3. Lack of cooperation with the police.

Friday 25th July 2014

On Friday 25th July 2014 PC4107 Pritchard contacted Peter Flynn who is the Premises Licence Holder of The Waterloo Hotel and Bowling Club, Waterloo Rd, Blackpool due to him planning to hold a boxing event on Sunday 27th July 2014. Flynn was advised that he would be committing a licensing offence if he let this go ahead.

Sunday 27th July 2014

On Sunday 27th July 2014 at 15.30 PC 3459 McVeigh will state he attended the Waterloo Club and witnessed a boxing match take place on the outdoor bowling green where a boxing ring had been set up.

Statement of PC McVeigh attached as document 1

Monday 28th July 2014.

On Monday 28th July 2014 at 01.33 the Police received a report from a member of the public that 20 persons were fighting outside Tangerine Tavern, St Annes Road, Blackpool. At 01.35 PC 3224 Hill arrived at the scene to find approximately 25 persons in the street with many pushing, shoving and shouting at each other with several drinking alcohol from glasses. Whilst trying to deal with this incident PC Hill states that the level of intoxication of all parties involved was extreme.

A conversation then took place between PC Hill and Peter Flynn which FLYNN told lies about his licensing hours and serving after hours. PC Hill believed Flynn had sold alcohol and his statement will evidence this.

PC HILL had to go back outside the premises as PC Gorst had called for officer assistance due to further fighting outside the club. During this incident six people were arrested and PC 425 Watson was assaulted.

Tuesday 29th July 2014

On Tuesday 29th July 2014 PC4107 Pritchard attended the Tangerine Club in company with PC 3127 Reynolds. After a conversation as per statement PC 4107 Pritchard reported Peter FLYNN for summons due to the boxing match at the Waterloo Club.

Statement of PC4107 Pritchard attached as document 7
Copy of Police pocket notebook entry by PC 4107 Pritchard attached as document 8

