Mrs C. Cumming

Blackpool.

To Whom it may concern.

Further to the public notice in the Gazette, I am enclosing the signatures of the residents of Gordon Street / surrounding area.

We wish to notify you that we are not in favour of the application to extend the opening hours of the Bull Pub. The Bull is situated at the corner of this very small street of residential homes & we are already subjected to noise disturbance around.

closing time. Regularly men
are seen urinating in the
street & we are always
picking up bottles etc which
are left behind.

The Bull is far too close
to the houses & we feel
that there are several other
public houses in the area
to serve the customers.

Thanking you in anticipation

C. Cumming
