RE- BOARS HEAD  
30/4/14

Dear Mr. Unsworth

Following my  
phone call to register my objection  
to the Boars Head being granted  
a licence to play amplified music  
and to stay open later at weekends,  
as requested I am putting my  
objection in writing.

This is a  
residential area with a mixture of

elderly people and families with young children, this is not a suitable area to have late openings and amplified music being played, there is already enough disturbance from customers of the pub without increasing the potential noise & nuisance levels to the neighbourhood.

I realise the owners/landlords have spent a lot of money, they informed me personally the windows being installed to reduce the noise cost £2500 but that will do nothing for the noise having the doors constantly opening & closing with customers entering & leaving

or in and out to the smoking area opposite where I live.

The landlord/owner told me a licence is granted on a provisional licence and if the noise is too loud for the neighbours or anyone complains the licence will not be made permanent, you then informed me this was not true. This has made me doubt the integrity of the Bears Head commitment to the upset & well being of the neighbours peace & stress levels? I was going to suggest a trial period to have the noise and disturbance levels assessed and monitored but now I

4  
object strongly to the granting  
of the Licence applied for by  
the Bears Head full stop as I  
do not think the owners will be  
able to control the noise to  
minimise distress to the neighbours,  
there is already problems with  
litter and parking at weekends  
encouraging more customers by  
wanting to play live music and  
stay open later will be a nightmare  
for the residents, and the landlord  
has already proven to me he is  
prepared to lie to get his  
own way.

I know most of my  
neighbours feel the same way I do

remember this is not a town  
 centre it is a residential area;  
 amplified noise, loud music, live  
 bands, taxi's coming and going  
 and numerous noisy customers  
 slamming car doors, laughing &  
 singing, shouting and talking at 0130  
 is not acceptable, or fair to the  
 people living in the vicinity.

Please reject the application  
 made by the Boars Head Pub

Thank you.
