously applications for the review of any premises licence where it involves the:

- 1. Underage purchase and consumption of alcohol
- 2. Continuous breaches or contraventions of licence conditions
- 3. Where serious risks to public safety have been identified and the management is unable or unwilling to correct those
- 4. Where serious risks to children have been identified
- 5. Not operating the premises according to the agreed operating schedule

4.3 **National policy considerations**

Where the licensing authority considers that action under its statutory powers are appropriate, it may take the following steps:

1. Modify the conditions of the premises licence
2. Exclude a licensable activity
3. Remove the Designated Premises Supervisor
4. Suspend the licence for a period not exceeding three months
5. Revoke the licence.

4.4 **Observations**

This is the third review application submitted in respect of this premises

The first was submitted by Lancashire Constabulary in December 2007. At a hearing in February 2008, the panel determined the review by

1. Removing the designated premises supervisor
- 2, Suspending the licence for two weeks or until such time as all outstanding work has been attended to the satisfaction of the health and safety department.

The licence was in the name of a different person at that time.

The second review was submitted by health & safety in June 2013. The licence holder at that time was Harris Properties and the Designated Premises Supervisor, Paul Greenwood. The review lapsed when the premises licence was surrendered in July 2013, The premises licence was reinstated by way of a transfer application made later that month. The review should also have been re-instated but was not due to an administrative error.

The licence is currently subject to the following conditions:

Annex 1 - Mandatory conditions

- a) Sunday to Wednesday 1000 - midnight

Part 3 – Reason for Review

This application to review relates to the following licensing objective(s):

Please tick

1) the prevention of crime and disorder	<input type="checkbox"/>
2) public safety	<input checked="" type="checkbox"/>
3) the prevention of public nuisance	<input type="checkbox"/>
4) the protection of children from harm	<input type="checkbox"/>

Please state the ground(s) for review (please read guidance note 1 before completing)

This review is brought by the Health and Safety Enforcement section following concerns about the conditions found within the premises.

The premises have been a concern for well over 12 months, so much so that in June 2013, an application for Review was submitted, the application died following the transfer of the licence from Harris Properties to Richard Crawley, although this authority is confused as to what provision actually makes a Review in such circumstances void, it is our understanding that the incoming licence holder would inherit a Licence that is under review and the a hearing should be arranged.

That being said we did not decide to resubmit the application on the basis that some promises of re investment were made by Kevin Scott who was to be the DPS and currently still holds the position to this date,

A synopsis of the circumstance which led to the 2013 application are found below;

The Premises Licence Holder for the Empress Hotel was Harris Properties who are based in Burton-Upon-Trent, Staffordshire.

The Designated Premises Supervisor was Paul Greenwood and from recent visits to the Empress Hotel he appears to have no involvement in the running of the premises and he has never been present during any of the inspections.

Kevin Scott describes himself as the manager of the Empress Hotel and appears to control the day to day running of the pub. The authorities are informed Mr Scott has an arrangement whereby he deposits £200 weekly into a PO Box as rent for the premises and has no other contact with Harris Properties.

Four visits have been carried out so far in 2013 and standards deteriorate further as time goes on. Assurances are given regarding improvements but they never seem to materialise.

The guidance issued under Section 182 of the Licensing Act states the following

10.26 The main purpose of the ‘designated premises supervisor’ as defined in the 2003 Act is to ensure that there is always one specified individual among these personal licence holders who can be readily identified for the premises where a premises licence is in force. That person will normally have been given day to day responsibility for running the premises by the premises licence holder...

10.27 The 2003 Act does not require a designated premises supervisor or any other personal licence holder to be present on the premises at all times when alcohol is sold. However, the designated premises supervisor and the premises licence holder remain responsible for the premises at all times including compliance with the terms of the 2003 Act and conditions attached to the premises licence to promote the licensing objectives.

After considering the guidance is it of concern that neither the licence holder nor DPS have any involvement in the day to day operation of the licensed premises.