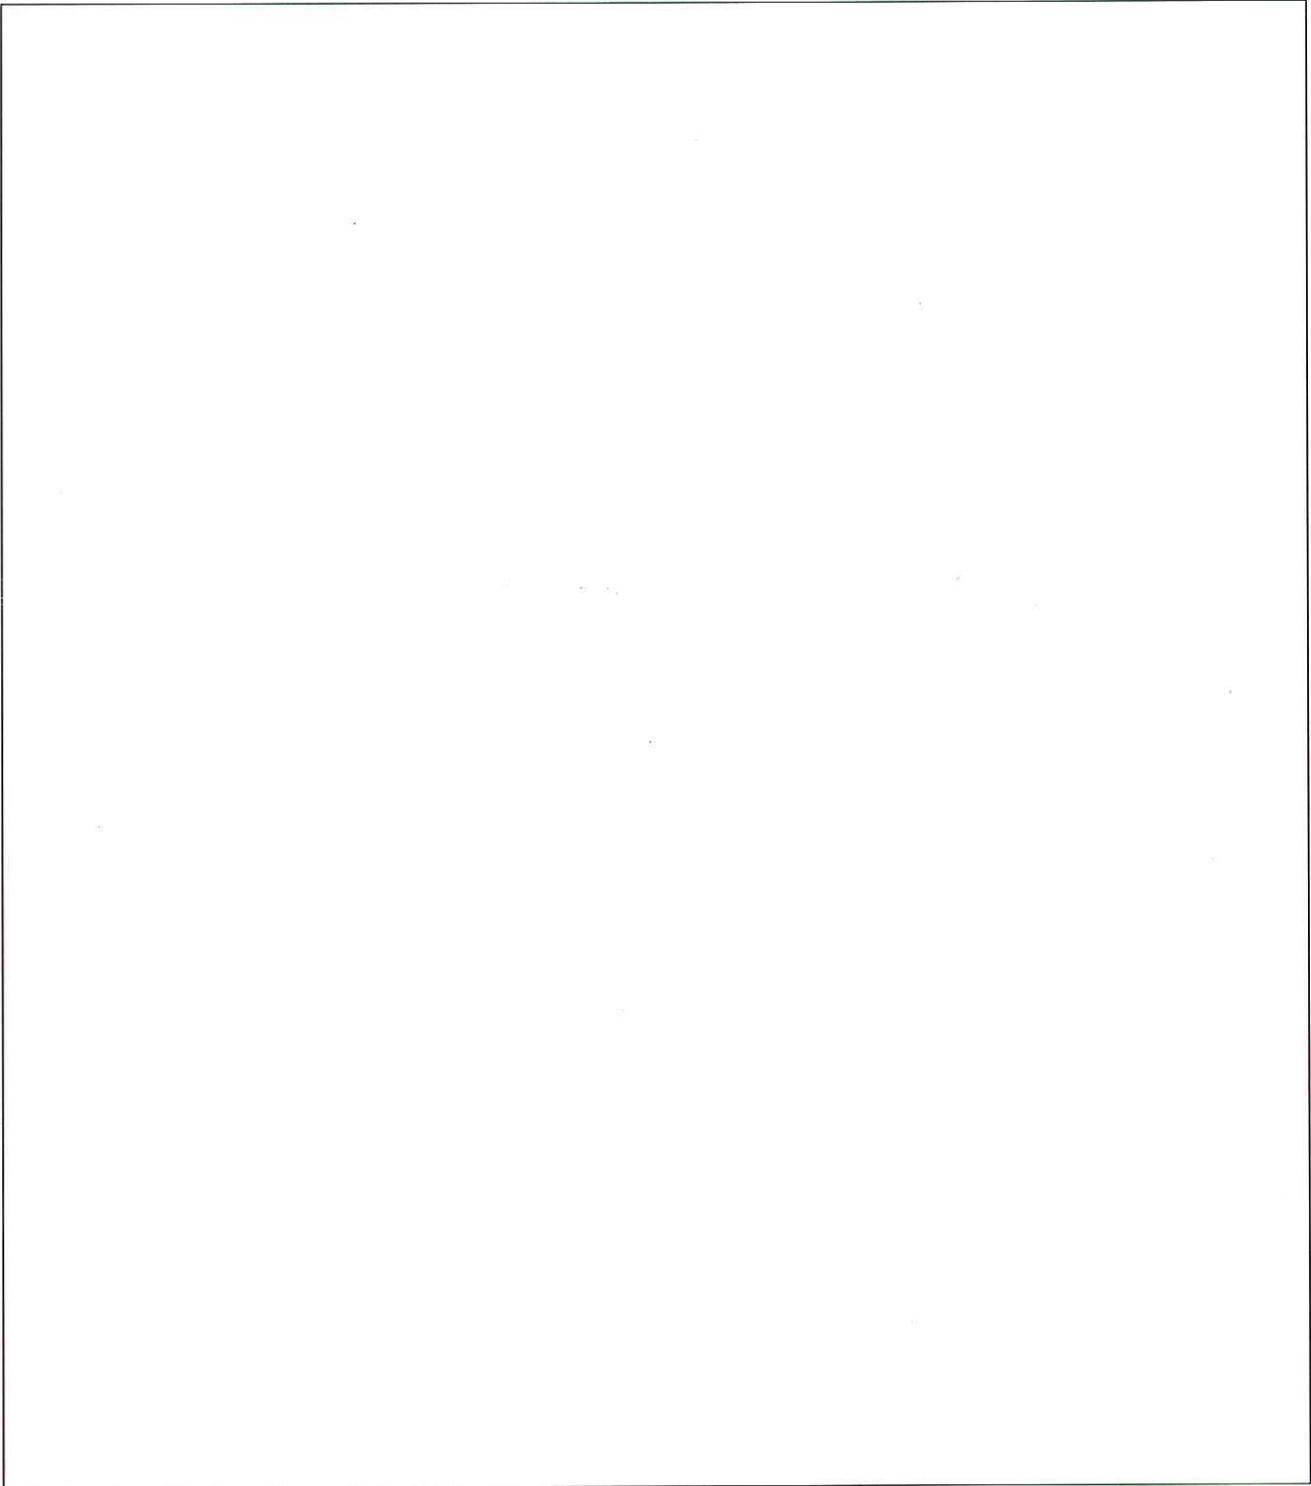

Overview.

Peter Flynn has previously been convicted of the same offence under Section 136 of the licensing act on 06/12/13. PC 4107 Pritchard has completed a report for summons file and a request has been made to revoke his licence. Peter Flynn is not fit to run a licence premises and shows a complete disregard for the authorities. It is not acceptable that public safety is put at risk and officers injured due to serving alcohol after hours to the point people are incapable of walking and committing serious disorder in the street. This premises was reviewed in April 2013 due to poor management this causes the Police serious concern and we see no alternative than revocation of licence.

