4.5 **Local policy considerations**

None

4.6 **National policy considerations**

Section 11 reviews is relevant in particular:

11.20 – In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action should generally be directed at these causes and should always be no more than an appropriate and proportionate response.

If a suspension or revocation is being considered 11.23 should be taken into account “it will always be important that any detrimental financial impact that may result from a licensing authority’s decision is appropriate and proportionate to the promotion of the licensing objectives. But where premises are found to be trading irresponsibly, the licensing authority should not hesitate, where appropriate to do so, to take tough action to tackle the problems at the premises and, where other measures are deemed insufficient, to revoke the licence.”

The panel have the following powers:

1. Take no action
2. Modify the conditions of the licence (by adding removing or varying conditions)
3. Exclude a licensable activity from the licence
4. Remove the DPS
5. Suspend the licence for up to three months
6. Revoke the licence.

4.7 Observations

Since the review was submitted discussions have been taking place between the licence holder and the Responsible Authorities. As a result of these discussions the panel will be asked to consider the following conditions:

One particular complaint of concern was received from Helen Hamilton- Southward, a youth worker from Aspire Academy sent on the 5th February 2015 .(**Document 1**)

12th February 2015

Mark Marshall visited the premises and spoke with the owner, Patrick Buckley to put him on notice of the concerns raised by Miss Hamilton Southward, Mr Buckley intimated that the girls mentioned were not really cared for at home so well and he was offering them some sanctuary. Advice was given regarding the fact that all children must be accompanied by a supervising adult and in light of the concerns raised they should not be encouraged to come to the premises.

14th February 2015

Mark Marshall re visited the premises to ensure that the advice had been acted upon, the visit occurred at 21.40hrs, XXXX, aged 17 was on the premises with her friend who was also apparently 17, neither were drinking alcohol so on the face of things there were no concerns disclosed.

These visits were followed up in writing on the 19th February 2015 (**Document 2**)

Public Nuisance

Noise from the premises has been noted on numerous occasions over the last 2 years,

Recorded visits where the issue of noise prevention have been discussed include;

22nd February 2014- Informal advice was given to Arron Buckley to monitor the noise levels and be mindful of neighbouring premises

7th June 2014- a visit was conducted by Mark Marshall and no concerns were raised.

21st June 2014- The noise from Casey's could be heard from 50-60 metres away, the time of this observation was 23.25hrs. Both the front doors to the premises were propped open with chairs so Arron Buckley was advised to deal with noise escape. He closed both doors immediately on request.

12th September 2014 –Observations were conducted and no concerns re noise were apparent.

27th June 2016-Complaint from the neighbouring premises received by the Licensing Authority that the noise and disorder from Casey's is getting worse, complaint text below;

PL1988 - North Parade Guest House (aka Caseys)

Complaint from Craig Coleman at Peek-A-Booze about nuisance and crime and disorder at Caseys getting worse and spilling over into his beer garden.

He says fights have started spilling over into his beer garden, alleging the manager of Caseys punched one of his own customers in the Peek-A-Booze beer garden. He says it is so bad he is having to use security and they are having to keep watch for the trouble at Caseys.

He says there is also noise nuisance.

He has been given the number for the Police licensing dept, EP Manager Jennifer Clayton and also Mark Marshall (Enforcement Manager).

2nd July 2016- Contact details for Mark Marshall were left at the complainants premises

20th July 2016- Statement of complaint obtained from the neighbour Craig Coleman which described substantial impact from the noise and disorder

23rd July 2016-Area visited to substantiate the noise complaints at 22.20hrs, both doors to the front of the premises and loud music was emanating from the premises, a 30 second video clip was obtained from the east side of Dickson Road. Also noted was the fact that no door supervisors were on duty.

Prevention of Crime and Disorder

20th July 2016- The statement of complaint is comprehensive and has been supported by incident logs from Peek a booze, further consultation with Lancashire Constabulary has been conducted and again the logs support the allegations made in the statement of complaint. A summarised version of the police incidents is found below;

[A brief summary of incidents:](#)

WA1610762, WA1610716: Burglary, watch and money from jeans pocket stolen from hotel room. Offender arrested and charged.

