Corporation St
PO Box 4
Blackpool
FY1 1NA

Dear Sirs,

Re: Premises Licence for "The Stone Grill," 270-274 Queens Promenade, Blackpool.

We would like the Authority to consider our comments in respect of the above.

We live directly to the left of the property (when viewed with your back to the sea.) I have two children of school age and we are also aware that our neighbour (whose boundary is to the rear of the above property) also has two young children.

Whilst we would offer support to the proprietors in their new venture, we would ask that the licenced hours (Particularly in respect of live music until Midnight) reflect the close proximity of family homes.

The entertainment room of the above has two very large windows which face our dining room and are in close proximity to our house. Some sound proofing measure would be necessary to avoid nuisance from noise.

Yours Sincerely,

Mr Frank & Mrs Julie Lorraine Cowan