I am PC 3459 McVEIGH of the Lancashire Constabulary currently attached to Blackpool Central Police Office on immediate response duties.

At 15:30 hours on Sunday 27th of July 2014 I was on duty in full uniform in company with PC 3286 MALLIBAND using call sign WA44. At this time we attended the WATERLOO pub on WATERLOO ROAD in BLACKPOOL in order to conduct a licensing visit following information received relating to an unlicensed boxing event taking place at the location.

On arrival at the pub I immediately became aware of loud music being played from the rear. This music was clearly audible from outside the venue. I proceeded to enter the rear beer garden area of the pub and observed a boxing ring which had been set up in the centre of, what was the bowling green and two members of security staff restricting access to the public.

I made contact with security who advised me the organiser for the event was a John McNEILL, 20/08/1951. I then contacted McNEILL who advised me that the event had been organised in conjunction with the pubs licensee and that it was an amateur boxing event which was fully regulated. McNEILL also advised me that the event had been approved by the council, with the ambulance service and fire marshals being in attendance. McNEILL stated that the event would be finished at around 18:00 hours. Whilst speaking with McNEILL I observed two young males approximately 16 years of age boxing in the ring, they were wearing protective head gear and boxing gloves.

Following this I made contact with the WATERLOO pubs licensee who advised me that he was closing the venue at 19:00 hours and was serving all drinks in plastic cups. He stated that all fighters were wearing head guards apart from the later fights, with fighters fighting without head gear but where still using the same 6-10oz gloves.

I then resumed mobile patrol taking no further part in the matter.

This is my account of the arrest of John McNEIL and Ryan SKIVINGTON for being drunk and disorderly after a public order incident at THE TANGERINE TAVERN, ST.ANNES ROAD, BLACKPOOL in the early hours of MONDAY 28th JULY 2014.

During the evening of SUNDAY 27th JULY 2014 I started my tour of duty in a secure marked police van, call sign WA49. I was in full high visibility uniform. I was due to finish my shift at 07:00hrs the following day.

At 01:33hrs I was asked to attend THE TANGERINE TAVERN after a report from a member of the public of 20 people fighting outside THE TANGERINE TAVERN. I began to attend in an emergency response, as did several other police patrols in different police vehicles. As I was driving there I was updated that the fight was at the side of club on GLADSTONE STREET.

I arrived at 01:35hrs and as I was pulling up the club appeared closed as the front doors were closed. I pulled up on GLADSTONE STREET to be met by a group of around 25 people in the street with many pushing and shoving each other and shouting at each other with several people drinking alcohol from glasses. I advised the communications room that there was a group still in the street but there wasn't fighting and it was clear something had gone on. I noticed that people were going in and out of THE TANGERINE TAVERN by the side fire door. PC 230 SHANE and PC 3387 GORST arrived at this point.

I got out of my police van and could immediately sense the volatile situation. There were a mixed group of both men and women, with the majority shouting and swearing at each other, squaring up to each other, with some pushing and shoving each other. I saw McNEIL trying to get at another man shouting and screaming at him but was being held back by other people in the group. We intervened as best we could splitting up parties involved and eventually the incident seemed to be calming. I noticed that the level of drunkenness of all parties was extreme. They were staggering around unsteady on their feet, slurring as they were shouting and some were nearly falling over.

I decided to check inside the club to make sure nothing was going inside. I entered via the open fire door and saw about 6 people in the club and saw 4 people drinking alcohol in the club. I saw that 3 of the 4 people had drinks that were nearly full or 3/4s full. As I entered one male who was extremely drunk was coming out. He was so drunk he had snot all down his face, was sweating, could barely walk and was retching as if was going to be sick. He shot out the club by the fire door and I could hear him retching. I presume he was being sick. I saw lots of empty glasses stacked around on tables.