On 29th January 2013 a multi-agency visit to the premises was carried out by Public Protection Officers Jacqui Harrison and Kevin Summerfield in Health and Safety, also Police and Fire Safety. Intelligence received suggested there was illegal drug cultivation in the cellar to the property, an inspection of the property revealed many failings with the property but no drugs were discovered. During the visit a gas safety certificate, electrical installation condition report, portable appliance testing and an asbestos survey were requested.

The following photographs were taken during the visit.

Photographs of the ice machine in poor state of cleanliness and corroded internally

The cellar cooler in a poor state of cleanliness and combustible materials in the cellar

Loose wires to the fire alarm above combustible materials and a leaking water pipe

Leaking pipe has flooded the cellar and gas boiler with cover missing

Electricity meter has missing security seals indicating possible evidence of meter tampering

On 28th March 2013 a further multi-agency visit was undertaken by Licensing and Health and Safety Manager Mark Marshall and Senior Public Protection Officer Gareth Shaw along with a Fire Safety officer. The same issues were still evident as in the January visit. The remains of an illegal drug cultivation setup were discovered in a disused part of the cellar, this has left the electrical installation in a dangerous condition. Gareth Shaw again requested gas and electrical reports and an asbestos survey as they were not produced following the previous visit.

The following photographs were taken during the visit.

An accumulation of packaging materials for items potentially used in drug cultivation including boxes from lighting and bags from growing medium along with fans and heater

On 13th April 2013 a visit was undertaken by Mark Marshall, Licensing and Health & Safety Manager. The property had its water supply disconnected on 9th April 2013; by the time of Mr Marshall's visit the water had been reconnected. It is concerning that poor management at the premises has resulted in an essential utility being disconnected.

The following photographs were taken during the visit which shows an accumulation of rubbish in the yard area which is blocking a fire escape route.

On 19th June 2013 a visit was undertaken by Mark Marshall Licensing and Health & Safety Manager and Public Protection Officer Jacqui Harrison.

The following photographs were taken during the visit.

The fire door marked up as a fire escape then the accumulation of rubbish blocking the egress route

Further photographs of the rubbish in the yard area. There has been an increase in the amount of waste deposited in the yard since Mr Marshall's visit on 13th April. The bottom right photograph shows a dead pigeon amongst the rubbish.

Photographs showing the damp issue in the customer toilets and evidence of a water leak from the ceiling

The fire alarm panel is showing a fault and in room 16 next to the faulty alarm panel we are informed a relative of Kevin Scott (Manager) is living there

Dangerous electrics

An emergency light with no light bulb in it

Electric cable wrapped around a copper gas pipe, if the electric cable was to be damaged it may result in the gas pipes conducting electricity leading to potential electric shocks

A gas boiler in the cellar with no evidence of annual testing, which is also a requirement of Annex 2 Condition 22 on the Premises Licence.

The remnants of drug cultivation equipment is still evident in the cellar, the photographs showing the wall insulation and ducting still present along with the dangerous electrics.

Evidence of smoking in the dining room and a store room with a freezer containing food and discarded mattresses

The cellar cooler still in a poor state of cleanliness and leaking water pipe pouring with water resulting in the flooded cellar

The accumulation of water on the cellar floor.

Unchained gas cylinders and an accumulation of rubbish behind the bar

The Health and Safety team are of the opinion that revocation is the only option with this licence as there appears no financial means or the will to improve standards within this licensed premises. Repeated requests for safety documentation have been ignored. There is a licence holder who simply collects his rent and a DPS who has no involvement in the premises. The manager of the business is neither licence holder nor DPS, Health and Safety have never seen a formal lease arrangement between Kevin Scott and Harris Properties so are unable to determine who is responsible for which aspects of maintenance.

Please provide as much information as possible to support the application. Continue on a separate sheet if necessary. (Please read guidance note 2 before completing)

The text and photos above paint a fairly drastic picture and as of summer last year the position was that a Revocation would be the only way to adequately safeguard the public safety objective.

7th June 2013- serving without a licence on the 7th June 2013, licence had been suspended due to non-payment.