LC-20160627-0040: Casey's staff called police stating a male was kicking off o/s Peekabooze, male was arrested for drunk & disorderly due to his aggressive behaviour.

LC-20160225-1426: Male assaulted in bar by a glass being thrown at him then he was punched, a table was smashed in the disturbance. Male needed stitches The victim was very drunk and drinking beer all day. CCTV was provided and stills circulated but offender unknown.

LC-20160201-1487: Male had £400 worth of camera equipment stolen from bar, CCTV provided but offender unidentified.

LC-20160101-0852: 6 people o/s Casey's fighting at 06:45hrs. Informant states they have gone into Casey's but when police attend it was all quiet and in darkness.

LC-20151107-0044: 00:34hrs initially reported as a domestic but was changed to a lawful ejection and police watched CCTV at the time and reported no crime.

LC-20151025-1179: Female been grabbed round the throat by male in the bar at 17:30hrs (not domestic related) victim since failed to co-operate with police and has a previous record for making false allegations.

LC-20150727-0966: Officer found male at 17:37hrs unconscious outside the bar on his face, had too much to drink and collapsed. Ambulance took male to hospital.

LC-20150425-1102: 18:01hrs 2 women causing problems, informant doesn't want to get involved but female jumped behind the bar and assaulted one of the staff. Police attend 2 females were arrested and charged with assault; they threw drinks at the barman and punched him and grabbed him round the throat.

In addition to the matters listed above PC Ian Ashton was verbally abused and aggressively physically treated and set on by a customer from Casey's, this occurred in September 2015 and is mentioned in the statement of Craig Coleman. Again no door supervision was in place at Casey's to intervene

I have personally spoke to PC Ashton who confirmed his version of events and he confirmed the incident was captured on his body camera.

Protection from Children from Harm

12th February 2015 –Discussions took place with Patrick Buckley about vulnerable children frequenting the premises, mentioned in more detail in the Introduction to this application.

20th July 2016- The statement of Craig Coleman describes many issues with children being both unruly and at risk from the disorder as very often they are left unsupervised till beyond midnight.

Conclusion

The premises licence has limited conditions and intervention and encouragement has been made over the last 2 years to really focus on the Licensing Objectives, one of the barriers for achieving improvements is the lack of meaningful conditions.

The proposal would be for the Committee to consider the imposition of conditions to control the problems disclosed.

Door staff- Fridays and Saturdays seem to be the worse according to the complainant so targeting the hours of 8pm till close on a Friday and from 6pm on a Saturday till close may go some way to limiting the issues.

Doors and windows to be closed during the hours of regulated entertainment.

A noise assessment to be carried out by a competent person and the audio equipment to set and fixed at a volume that corresponds with the recommendations of that assessment. A copy of the noise assessment to be lodged with Licensing Authority.

Children and young people (as defined by the Licensing Act 2003) should be prohibited from entering the premises.

There is little doubt that the complainant is suffering the impact of miss management at the premises and evidence of crime and noise nuisance has been obtained independently of this complaint. In addition the area and facilities are not suitable for children, for example the beer garden is open to the main road which is always busy with traffic, the premises do not serve food so family style dinning is not an option and the style of premises is not really suitable. With the evidence of disorder and the serving of drunken people children in such an environment children could also be at risk and the consideration of a short suspension to deter such practices in line with Paragraph 11.23 of the Section 182 Guidance should be considered.

As a responsible proprietor you will be aware of the key licensing objectives, in this case **the protection of children from harm**. Annex 2, condition 3 of your premises licence states:

All staff who are involved in the sale of alcohol will be trained in relation to the licensing objectives so as to reduce crime and disorder, promote public safety, prevent public nuisance and promote the protection of children from harm. Said training will be documented and will be made available to an authorised officer on request.