At this point I spoke with the man whom I know to be the licensee, Peter FLYNN. The time at this point was 01:45hrs. He was stood at the end of the bar smiling which I found quite disturbing. I asked him what had gone on and he just shrugged his shoulders. I asked him what his licensing hours were and why was the fire door open. He told me he was licensed to serve alcohol until 2am. I then asked to see his licence. There was a bar man still behind the bar at this point and he passed me the licence. I looked at the licence and saw that the licensing hours in which he was allowed the serve alcohol were in fact 00:30hrs. I again asked FLYNN what his licensing hours were and again he said 2am. I said to him that he musn't know his licensing hours as the licence clearly states half 12. He didn't reply. I then asked him why people were still drinking and why alcohol still being served. At this point FLYNN stated to me that they wasn't serving alcohol and they were drinking up. FLYNN was clearly lying as at first tried to tell me they were drinking legally as he was licensed until 2am and then when I discovered the true licensing hours he said they were drinking up. I pointed out to him the time was now 01:45hrs, which is passed drinking up time. Whilst I was doing this two females had been at the fire door coming and going drinking what I believe to be some sort of spirit and coke. FLYNN had no control over this incident.

At this point I heard PC GORST shout over the radio for assistance as it was kicking off again at the front of the club. I ran outside and saw two women pulling each others hair, with a group around them either trying to split it up or shouting and goading others. One women had blonde hair and a light top, the other was in black with dark hair. I saw two men pushing and shoving each other with their chests pumped up. One of these men was MCNEIL and he was swearing in the street shouting, had his arms raised with fists clenched, chest pumped up and was being held back from another man in a black t-shirt. I ran over and took hold of McNEIL by the arms taking him away from the situation. I was followed by a group from within who were trying to pull me off him and shouting and swearing in my face. I took McNEIL to my police van and stood him by it at which point he suddenly tensed up and tried to escape my grip to get at another man from within the group whilst shouting. I felt McNEIL' muscles tense up so I pulled him back against my police van shouting at him to stop it. He continued so I arrested him for being drunk and disorderly and handcuffed him. As I was doing this I was surrounded by about 10 people, some were shouting abuse at me and some were trying to pull me off him. PC SHANE was trying to protect me by creating a sterile area as I tried to secure McNEIL. I eventually managed to get him into the rear of my secure police van. McNEIL was very drunk. He was unsteady on his feet, slurring his words and smelled strongly of alcohol. The time at this point was 01:45hrs

I was aware other patrols were arriving at this point. I tried to persuade the group to calm down and disperse to go home but they continued shouting at me and each other, squaring upto each other. One female imp articularly stood out. She was continually shouting abuse at

me and trying to barge passed me to open the police van doors shouting "YOU CANT FUCKING ARREST HIM. LET ME SEE HIM, FUCK YOU." She had a black top on, dark hair and had piercings in her nose.

At this point I looked and saw a male in a black vest and light shorts with his fists clenched trying to get at another man aggressively but being held back by about 3 people. He was pushing the three people to try and get passed them to get at another man in a black top who was shouting at him. I ran over to this group, who were just on ST.ANNES ROAD by GLADSTONE STREET, about 15 meters away from me. I took hold of the male in the black vest, whom I now know to be Ryan SKIVINGTON. As I took hold of him to prevent a breach of the peace he tried pulling away from me shouting "GET THE FUCK OFF ME" as well as shouting a lot of abuse at me. He also shouted numerous times at me "COME ON THEN, COME ON THEN" which I took as aggressive comment wishing to fight with me. He was very drunk, unsteady on his feet and I noticed his eyes were red and glazed. Again persons within the group tried to get me off him but PC SHANE and PC 5476 TURNER assisted me and I arrested him for being drunk and disorderly. I didn't caution him due to the situation I was in at the time. PC TURNER handcuffed him and we placed him into the rear of PC SHANES secure police van. The time at this point was 01:50hrs.

As the doors were closed on the police van I saw a group of about 10 at the junction of ST.ANNES ROAD and WATERLOO ROAD with police officers. I could hear lots of shouting and swearing coming from that direction and the aggressors were female voices. I couldn't see what was going on though as I was about 40 meters away from them. I turned the other way, south on ST.ANNES ROAD, and saw PC 8743 EDWARDS on the floor trying to arrest a male in a grey top. The male with the grey top was on his side struggling with PC EDWARDS trying to get up off the floor and was kicking out with his legs. PC EDWARDS was stood over him but bent down trying to control him. I was about 15 meters away from PC EDWARDS so ran over to him with PC TURNER. I took hold of the male in the grey tops arm and held him in the ground pin position whilst shouting "STOP STRUGGLING" with my knee resting on the right side of his back. This allowed handcuffs to be placed on the male. I do not know who handcuffed him. PC ROYLE then brought his police van to this male and he was placed in the rear of the secure police van. I noticed when he was being placed into the police van he had a small cut on the side of his head, but I can't recall which side.

