

These steps build on previous reforms to tackle other over-zealous parking policies including introducing grace periods and making it illegal to use CCTV 'spy cars' alone to enforce on-street parking and introducing reviews of yellow lines for on-street parking.

See more details on the consultation (<https://www.gov.uk/government/news/cutting-red-tape-to-breathe-new-life-into-local-communities>).

The government is not making any changes to minimum parking standards, which ensure that new housing is built with at least a basic provision of parking. However, maximum parking standards are frequently used by councils to prevent sufficient parking needed and wanted by families.

Office address and general enquiries

2 Marsham Street
London
SW1P 4DF
