Commentary on the key issues:

Directorate Summary - basis

- The Revenue summary (above) lists the outturn projection for the Service against its respective, currently approved, revenue budget. The forecast outturn is based upon actual financial performance for the first 9 months of 2015/16 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year, all of which have been agreed with the Head of Service.

Key Issues

The Leisure Asset portfolio financial position is £1,306k which has increased since month 8. This is due to a decrease in expected Winter Gardens profits.

In accordance with the original decision for this programme by the Executive on 7th February 2011, the projected overspend on Strategic Leisure Assets will be carried forward and transferred to Earmarked Reserves.