I then went to speak with the licensee, Mr FLYNN. I knocked loudly on the fire door several times which was now locked closed. I could see the lights were on but no one answered. I could still hear shouting and screaming of female voices coming from the group at the junction of ST.ANNES ROAD and WATERLOO ROAD so went over to them to see if they required any assistance. I saw a girl with blonde hair on the floor with PC 4076 TAYLOR speaking with her. I thought she had been arrested. I also saw other females trying to get passed officers to get to the girl. The girls trying to get to her were being aggressive and continually tried to get passed the officers to get to the girls. In this situation my role is to protect the officers who were on the floor trying to speak with the blonde haired girl to create a sterile area to prevent the officers being injured or them interfering with the arrest.

One girl was continually shouting at me telling me "FUCK YOU" and kept trying to get passed me by barging into me. I continually had to take hold of her arms and lead her away

and told her several times to go home and to stay back. She refused and each time came back more aggressively barging into me shouting and flapping her arms around aggressively. She was wearing to the best of my recollection a dark blue outfit with gold bits in the clothing and she had a bag with her. She had light brown hair. I pushed her back several times each time shouting "GET BACK." This female was eventually arrested by another officer and I assisted him as when she was being arrested she struggled and resisted shouting "FUCK OFF."

I then started walking back to THE TANGERINE TAVERN and saw Mr FLYNN who was at the front door of the club smoking. I started walking towards him and as I got about 20 meters to him he thrown his cigarette on the floor and went inside, closing the door behind him. I knocked on the front door loudly several times but Mr FLYNN didn't come to the door. The door was locked from the outside. I believe he was avoiding me.

I then transported McNEIL to BLACKPOOL CUSTODY where his detention was authorised.

I later read the incident log in relation to the incident and noted that the informant had stated upon calling the police that the group in question had been arguing amongst each other at the TANGERINE TAVERN and coming and going from the fire door since about 22:00hrs, which again concerns me with regards FLYNN` running of the club as to why he didn't ask the group to leave or call police for assistance at any time.

When booking SKIVINGTON into BLACKPOOL CUSTODY he seemed aggrieved with Peter FLYNN. He stated that at one point FLYNN said no more drinks were being served so he (SKIVINGTON)put £500 behind the bar and FLYNN continued serving. SKIVINGTON was saying he wanted his money back.

I had nothing further to do with this incident.

WITNESS STATEMENT

Statement of: PC 425 Dave WATSON

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Police Constable

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature: [Signature] (witness) Date: 28/7/14

I am the above named person and am a police officer based at BLACKPOOL CENTRAL POLICE STATION.

In the early hours on MONDAY the 28th of JULY 2014 I was on duty in uniform and under call sign WA52 when at approx. 01:30hrs I heard via my personal radio communications ask for patrols to attend the TANGERINE TAVERN, ST ANNES ROAD, BLACKPOOL following a disturbance.

As I was already attending another incident I did not make initially but heard other patrols acknowledge the incident and start making. After about 10 minutes however I heard patrols at the TANGERINE TAVERN ask for more patrols to attend.

I started to make to the location in order to assist and also heard several other officers answer the call for assistance and say over the radio they were attending. Whilst on route I heard a patrol at the scene ask for the patrols grade one. I could hear in the background of this officer's transmission a large disturbance with what sounded like numerous people shouting.

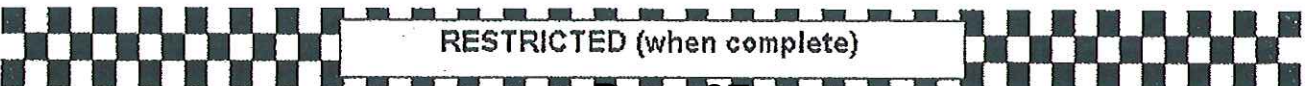

As such I made grade on to the location and whilst still making I heard another patrol again request more patrols to the TANGERINE TAVERN.

