MINUTES OF PUBLIC PROTECTION SUB-COMMITTEE MEETING - TUESDAY, 6 DECEMBER 2016

Mr Ryan Ratcliffe, Licensing Officer, who was in attendance, presented the case on behalf of the Authority.

The case had been deferred from the previous meeting of 8 November 2016, to allow the driver an additional opportunity to attend.

The Sub-Committee was advised that the driver had been involved in an instance of theft and of harassment that had brought his suitability to operate as a licensed driver into question. Mrs Davies reminded Members of the seriousness of theft and dishonesty offences as outlined in the Hackney Carriage Licence Policy.

PNC explained that a series of difficult personal circumstances had led to him to commit the alleged offences against his former partner. He explained that he had admitted to both offences informing both the Police and the Licensing Service immediately after the events. He added that, in his opinion, his personal circumstances at the time had caused him to act in a way that was out of character.

Members acknowledged that the offences were of a serious nature. However, given the driver's personal circumstances and the fact he had accepted responsibility for the offences, combined with his previously unblemished record as a licensed driver; the Sub-Committee accepted that these were exceptional mitigating circumstances in this particular case.

Resolved:

To take no further action against the driver in relation to the incident.

5 DATE OF NEXT MEETING

Members noted that the date of the next meeting was scheduled for Tuesday 24 January 2017.