16th August 2013 Mark Marshall visits at 22.30hrs only note in his book is STILL IN BAD ORDER

However as we moved through 2013 re visits were paid to see if Mr Scott was as good as his word. His responses were basic often requiring legal notices to be issued before a response was seen, that pattern certainly follows through to the most recent visit which was on Wednesday 2nd April 2014.

1) Smashed socket cover with signs of burnt electrics

2) Overloaded extension lead and left large wooden panelling left at risk of falling over.

3) Public toilet facilities in a very poor state of repair.

4) Untidy and cluttered cellar area and left the electric meter with seals missing.

5) Live electrical conductors exposed at >200 volts.

6) Further cluttered and untidy cellar areas with high pressure CO2 cylinders left unchained.

7) Incoming air and flue arrangements that are damaged blocked by cans and debris

8) Electrical connections to outside lighting that require further investigation.

9) Accumulation of waste

10) The premises has failed to display a statutory No Smoking Notice and in addition there was evidence of smoking in the premise.

The DPS Kevin Scott was present throughout the visit and maintained a very obstructive and agitated manner. He gave us little confidence that the electrics would be made safe and in addition refused to produce any documentation stating that he had his documentation but would not be showing it to any of us.

A prohibition notice was issued in respect of the electrical issues.

During the visit Mr Scott eluded to planning issues and delays to development that he seemed to be intimating were the fault of the council. further checks were made to these allegations and the letter below explains the current position. but in short an application has not yet been received by the council to date.

A further visit was carried out to assess the electrical repairs and also to have the meter correctly sealed this was in company with Officer Keith Marsden and Electricity Northwest Officers.

The socket cover had been replaced but the exposed conductors shown above in 5) were impossible to assess as safe as they seem to have been pushed back into the ceiling and a piece of cardboard stuck over the hole.

Mr Scott was present during the visit and smelt heavily of drink and appeared to be drunk. Mr Scott stated he had had an electrician to do the works but Mr Scott refused point blank to give us any contact details for the electrician. This placed us in the position that we were unable to ascertain whether the electrics were safe and the prohibition notice remained in place.

Premises : THE EMPRESS, EXCHANGE STREET

Information/Complaint: REPORT THAT THE LANDLORD HAS A SWORD AND A BASEBALL BAT THAT HE USES FOR PROTECTION AND KEEPS THEM BEHIND THE BAR.

Log/Crime Number : LC-20131022-0670

Date premises visited : 5TH NOVEMBER 2013

Persons Spoken to : KEVIN SCOTT (DPS)

Action Taken: I ATTENDED THE PREMISES AT APPROXIMATELY 3PM BUT KEVIN SAID HE WAS NOT OPEN TO THE PUBLIC ALTHOUGH THE DOOR WAS CLOSED BUT OPEN AND I WALKED STRAIGHT INTO THE PREMISES WHERE I SAW KEVIN BEHIND THE BAR AND TWO OTHER MALES DRINKING ALCOHOL. I ASKED KEVIN ABOUT THE CCTV AND CAN NOW CONFIRM ALL CAMERAS WORK, HE SAID THAT HE HAD PURCHASED A NEW HARD DRIVE READY FOR WHEN HE NEEDED MORE MEMORY FOR THE 'GAMES ROOM' WHICH IS STILL BEING REFURBISHED. HE ALSO SHOWED ME STAFF TRAINING WHICH WAS A TEST THAT HE GOT HIS WIFE TO DO, I HAVE ADVISED HIM TO GET HER TO SIGN AND DATE THIS. THE TRAINING IS VERY BASIC. THERE ARE NOW DRUGS POSTERS AND CHALLENGE 25 POSTERS UP AT THE MAIN DOOR UPON ENTRANCE TO THE PUB AND SOME DOCUMENTED TOILET CHECKS, HOWEVER KEVIN COULD NOT SHOW ME HIS RISK ASSESSMENTS RELATING TO THE LICENSING OBJECTIVES BUT HE SAID HE HAD DONE THEM (I WILL RE-VISIT TO CHECK THIS).