I arrived on scene moments later and whilst driving up could see a large scale disturbance out in the street outside the club. Approx. 20 people were surrounding several officers at scene who were struggling with other people who appeared to be resisting.

I exited my vehicle and made over to these officers who were struggling and together with other officer who were now at scene I tried to control the crowd, keeping them back from officers who were dealing with people in an attempt to keep these officers safe from possible assault by the crowd around them.

For the next few minutes I, along with several other officers attempted to control, and disperse the crowd of people which were a mix of males and females all in their late teens to

early 20's.

During this time we struggled to disperse the crowd and had several people run in behind us and make to police vans pulling the doors open in an attempt to access the people inside who had been arrested.

The crowd were volatile and aggressive squaring up to me and the other officers, swearing, and telling me and other officers to fuck off and refusing to move away. Most of the group appeared drunk with glazed eyes, slurred speech and smelling of intoxicants.

As such I had to resort to taking hold of several people and escorting them away in order to try and prevent offences being committed and disperse them.

On more than one occasion I saw in particular a female with long blonde hair, wearing a white top and black leggings approach officers in an aggressive manor and shout in their face before being pulled away by others in the group.

I, along with several officers managed to move the group across the road away from the TANGERINE TAVERN, and towards the east side of ST ANNES ROAD and the junction with WATERLOO ROAD.

Once there the female in the white top who later identified herself to me only as CHELSEA again emerged from the crowd of approx. 15 people and stood in front of SGT 1056 WHYATT shouting. I could see from where I was stood right next to SGT WHYATT that CHELSEA was drunk, her eyes were glazed, her speech was slurred and she was very unsteady on her feet.

As she stood there a female with blonde hair wearing a pink top came from the crowd, took hold of CHELSEA and tried to pull her away from the situation telling her "YOU WILL GET LOCKED UP". As this female tried to pull her away CHELSEA turned towards her, told her to "GET THE FUCK OFF ME" and pushed her hard in the chest causing her to stumble backwards.

The female in the pink top then lunged forward back towards CHELSEA and the pair began to struggle with each other pulling and pushing each other.

Due to this I stepped in to try and separate the two females before anyone got injured and with the intention of arresting CHELSEA on suspicion of being drunk and disorderly. I stepped in, took hold of CHELSEA and pulled her off the female in pink. I then tried to turn CHELSEA around in order to apply handcuffs due to her violent outburst but she resisted, would not turn away from me and instead turned towards me and tried to break free of my grip whilst saying "GET THE FUCK OFF OF ME".

By this time I was in the middle of the crowd of people struggling with CHELSEA and as I tried to control her and push her out of the crowd so as not to be surrounded by the group I accidentally stood on her foot causing her to stumble backwards falling to the floor within the crowd. I could not see, because of the crowd how CHELSEA landed but almost instantly she sprang to her feet and swung a kick towards my groin as hard as she could. I reacted moving back partially out of the way of this kick which resulted in CHELSEA kicking me on

the inside of my left thigh.

CHELSEA swung this kick with such force that she slipped and fell backwards once more into the crowd.

Again I could not see how she landed because of the crowd who gathered round her.

Following this I knelt down and attempted, along with PC 4076 TAYLOR to turn CHELSEA on to her front in order to handcuff her to the rear. As CHELSEA was turned onto her front she began to scream "MY ARM, YOU BROKE MY FUCKING ARM". I then pulled CHELSEA'S arms behind her back and applied handcuffs with the assistance of PC TAYLOR. At the same time, at 01:45hrs I told CHELSEA that she was under arrest on suspicion of being drunk and disorderly and assaulting a police officer. As I did this I saw that the left wrist of CHELSEA appeared to be miss shaped. As such I told PC TAYLOR that the wrist looked broken and removed the handcuffs in order to prevent any further injury being caused to the arm.

I did not caution CHELSEA at the time or outline the necessity for arrest, which was to prevent injury to others and protect public decency due to the more pressing need to deal with her injury and the fact I believed that she was too drunk to understand.

Following the removal of the cuffs I requested an ambulance to the location to treat CHELSEA'S injury before trying to calm her down. As other officers continued to disperse the crowd and move them away from me.

After several minutes I was informed by communications that the was no ETA for the ambulance due to demand so I made the decision that transporting CHELSEA up to the hospital in a police van would be more appropriate.

