4.1 None, once an application is submitted and representations received it must be considered by the Licensing Panel.

5.0 Council priority:

5.1 The relevant Council priority is

- "The economy: Maximising growth and opportunity across Blackpool"

6.0 Background information

6.1 On 26th January 2024 the Licensing Service received an application from Mr Solima Fathy Salama for a new Premises Licence at Mr Chef, 96-98 Talbot Road, Blackpool, FY1 1LR. The property has never held a Premises Licence.

- 6.2 The application requests Late Night Refreshment Monday to Sunday 23:00 – 05:00 with opening hours from 12.00 - 05.00 Monday to Sunday. The applicant has volunteered a number of conditions on the application form which will be attached to the Premises Licence if granted, a copy of the application is attached at Appendix 4(a).
- 6.3 Representations have been received from the Licensing Authority and Lancashire Constabulary. Copies of the representations are attached at Appendices 4(b) and 4(c).
- 6.4 Local policy considerations:

3.2.3 Where relevant representations are made, the following factors will normally be taken into account:

- The style of operations, the number of customers and profile of customers expected to attend the premises
- The location of the premises and its proximity to noise sensitive properties
- The proposed hours of operation
- The transport arrangements for customers attending or leaving the premises and any possible impact on local residents or businesses
- The proposed methods for the dispersal of customers
- The scope for mitigating any impact
- The extent to which the applicant has offered conditions to mitigate the impact
- How often the activity occurs

4.4.2 The Council wishes to develop a diverse night-time economy but acknowledges that any licensable activity has the potential to impact adversely on the surrounding area either by disturbance caused by crime and disorder or by nuisance caused by customers being noisy when leaving/using on-street car parking. The impact of these activities can be greater at night when ambient noise levels are much lower.

The premises falls within the area covered by the Cumulative Impact Assessment (CIA).

The following sections of the policy are relevant:

4.10.1 Applications for new licences or variations to existing licences within a cumulative impact area, which are likely to add to the existing cumulative impact, will normally be refused if a relevant representation is received. To persuade the Council to depart from its policy an applicant must demonstrate that their application will not add to the existing cumulative impact in the area. This should be done through the operating schedule and the risk assessment process (if used).

4.10.4 Examples of factors the licensing authority will not consider to rebut the presumption of refusal:

- The premises will be well managed and run as all licensed premises should meet this standard
- The premises will be constructed to a high standard
- The applicant operates similar premises elsewhere without complaint.

4.10.6 Where representations are received the Council will consider the circumstances of each individual application and decide whether it would be justified in departing from its policy and CIA in the light of the individual circumstances of the case.

6.5 National policy considerations:

2.15 - The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable.

9.12 – Each responsible authority will be an expert in their respective field, and in some cases it is likely that a particular responsible authority will be the licensing authority’s main source of advice in relation to a particular licensing objective... any responsible authority under the 2003 Act may make representations with regard to any of the licensing objectives if they have evidence to support such representations. Licensing authorities must therefore consider all relevant representations from responsible authorities carefully... However, it remains incumbent on all responsible authorities to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.

9.43 – The authority’s decision should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

14.44 – After receiving relevant representations in relation to a new application for... a licence or certificate, the licensing authority must consider whether it would be justified in departing from its CIA in the light of the individual circumstances of the case... If the licensing authority decides that an application should be refused, it will still need to show that the grant of the application would undermine the promotion of one or more of the licensing objectives and that appropriate conditions would be ineffective in preventing the problems involved.

6.6 Does the information submitted include any exempt information? No

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Reasons for making representations			
<p>I am in receipt of an application for a New Premises Licence for the above address. On behalf of the Chief Officer of Police having reviewed the application the Police wish to make a formal objection on the grounds of the prevention of crime and disorder, the protection of public safety and prevention of public nuisance.</p> <p>This application would allow the operation of another Takeaway open until 5am or later in a high crime area with a number of similar establishments. The authorities have observed the problems which have been caused by large number of people leaving alcohol led licensed premises and not dispersing. Instead, large numbers remain in the area using the takeaways or just socialising in the street. Street drinkers and youths looking for trouble have also been attracted to this area hoping to take advantage of the vulnerable and intoxicated.</p> <p>These issues impact local residents and workers going about their daily business because calls to disorder can be received up to 6.45 am. Whilst the</p>			

problems and associated disorder cannot be attributed to individual premises the Police are of the view that these establishments contribute significantly to the problems because if they were not open for business there would be less incentive for revellers to remain in the area.

This premises is situated on Talbot Road near to the junction with Dickson, opposite Ma Kelly's and therefore was included in the cumulative impact zone area as of February this year, which recognises the problems experienced in this area. Attached to this representation is recent Police incident data which shows the hours between 01:00 and 03:59 to have higher crime times in comparison to most daylight hours.

The applicant for this new premises Mr Soliman Salama is already the Premises Licence Holder for Tasty on The Strand and until 16th February also Hot Stuff on Queen Street, both of which are licensed until 5am. As well as the concern of adding another high-risk premises to his portfolio, the Police are concerned that the applicant will not uphold the licensing objectives as he was found to be in breach of his licence at 03:15hrs on 16th December 2023 by having no door supervisors on duty at either of his premises during this busy Christmas period.

The Police feel that if this licence was granted it would only add to the already high crime, disorder and anti-social behaviour issues experienced in this immediate vicinity therefore the Police object to this application.

It is recommended that the licence should only be granted if the application is amended, or if conditions are applied, as detailed below.

Dear Mr Salama

Re: Hot Stuff, 25 Queen Street, Blackpool licence reference WA0089

Please can I draw your attention to the following condition on your licence at the above premises:

On Fridays and Saturdays licensed door supervision will be employed between the hours of 3.00am and 5.00am.

On Saturday 16th December at 0317 hours a Police Officer conducted a check of the above premises and found there was no door supervisor present.

I would advise that in accordance with section 136 (1) of The Licensing Act 2003 "A person commits an offence if a) he carries on or attempts to carry on a licensable activity on or from any premises otherwise than in accordance with an authorisation, b) he knowingly allows a licensable activity to be so carried on".

The maximum penalty for this offence is six months imprisonment and/or an unlimited fine.

I must also draw your attention to paragraph 11:10 of the Home Office Guidance that; where authorised persons and responsible authorities have concerns about problems identified at a premises, it is good practice for them to give licence holders early warning of their concerns and the need for improvement, and where possible they should advise the licence or certificate holder of the steps they need to take to address those concerns.

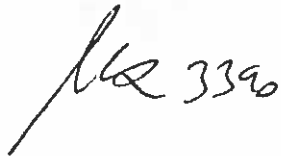

A failure by the holder to respond to such warnings is expected to lead to a decision to apply for a review. Co-operation at a local level in promoting the licensing

objectives should be encouraged and reviews should not be used to undermine this co-operation.

A copy of this letter will be retained on your premises file and may be used against you in subsequent hearings, if required.

Please don't hesitate to contact me if you have any questions about this matter or wish to discuss it further.

Yours sincerely,