AS I WAS SPEAKING TO KEVIN BEHIND THE BAR I SAW A LARGE SWORD LEANING AGAINST THE DISHWASHER AND ASKED KEVIN WHAT IT WAS, HE SAID THAT IT WAS AN ORNIMENTAL SWORD THAT WENT WITH A PHOTOGRAPH HE HAD. I ASKED WHY IT WAS BEHIND THE BAR AND HE SAID HE HAD BOUGHT IT DOWN THE OTHER DAY TO SHOW HIS FRIEND AS PART OF THE HANDLE WAS BROKEN AND IT NEEDED SOLDERING. I ADVISED HIM THAT IT WAS AN OFFENSIVE WEAPON AND THAT IT SHOULDN'T BE KEPT BEHIND THE BAR OF A LICENSED PREMISES. KEVIN THEN SAID THAT HE HAD A BASEBALL BAT AND POINTED TO A LARGE METALLIC BASEBALL BAT ALSO BEHIND THE COUNTER BUT HIDDEN BY SOME OTHER ITEMS. HE SAID THAT HE HAD A LEGITIMATE REASON FOR HAVING IT THERE AS HE TAKES THE DOGS OUT FOR WALKS AND HITS A BALL WITH THE BAT. I SAID THAT THIS SHOULD BE KEPT

UPSTAIRS IN HIS PRIVATE AREAS. IN MY PRESENCE ONE OF KEVINS
FRIENDS TOOK BOTH THE SWORD AND THE BASEBALL BAT UPSTAIRS.

Licensing File Note

Premises : THE EMPRESS HOTEL, EXCHANGE STREET

Information/Complaint: NEW DPS INTERVIEW AND FULL LICENSING VISIT

Log/Crime Number :

Date premises visited : 13:00HRS THURSDAY 5TH SEPTEMBER 2013

Persons Spoken to : KEVIN SCOTT (DPS)

Action Taken: ALL LICENCE CONDITIONS GONE THROUGH; WARNING LETTER SENT RE NO RISK ASSESSMENTS RELATING TO THE LICENSING OBJECTIVES. I HAVE SENT AN EXAMPLE OF THIS BY EMAIL SO THAT KEVIN CAN ADAPT IT. THERE WAS ALSO NO DOCUMENTED PROOF OF AGE TRAINING. AT FIRST KEVIN SAID IT WAS ONLY HIMSELF WHO SERVED ALCOHOL BUT LATER HE MENTIONED A GENTLEMAN WHO HELPS HIM OUT SOMETIMES WHO IS A PERSONAL LICENCE HOLDER, I HAVE TOLD KEVIN TO GET HIM TO COMPLETE TRAINING.

THERE IS A CCTV SYSTEM IN PLACE THAT RECORDS FOR AT LEAST 30 DAYS, HOWEVER KEVIN DID NOT KNOW HOW TO DOWNLOAD FROM THE SYSTEM AND DID NOT HAVE A MEMORY STICK ON THE PREMISES TO DO THIS. I HAVE ADVISED KEVIN THAT IT IS HIS RESPONSIBILITY TO DOWNLOAD INCIDENTS AT THE REQUEST OF THE POLICE AND I HAVE ASKED HIM TO GET A MEMORY STICK AND PRACTICE DOING THIS. THERE ARE 7 CAMERAS BUT TWO OF THE CAMERA LEADS WERE FAULTY SO KEVIN IS LOOKING INTO REPAIRING THESE- THESE CAMERAS ARE THE ONES COVERING THE AREA OF THE STREET OUTSIDE OF THE FRONT DOOR (THERE IS STILL ANOTHER CAMERA COVERING THE OTHER SIDE OF THE STREET) AND THE SECOND CAMERA LOOKS AT THE BAR FROM A DIFFERENT ANGLE. THERE IS CURRENTLY SPACE FOR 16 CAMERAS AND KEVIN HAS A SPARE CCTV SYSTEM AVAILABLE SO WHEN THE WORK IN THE 'POOL ROOM' IS FINISHED HE WILL MAKE SURE THIS IS ALSO COVERED BY CCTV.