Yours sincerely

Dear Mr Buckley

Re: Licensing Objectives

It has come to the attention of this department that underage young people are regularly being allowed into your premises concerns have been raised through social services that two young people of particular concern are [redacted] who is 16 years old and is the sibling of a staff member ([redacted] [redacted]) and [redacted] who is 15 years old.

There are safeguarding concerns for both of these young girls and it is recommended that neither of these girls should be allowed to spend time in the bar.

Your premises were visited by Mark Marshall licensing Manager from this department on Thursday 12th February 2015 with a follow up visit on Saturday 14th February 2015 when it was agreed that the two girls mentioned above would be discouraged from frequenting your premises.

I would like to draw your attention to section 145 of the Licensing Act 2003

S145 Unaccompanied children prohibited from certain premises.

- (1) A person to whom subsection (3) applies commits an offence if— .
- (a) knowing that relevant premises are within subsection (4), he allows an unaccompanied child to be on the premises at a time when they are open for the purposes of being used for the supply of alcohol for consumption there, or .
 - (b) he allows an unaccompanied child to be on relevant premises at a time between the hours of midnight and 5 a.m. when the premises are open for the purposes of being used for the supply of alcohol for consumption there. .
- (2) For the purposes of this section— .
- (a) "child" means an individual aged under 16, .

 - (i) the holder of a premises licence in respect of the premises, and .
 - (ii) the designated premises supervisor (if any) under such a licence, .
- (c) in the case of premises in respect of which a club premises certificate has effect, to any member or officer of the club which holds the certificate who is present on the premises in a capacity which enables him to make such a request, and .
- (d) in the case of premises which may be used for a permitted temporary activity by virtue of Part 5, to the premises user in relation to the temporary event notice in question. .
- (4) Relevant premises are within this subsection if— .
 - (a) they are exclusively or primarily used for the supply of alcohol for consumption on the premises, or .
 - (b) they are open for the purposes of being used for the supply of alcohol for consumption on the premises by virtue of Part 5 (permitted temporary activities) and, at the time the temporary event notice in question has effect, they are exclusively or primarily used for such supplies. .
- (5) No offence is committed under this section if the unaccompanied child is on the premises solely for the purpose of passing to or from some other place to or from which there is no other convenient means of access or egress. .
- (6) Where a person is charged with an offence under this section by reason of his own conduct it is a defence that— .
 - (a) he believed that the unaccompanied child was aged 16 or over or that an individual accompanying him was aged 18 or over, and .
 - (b) either— .
 - (i) he had taken all reasonable steps to establish the individual's age, or .
 - (ii) nobody could reasonably have suspected from the individual's appearance that he was aged under 16 or, as the case may be, under 18. .

I am Craig Coleman and since September 2014 I have operated Peek a Booze, 72-74 Dickson Road with my partner Alex Coleman. Since opening the venue we have experienced problems with the premises next door, Casey's 68-70 Dickson Road. The problems we experience centre around noise disturbance as quite often the doors and windows are left wide open, serving drunks and allowing disorderly conduct, unsupervised children on the premises till beyond midnight and general anti-social behaviour and fighting both inside the venue and outside on the outside area which is directly next to ours. Both Alex and I have a good relationship with the owner Patrick Buckley and have on occasions raised our concerns with him but sadly the situation is becoming a threat to our staff safety and business reputation. On 12th February 2016 four customers from Casey's (2x male 2x female) entered our building at approximately 1am, at reaching the bar, the bar supervisors refused service on the basis that they appeared to be intoxicated, they were informed that they would not be served anymore alcohol, one of the couples walked off away from the bar and left the building by the front doors into the beer garden, the remaining couple were refusing to leave the premises and demanding to be served as they didn't feel they were too drunk. At which time bar supervisors requested assistance from door security, the door supervisor, aided by Alec escorted the gentleman to the door and

