**5.0 Background Information**

5.1 The Council's 2016/17 Capital Programme runs concurrently with the 2016/17 General Fund Revenue Budget with schemes usually extending over a number of years. For that reason the programme projects forward indicative spending for 3 years. This report updates the programme set in 2015/16 and seeks to ensure that capital expenditure is spent in areas that will contribute to meeting the Council's priorities. The 2016/17 programme is submitted for approval. The 2017/18 and 2018/19 programmes have been drawn up based upon individual allocations and current proposals. These will be reviewed as part of the budget processes for 2017/18 and 2018/19 in the light of changing priorities and final funding levels that mean no commitments can yet be identified in respect of these schemes.
