APPLICATION FOR A PREMISES LICENCE – Downtown Grill

1.0 Purpose of the report:

1.1 To consider an application for a New Premises Licence for Downtown Grill, 111 Elizabeth Street, Blackpool, FY1 3LZ.

2.0 Recommendation(s):

2.1 To consider the application and determine whether the granting of this licence would adversely impact on the Licensing Objectives.

3.0 Reasons for recommendation(s):

3.1 Representations have been received therefore there must be a hearing to determine the application.

3.2 Is the recommendation contrary to a plan or strategy adopted or approved by the Council? No

3.3 Is the recommendation in accordance with the Council's approved budget? Yes

4.0 Other alternative options to be considered:

4.1 None, once an application is submitted and representations received it must be considered by the Licensing Panel.

5.0 Council priority:

5.1 The relevant Council priority is: "The economy: Maximising growth and opportunity across Blackpool".

6.0 Background information

6.1 On 29 February 2024 the Licensing Service received an application from Walis Food Carner Ltd for a new Premises Licence at Downtown Grill, 111 Elizabeth Street, Blackpool, FY1 3LZ. The property has never held a Premises Licence.

6.2 The application requests The Provision of Late Night Refreshment Sunday to Thursday 23:00 – 00:00 and Friday and Saturday 23.00 – 01.00 with opening hours from Sunday to Thursday 16.00 - 00.00 and Friday and Saturday 16.00 – 01.00. The applicant has volunteered a number of conditions on the application form which will be attached to the Premises Licence if granted, a copy of the application is attached at Appendix 4(a).

6.3 A representation has been received from Mr Thomas Potts and Lancashire Constabulary have agreed conditions following mediation on the application. Copies of the representation and mediation are attached at Appendices 4(b) and 4(c).

6.4 Local policy considerations:

3.2.3 Where relevant representations are made, the following factors will normally be taken into account:

- The style of operations, the number of customers and profile of customers expected to attend the premises
- The location of the premises and its proximity to noise sensitive properties
- The proposed hours of operation
- The transport arrangements for customers attending or leaving the premises and any possible impact on local residents or businesses
- The proposed methods for the dispersal of customers
- The scope for mitigating any impact
- The extent to which the applicant has offered conditions to mitigate the impact
- How often the activity occurs

4.4.2 The Council wishes to develop a diverse night-time economy but acknowledges that any licensable activity has the potential to impact adversely on the surrounding area either by disturbance caused by crime and disorder or by nuisance caused by customers being noisy when leaving/using on-street car parking. The impact of these activities can be greater at night when ambient noise levels are much lower.

6.5 National policy considerations:

2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable.

9.43 – The authority’s decision should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve.

6.6 Does the information submitted include any exempt information? No

 15. Entitlement to work / immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- Does not have the right to live and work in the UK; or
- Is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their "share code" to enable the licensing authority to carry out a check using the Home Office right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK:

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK (please see note below about which sections of the passport to copy)
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A registration certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A permanent residence card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A current immigration status document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work in relation to the carrying on of a licensable activity.
- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- A current immigration status document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgment letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - Evidence of the applicant's own identity – such as a passport
 - Evidence of their relationship with the European Economic Area family member, e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - Evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - Working e.g. employment contract, wage slips, letter from the employer
 - Self-employed e.g. contracts, invoices, or audited accounts with a bank
 - Studying e.g. letter from the school, college or university and evidence of sufficient funds, or
 - Self-sufficient, e.g. bank statements

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to the Licensing Authority.

If the document copied is a passport, a copy of the following pages should be provided:

- i) Any page containing the holder's personal details including nationality
- ii) Any page containing the holder's photograph
- iii) Any page containing the holder's signature
- iv) Any page containing the date of expiry, and
- v) Any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at www.gov.uk/provide-right-to-work) which, along with the applicant's date of birth (provided within this application) will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

I have noticed the property that adjoins my address has applied to have a license to serve food to unsociable hours and wish to object to this being granted.

The premises is Downtown Grill, 111 Elizabeth St, Blackpool FY1 3LZ.

This property is directly below my young daughter's bedroom and adjacent to my living room. As it is, it regularly stays open to 2am midweek and 3am on the weekends. The delivery drivers sit with their headlights on park on the footpath and on resident only areas.

The noise from the kebab shop is quite loud and disturbs both my and my daughter's sleep. I don't believe that it should be permitted to open to these late hours. On their brochures they actually advertise that they are open until 2am at weekends, however this is in conflict as to the hours they are requesting.

I have lived at this property for 8 years and never had an issue with the takeaway as it previously closed at 11pm. this is a residential area with families and young children in the surrounding properties.