As such PC 4512 PRITCHARD and PC 5746 TURNER brought CHELSEA to her feet and placed her in a marked police van before PC 3819 GOSS transported her to BLACKPOOL VICTORIA HOSPITAL.

I am Police Constable 4107 Pritchard of the Lancashire Constabulary, currently Stationed at Blackpool Central Police Station on the Licensing Department. Part of my job role involves me visiting Licensed Premises to ensure they are operating in accordance with their Licence conditions.

I was made aware by a member of the public that a boxing event had been advertised and was to be held at The WATERLOO HOTEL AND BOWLING CLUB on Sunday 27th July 2014. THE WATERLOO HOTEL, WATERLOO ROAD, BLACKPOOL is not licensed to hold boxing entertainment and there was no Temporary Event Notice in place for this event. At 12:20hrs on Friday 25th July I contacted the Premises Licence Holder Peter FLYNN and he confirmed that this boxing event was taking place on Sunday between 2:30pm and 6pm in the out door bowling green and that 400 tickets had been sold out of a potential of 500 tickets to be sold. He told me that the event organiser was John McNeil and that he had organised 6 members of door staff, paramedics, fire marshals and that alcohol would be served by waiter/ waitress service in polycarbonate glasses to people sat outside watching the boxing. I asked if he had a Temporary Event Notice in place for this and FLYNN said "NO", I asked why not and he said "BECAUSE WE DIDN'T KNOW AT FIRST THAT WE NEEDED ONE AND THE DPS DIDN'T DO IT IN TIME." I then told him that last week I told THE HALWAY HOUSE PUB that they needed a TEN to hold an outdoor boxing match and as a result they had to postpone the event by a week and they had submitted a TEN. I asked FLYNN if he would be able to get hold of the people that had purchased the tickets and he said "NOT REALLY NO" and I told him that if he went ahead with the event that he would be committing an offence as he was not licensed. FLYNN said he had been told by someone from

Blackpool Council that they wouldn't be prosecuting him for this and I told him that as I knew about this event I could not say he could break the law and also that despite what he may have been told by the Council I could not say he wouldn't be getting prosecuted should this event go ahead. I asked if FLYNN would be at the premises on Sunday and he said he would and told me that the joint Licence Holder Nick LOWE was on holiday in Crete. I asked FLYNN for the organiser John McNeils contact number and FLYNN said he would call me back with this information but he did not. I requested that a patrol attended THE WATERLOO HOTEL on Sunday to check if licensable activity was taking place. PC 3459 Michael McVeigh attended the premises at 15:30hrs on Sunday 27th July and stated that he spoke to the event organiser John McNeil and he observed two males fighting in a boxing ring located on the outdoor bowling green at the rear of the premises.

On Tuesday 29th July I listened to my work answer phone messages and discovered I had a message from Peter FLYNN received at 6:38pm on Sunday from 01253 319362 which stated "HELLO EMMA IT'S PETER FLYNN FROM THE WATERLOO PUB JUST TO LET YOU KNOW I HAD A VISIT FROM TWO OF YOUR UNIFORMED OFFICERS TODAY, THEY HAD A LOOK, RISK ASSESSMENT WAS ALL DONE, THE DOOR MAN WERE THERE, THE FIRE OFFICERS WERE THERE, THE MARSHALLS WERE THERE, ST JOHNS AMBULANCE WERE THERE, EVERYTHING WAS SPOT ON, IT'S NOW FINISHED EVERYONE IS NOW PACKING UP AND GOING HOME WITHOUT INCIDENT, IT WAS WELL POLICED AND ORGANISED, IT WAS A VERY GOOD DAY, JUST KEEPING YOU INFORMED, GOODBYE."