Signature  Date 2/8/16

explained that he was being removed from the building for being drunk and aggressive towards the bar staff, at which time his female companion became extremely aggressive and physically assaulted both the door supervisor & Alec as they had to try and restrain her to remove her from the building. The female was taken forcibly to the front door where she continued to try to assault the staff members and was also kicking out at customers stood in the door area as they were trying to enter the bar from the beer garden. Once the female had been removed from the beer garden we rang for police assistance as she refused to leave the front of the property and continually shouted abuse and foul language toward the door staff and Alec, once she knew the police were en-route she walked off in the direction of Abi's corner shop where the rest of her party were waiting. Sometime later the police arrived and asked to view footage of CCTV of the woman assaulting the door supervisor inside the venue, the police were shown footage and they informed us that she had been arrested on Cocker Square or verbally abusing a police officer and threatening behaviour.

On the 18th September 2016, I witnessed some horrendous behaviour from one of the customers at Casey's, it was during the darker hours between 9pm and 11pm when a police officer well known to us called Ian Ashton approached our premises in uniform to conduct a visit. Alex was stood at the entrance to our beer garden performing a security function when Ian greeted him with a friendly embrace. This was not out of character for Ian as he is well known to us and is the police liaison for LGBT venues and knows us all very well. A customer who was in Casey's beer garden seemed to take a great deal of offence to this form of greeting and instantly became aggressive and abusive, he flew round into our beer garden and began making violent threats to Ian. Ian was without any support so attempted to defuse the conflict as best as he could. No intervention from any staff at Casey's took place as they never seem to have door staff on. No physical violence took place but this verbal attack was extreme and quite shocking and the customer seemed to be permitted to behave this way to a police officer in uniform with any sanction what so ever. The bare minimum I would have expected would be

for at the very least for the customer to be barred and refused further service. Some further specific incidents relate to the unsupervised children and disorderly conduct, on the 19th June 2016 after 11pm there were 6 children aged between 6 and 10 years of age climbing the boundary fence and jumping in and out of our beer garden, they were shouted away by Alex but the situation continued. After a period of time Alex when round to speak to Patrick, after all our security resource was having to deal with issues that were over spilling from his premises. Patrick stated that he couldn't really do anything about the situation and said it was the parents responsibility, the beer garden at both our premises and Casey's are adult environments and not appropriate for children and whilst we have a security presence to monitor and modify customer's behaviour the same cannot be said for Casey's bar. Alex passed comments to one of the mothers of these children and was met with an abusive response stating that her son was autistic and he was lucky her son didn't stab him. On the 26th June 2016, I saw the bar manager and bar man squaring up with each other in the beer garden, the premises was open for business at the time and later an assault occurred on one of these men. One of the men was later arrested for the assault, if this is the behaviour of staff it is little wonder that the customers are allowed to behave in a disorderly manner. On the 2nd July, just after midnight again I was alarmed to see young children sat in the beer garden at Casey's, there was 3 of them aged between 10 years and 14 years old, we later saw them leave with their parents but just to reiterate that the environment is inappropriate for I saw a fight break out whilst these children were looking on between 3 women, the fight was loud and boisterous with swearing and lot of stumbling and people being pulled around, again no door staff were employed at Casey's to intervene. At or around this time I decided enough was enough and made a complaint to the Council. On Tuesday 5th July 2016, I was visited by Mark Marshall and asked to make a formal complaint about the situation, we were advised to pull together any