I HAVE SENT DRUGS POSTERS, DRUGS BAGS AND A DRUGS RECORDING SHEET TO KEVIN AND HAVE ADVISED HIM TO DO DOCUMENTED TOILET CHECKS.

ALSO DISCUSSED WAS THE CONDITION THAT STATES CHILDREN UNDER THE AGE OF 16 YEARS ARE ONLY ALLOWED IN THE FAMILY

ROOM AND RESIDENTS LOUNGE. KEVIN WASN'T AWARE OF THIS CONDITION AND IT IS NOT CLEAR WHERE THE FAMILY ROOM OR RESIDENTS LOUNGE IS, HOWEVER I WOULD SAY THE FAMILY ROOM WOULD BE THE ONE THAT IS CURRENTLY BEING REFURBISHED AND RESIDENTS LOUNGE COULD BE THE AREA NEAR TO THE DANCE FLOOR. I HAVE TOLD KEVIN TO USE THIS AREA AS THE AREA WHERE UNDER 16'S CAN GO AS IT IS AWAY FROM THE BAR AND IS A SEPARATE ROOM, ALBEIT CHILDREN WILL HAVE TO WALK PAST THE BAR TO GET TO THIS ROOM. ONCE THE FAMILY ROOM HAS BEEN REFURBISHED THIS CAN BE USED AS THE AREA FOR UNDER 16'S AS KEVIN DOES NOT INTEND TO HAVE THE BAR OPEN IN THAT ROOM.

KEVIN HAS ALSO SAID THAT A PLANNING APPLICATION HAS GONE IN TO CHANGE THE HOTEL INTO 10 LUXURY APARTMENTS SO HE DOES NOT KNOW HOW THIS WILL AFFECT THE PUB IN THE FUTURE BUT CURRENTLY IT IS OPEN AS A PUB WITH HOTEL ROOMS AVAILABLE FOR GUESTS. KEVIN ALSO SAID THAT HE HAD BEEN TOLD BY A CUSTOMER THAT RESIDENTS COULD DRINK FOR 24 HOURS, HOWEVER I HAVE TOLD HIM THIS IS NOT THE CASE AND THE LATEST TIME THAT ALCOHOL CAN BE SERVED TO ANYONE IS 01:30AM THURSDAY-SATURDAY.

5th September 2013

Dear Mr Kevin Scott,

Re: The Empress Hotel, 59 Exchange Street, Blackpool, FY1 2DZ.

In relation to the Licensing Act 2003 I would like to bring to your attention the fact that as of the 24th November 2005 the new licensing act came into force and will be rigorously enforced by all of the enforcement officers in the town.

On Thursday 5th September 2013, the above premises were visited and found to be operating outside the conditions of the premises licence as outlined below.

8 Risk assessments carried out by or on behalf of the Licence Holder which relate to a licensing objective will be available for inspection by an officer or a responsible authority.

At the time of my visit there was no documented risk assessment in place. I have attached an example of this for you to adapt.

18 All members of staff concerned with sales of alcohol will be trained in relation to sales of alcohol to persons under the age of 18 years.

At the time of my visit there was no evidence of documented training in place. You should either produce staff training which should be signed and dated by each member of staff or you can access training material on websites such as www.abvtraining.co.uk

20 A zero tolerance drugs policy is in place at the premises.

Although you have signs relating to your drugs policy you have no documented toilet checks. I have also attached some drugs posters for your toilets which I will send through the post as well as drugs bags.

I would also advise that in accordance with section 136 (1) of The Licensing Act 2003 "A person commits an offence if a) he carries on or attempts to carry on a licensable activity on or from any premises otherwise than in accordance with an authorisation, b) he knowingly allows a licensable activity to be so carried on".

The maximum penalty for this offence is six months imprisonment and/or a fine not exceeding £20,000.

Please take this letter as a formal warning that if your premises are found to be operating outside the conditions again then formal proceedings will be taken.

A copy of this letter will be retained on your premises file and maybe used against you in subsequent hearings.

Please contact me when you have completed these actions or have any complications/ queries.

Yours sincerely,

PC 4107 Emma Pritchard
