### Commentary on the key issues:

### **Directorate Summary – basis**

The Revenue summary (above) lists the latest outturn projection for each individual service within
the Adult Services Directorate against their respective, currently approved, revenue budget. The
forecast outturn is based upon actual financial performance for the first 10 months of 2015/16
together with predictions of performance, anticipated pressures and efficiencies in the remainder
of the financial year, all of which have been agreed with each head of service.

# Adult Commissioning Placements (Social Care Packages) and Care and Support

- Whilst there still remains an issue with a historical Priority Led Budgeting (PLB) commissioning
  placements savings target, one-off funding has again been identified to offset this in this financial
  year. Significant progress has also been made against the challenging £4.7m 2015/16 PLB savings
  target, which will see the full amount realised in 2016/17. Inevitably, there is forecast to be a
  shortfall in-year as a result of the delay to the review programme for commissioning.
- It should be noted that the forecast outturn within the Adults Commissioning Placements Division is based on trend analysis using invoiced amounts drawn from the financial ledger. Frameworki is currently being implemented and will incorporate financial data in phase 2 of the development which should provide improved forecasting in the future.

#### **Adult Safeguarding**

• Following Deprivation of Liberty (DoLs) case law this Division is forecasting a £163k overspend as a result of additional legal and staffing costs not covered by New Burdens Funding.

## **Summary of the Adult Services financial position**

As at the end of January 2016 the Adult Services Directorate is forecasting an overall overspend of £201k for the financial year to March 2016.