I also saw that the boxing event organiser John McNEIL was one of six people that were arrested in the early hours of Monday at The TANGERINE TAVERN, ST ANNES ROAD of which Peter FLYNN is the Designated Premises Supervisor and director of Tangerine Tavern Ltd which is the Premises Licence Holder. Due to Officers not being able to get copies of the CCTV footage the CCTV hard drive from the TANGERINE TAVERN was seized on Monday 28th July, however the power cable was not seized so I contacted Peter FLYNN on Tuesday 29th July and arranged to meet him at The TANGERINE TAVERN AT 14:30hrs. I arrived at The TANGERINE TAVERN in company with PC 3127 REYNOLDS at approximately 14:15hrs and entered the TANGERINE TAVERN through the side Fire Door and saw Peter FLYNN who I have met on several occasions due to my previous dealings with both the TANGERINE TAVERN and the WATERLOO HOTEL. FLYNN gave me the power cable and I asked if we could discuss what happened at the premises which led to six people being arrested at approximately 01:45hrs on Monday morning. FLYNN said that it was mainly pushing and shoving and verbal arguments and that some were arguing with John

Continuation of statement of

McNeil over the boxing matches not being 'well matched' and fights not lasting long enough. I asked why people from the boxing were at the TANGERINE TAVERN and FLYNN said "BECAUSE THE WATERLOO WAS CLOSING SO THEY ALL CAME HERE ABOUT 11:45PM BECAUSE I THOUGHT WE WERE LICENSED UNTIL 1AM BUT WE'RE ONLY LICENSED UNTIL 12:30AM" I then informed him that he is actually only licensed to serve alcohol until midnight on a Sunday. I asked him why he had told PC Chris HILL he was licensed until 2am and he said no Officer actually came inside and spoke to him, FLYNN then asked a barman 'DAVE' regarding this and he said yes an Officer spoke to both himself and FLYNN at the bar and I asked if it was himself that was asked to show the Officer the premises licence and he said it was. FLYNN then seemed to have a vague recollection of this. I then asked why he did not answer the door to Police when they wanted to get CCTV footage at the time and he said he did not hear anyone knocking. FLYNN said that the boxing event itself went without any problems and I asked if Callum HOLMES (who is currently barred from Pubwatch premises) attended the event and FLYNN confirmed he was there. PC REYNOLDS has since been told by an anonymous source that Joey HOBAN who is also on Pubwatch attended the Boxing Event at the WATERLOO HOTEL, this is in breach of the licence conditions and a warning letter will be sent regarding this breach. At 14:25hrs on Tuesday 29th July I reported Peter FLYNN (dob 08/02/72) address of 118 PRESTON NEW ROAD, BLACKPOOL for summons for carrying on a licensable activity namely the sale by retail of alcohol from approximately 00:00hrs-01:45hrs on 28th July at The TANGERINE TAVERN contrary to section 136 of The Licensing Act 2003 and cautioned him to which he replied "IT'S MY FAULT I'LL THROW MYSELF AT THE MERCY". I then reported FLYNN for summons for having a boxing entertainment event at the WATERLOO HOTEL at 15:30hrs on Sunday 27th July without a licence contrary to section 136 of the Licensing Act 2003 and cautioned him to which FLYNN replied "WHY AM I BEING DONE FOR THAT NOT THE DPS". I explained that as the Licence Holder he was responsible. I then left the premises.

On Friday 1st August 2014 I was able to burn CCTV footage from the TANGERINE TAVERN which had to be burnt onto discs in 7 minute stints due to the type of CCTV hard drive. I exhibit these CD's as follows: 00:23-00:30hrs: ELP/4107/01, 00:33-00:40hrs: ELP/4107/02, 01:25-01:32hrs: ELP/4107/03, 01:32-01:39hrs: ELP/4107/04 and 01:39hrs-01:46hrs: ELP/4107/05. Also of note is the CCTV is 8 minutes ahead of real time. I have watched this CCTV footage and witnessed the barman David SIMPSON appear to 'cash up' at 00:15hrs (real time) and then Peter FLYNN enters the TANGERINE TAVERN with approximately 20 people and he speaks to SIMPSON for a while
Signature *E. Fitzhugh*.....

and then SIMPSON pours approximately 10 drinks behind the bar and takes payment for these from an unknown customer behind the bar and puts the money into the till. At 01:18hrs and 01:21hrs I have also witnessed SIMPSON serve alcoholic drinks to customers that were stood at the other side of the bar and take payment for these drinks and put the money into the till. I have then seen Peter FLYNN trying to break up a fight in the bar area at 01:31hrs and after this the bar closes.

I exhibit the premises licence for THE WATERLOO HOTEL AND BOWLING CLUB AS ELP/4107/06 and the premises licence for the TANGERINE TAVERN as ELP/4107/07.
