- 4.1 On 4 March 2016, the Licensing Service received an application from David Paul Davies for the grant of a Premises Licence for the Stone Grill, 272-274 Queens Promenade.

4.2 The application requests a Premises Licence giving permission for live music, recorded music, entertainment of a similar description and the sale of alcohol for consumption on the premises 11.00 – 00.00 in addition to late night refreshment 23.00 – 00.00. all activities to be permitted until 02.00 on New Year’s Eve. 4.4 **Local policy considerations**  
None

4.5 **National policy considerations**

9.42 – The authority’s decision should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

9.43 – Determination of whether an action or step is appropriate for the promotion of the licensing objectives requires an assessment of what action or step would be suitable to achieve that end. Whilst this does not therefore require a licensing authority to decide that no lesser step will achieve the aim, the authority should aim to consider the potential burden that the condition would impose on the premises licence holder as well as the potential benefit in terms of promotion of the licensing objectives. However, it is imperative that the authority ensures that the factors which form the basis of its determination are limited to consideration of the promotion of the licensing objectives and nothing outside those parameters.

4.6 **Observations**

This premises was previously licensed under the name Belgrave Madison from 2005 until the licence was surrendered in July 2014. The hotel was licensed prior to this by the Magistrates’ Court. The previous licence authorised similar activities with identical hours to those requested in this application.

4.7 Does the information submitted include any exempt information? No

### Re: The Stone Grill New Premises Licence

We refer to this matter and what seems to be the inevitability of a hearing in front of the Committee.

Having looked at the representations made we do feel that, as a whole, the representations give the impression that our client's application is something entirely new whereas, of course, the premises were previously licensed. Indeed our reading of the previous licence suggests that our client's are not asking for anything more than 16 hours which would cover exactly the same activities for the same permitted hours. We have a copy of that licence and wonder whether it might assist the Counsellors to have it included within the agenda.

The other point that we would wish to make is that our client already operate premises as the North Ocean Hotel at 390 Promenade Blackpool. The premises operate as both a hotel and a Stone Grill Restaurant. As such they have both been assessed by the Trip Advisor organisation. Both are very highly rated by members of the public. High numbers of those contributing assess each of the businesses as being excellent.

It may be that you would consider checking on Trip Advisor with regard to the North Ocean Hotel so as to confirm what we will present to the Committee about the Trip Advisor statistics.

**Subject:** application for stone grill 270-274 Queens Promenade Blackpool

Dear Sir

We wish to register our objection to the application for a premises licence by Stone Grill, 270-274 Queens Promenade, Blackpool. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of public nuisance and crime and disorder.

1) Objection- prevention of public nuisance.

The property is in a residential location and the live entertainment/music and selling of alcohol up to midnight daily and later on New Years Eve will adversely affect local residents causing considerable distress and noise creating a public nuisance.

During summer months as the licence application is until midnight and the early hours on New Years Eve, all noise from the hotel will carry due to windows being open. In addition, the noise from the outdoors smoking area will also cause disturbance to residents.

Is there an operational condition within the application to keep all the windows closed until midnight? What will happen on hot humid nights when someone is bound to want to open a window?

Is the owner also proposing as a condition to install air conditioning, if so where will the air conditioning plant for that go? Do they have planning consent for this?

2) objection - prevention of crime and disorder

The supply of alcohol until midnight may well subject local residents to anti social behavior and noise.

There may be an increase in local crime and public disorder with customers leaving the premises after midnight in a residential area

The area is normally very quiet during the early hours of the morning and in particular any arrivals or departures after midnight will cause a disturbance.

I am also concerned about the potential for damage to property if customers are allowed to leave in the early hours of the morning, having drunk significant quantities of alcohol

In conclusion, we strongly oppose this application for the supply of alcohol daily until midnight.

Julie and Ian Newman

To Whom it may Concern

We are writing this letter to lodge a Complaint regarding the application for a live music licence for 7 days a week and the times to be played (re 270-274 Queens Promenade Stone Grill)

The area where the new venue is situated is more residential with the only business that is operational on that block is a care home for the elderly

We have a family and are very concerned regarding the level of noise and the time of the licence that they are applying for and the impact and distress this will have on us and our family on a daily basis.

So we are requesting to yourselves that the application that has been submitted should be reviewed regarding the overall application, ie amount of days and times, they would like the licence to cover.

Yours

M Heslop & H Warren

Dear Sirs,

We are writing to object to the new premises licence application applied for by David Paul Davies for a venue called The Stone Grill at 272-274 Queen's Promenade, FY2 9HD.

Our objections to the application are as follows:

This establishment would be in what is a residential block with families and children; residents and non-residents entering and leaving up to and beyond midnight every night would create an increase in noise levels and disturbance at unacceptable times of the night. It is highly surprising that such a late licence could be considered at all in a completely residential area, and for seven nights of the week.

With the consumption of alcohol at 272-274 Queen's Promenade being some distance from the main entertainment area of Red Bank Road, the police would have to cover a wider area for drink related crime that the risk of this establishment poses, be it anti-social behaviour, violent conduct, or property/car damage. Do we really need people on the streets in a quiet residential area that at the moment needs little policing?

Has the impact of increased traffic and parking been considered as there seems to be insufficient parking available on the forecourt of 272-274 Queen's Promenade which will lead to parking chaos on the promenade and neighbouring streets, with customers possibly parking in the bus stop making it difficult for local residents to board buses and making it a hazard for buses to stop there. During promenade events (running races, car rallies, etc.) and throughout the Illuminations period, the parking on Queen's Promenade and streets off it are chaotic with many drivers giving little thought to pedestrian safety or preventing local residents' access to their properties – opening a public restaurant will only add to the problem.

We are particularly worried about the wording 'Provision for live and recorded music and associated entertainment to midnight Monday to Sunday' and 'Late Night Refreshment from 2300 hours to midnight Monday to Sunday' – again we feel these times are unacceptable in a residential area made up mainly of families with children who need as much sleep as possible.

Will there be a smoking shelter erected for customers and staff? With residential properties on three sides this poses a public nuisance and an issue for protecting children from harm; many playgrounds and parks across Blackpool are smoke-free zones – surely our gardens deserve the same protection?

We understand that the property was previously a hotel, but the provision of food, alcohol, and entertainment to the general public changes the nature of the building and the surrounding area; before the consumption of alcohol would only have been by residents, but this licence will grant anybody the chance to leave the premises intoxicated, and that changes the nature of the promenade, creating a 'new area of entertainment' that is not needed.

We feel that granting a licence to this establishment would be severely detrimental to the surrounding area. There would be increased noise pollution, and a negative impact on the licensing

objectives, particularly the prevention of crime, disorder, and antisocial behaviour, posing a public safety risk in what is currently a quiet residential family area.

Many thanks for your kind consideration.

Yours faithfully,

Mr & Mrs Ryan Sheldon

Dear Sirs,

**Re: Premises Licence for "The Stone Grill," 270-274 Queens Promenade, Blackpool.**

We would like the Authority to consider our comments in respect of the above.

We live directly to the left of the property (when viewed with your back to the sea.) I have two children of school age and we are also aware that our neighbour (whose boundary is to the rear of the above property) also has two young children.

Whilst we would offer support to the proprietors in their new venture, we would ask that the licenced hours (Particularly in respect of live music until Midnight) reflect the close proximity of family homes.

The entertainment room of the above has two very large windows which face our dining room and are in close proximity to our house. Some sound proofing measure would be necessary to avoid nuisance from noise.

Yours Sincerely,

Mr Frank & Mrs Julie Lorraine Cowan
