

Application Number: 14/0302 Erection of 8 detached dwellinghouses with associated garages, car parking, landscaping, boundary treatment and vehicular access from Common Edge Road at land bounded by Fishers Lane, Common Edge Road and Ecclesgate Road.

Decision: Refuse

Reasons:

1. The proposed development would have a detrimental impact on the setting of the Listed Cottages in Fishers Lane as it would create a suburban setting which would be at odds with open the rural/agricultural landscape in which the cottages currently sit. This harm would be emphasised by the proximity of the proposed houses to the cottages and the design/appearance of the proposed houses and the layout of the development. The proposed development would therefore be contrary to paras 129, 131-132 of the National Planning Policy Framework, Policy LQ9 of the Blackpool Local Plan 2001-2016 and the Marton Moss Characterisation Study 2009.
2. The proposed development would have a detrimental impact on the character and appearance of the Marton Moss Countryside Area as it would remove open views into that area from Common Edge Road and would lead to an intensification of built form on the eastern side of Common Edge Road. As such the proposed development would be contrary to Policy NE2 of the Blackpool Local Plan 2001-2016
3. The application does not contain sufficient information for the Local Planning Authority to be satisfied that the proposed development would not have an adverse effect on the integrity of the Listed Cottages in Fishers Lane. The proposed development would therefore be contrary to paras 129, 131-132 of the National Planning Policy Framework, Policy LQ9 of the Blackpool Local Plan 2001-2016 and the Marton Moss Characterisation Study 2009.
4. ARTICLE 31 STATEMENT (NATIONAL PLANNING POLICY FRAMEWORK para 187)

The Local Planning Authority has sought to secure a sustainable development that would improve the economic, social and environmental conditions of Blackpool but in this case there are considered factors - conflict with the National Planning Policy.