incident records, specific example and if possible any CCTV and a subsequent appointment was made to give further details. On Wednesday the 20th July 2016, Alex and I attended the Council Offices where we provided some up to date information, the noise nuisance had been a constant theme since opening and this issues persist to the current day, the specific incidents since our initial complaint on the 5th July 2016 are as follows; 16th July 2016, I saw at least one child of the age of 10-12 years old sat on the beer garden at 12.15am at this time all the doors and windows were wide open with the karaoke blasting out causing a major disturbance. On Sunday 17th July 2016 at 11.55 hours a drunk male approached our door, he was visibly injured with dried blood and his t shirt and on his face and what appeared to be an injury to his eye. He was also clearly very drunk. He was refused entry into our premises so instead decided to go to Casey's where he was permitted access and served with alcohol. Later the same day Room 7 in our hotel which is directly above Peek a Booze was broken into and an expensive watch was stolen. The male with the blooded clothing was later arrested the same day inside Casey's Bar with the watch found in his possession. Later the same night Alex refused entry to more drunken males, again they gained entry straight into Casey's and some hours later tried to vent their anger on Alex by stepping round onto our premises and offering Alex to fight them. On Monday 18th July 2016 another example of them serving drunks was that [redacted] [redacted] formally known as [redacted] who used to manage the Empress Hotel on Exchange Street tried to get in our venue, on this evening we were having a private function celebrating the renewal of our wedding vows, she was refused entry on the basis of her being mindless drunk and we did not want our function spoiling, again she went straight back to Casey's and consumed more alcohol. Our Premises is well run and has appropriate conditions that are designed to safe guard the Licensing Objectives, for example Door Supervisors to be on duty at key times, doors and windows to be closed during the hours of regulated entertainment and no children permitted on the premises, if these simple measures could be adopted by the Casey's we feel that would go some way to resolving the issues.

Signature  Date 2/18/16

But the management at the premises is either not prepared to improve the situation so I feel I have no option to but to formulise my complaint. I am prepared and happy to attend any hearing that may be arranged.

LC-20150425-1102: 18:01hrs 2 women causing problems, informant doesn't want to get involved but female jumped behind the bar and assaulted one of the staff. Police attend 2 females were arrested and charged with assault; they threw drinks at the barman and punched him and grabbed him round the throat.

The Police feel that the current measures in place are lacking and not going far enough to prevent crime and disorder and that disorder and assaults would appear to stem from excessive drunkenness. The Police therefore believe that the premises should employ door staff to prevent further crime and disorder. Consideration should also be made to the use of polycarbonate vessels due to the glass related assault. The Police are also concerned with the information detailed in the review that vulnerable children are present on the premises. The premises is not considered child friendly as food is not served and as shown above vertical drinking and disorder occur in and around the premises, therefore a condition to ensure no person under 18 is allowed on the premises should be considered.

This is cross referred to other crimes. The offender has been charged however WA1610716 and WA1610713. The offender has been charged and bailed for the other offences we will attempt to add an extra charge onto the file. Please return for this to happen. Many Thanks. Mike Foster. Added By 4935 PC Michael Foster on 24/08/2016: The above linked crimes that offender has been charged with and is being Prosecuted this matter is on going. PC ALVES and I requested via the casebuilder that this matter be added on to the other charges however we've been told that it would have to be run as a separate case. Moreover no items from the Burglary were recovered and there is no other evidence re this matter including independent witnesses etc. Furthermore this matter would probably not make much if any difference to the sentence passed down to the defendant. As such I have liaised with the victim and updated them re this matter. Please close many thanks. Mike Foster.

Recorded by TIU. There is no damage to the door. Agg believes that it is a previous tenant who still has the keys or one who is staying in another room as the keys are similar and of poor quality. He says that he disturbed a burglar a couple of months back but got his property back. Prev crime is WA15-3039 on that occasion the offender simply pushed the door open that crime has not been detected although the agg says that they knew who he was because his girlfriend (offender's) lived next door. Agg was difficult to hear as his phone was playing up. He says that there are possibly 20 rooms in the building. Crime ref passed by text no email. The cash was stolen out of a jar in a drawer. Details of your representation in support of the review application
(Please reference & attach supporting any documentation)

My role as Child Protection Licensing Officer focusses on managing the various risks that makes both children and adults unsafe; alcohol constituting a significant risk factor.

The review of this premises outlines that the premises are unsuitable for children and are being poorly managed.

They have failed to support the licensing objective of Preventing Crime and Disorder and Protecting Children from Harm.

I fully support the Licensing Authority in their application to review.
