Note:

The variance between the total number of Looked After Children and the total internal fostering and external placement numbers is children with care orders etc. They are still classed as LAC but do not incur any commissioned costs.

**Commentary on the key issues:**

**Directorate Summary – basis**

- The Revenue summary on the first page of this appendix lists the latest outturn projection for each individual service within the Children’s Services Directorate against their respective, currently approved revenue budget. Forecast outturns are based upon actual financial performance for the first 3 months of 2014-15 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year, all of which have been agreed with each head of service.

**Dedicated School Grant Funded Services**

- The Dedicated School Grant (DSG) is the funding stream that supports the Schools Budget, which includes amounts that are devolved through the Individual School Budget, together with centrally-retained pupil-related services as listed in the revenue summary. Any under or overspends against services funded by the DSG will be carried forward to 2015-16 and, in the case of overspends, become the first call on the grant in that year.

**Early Help for Children and Families**

- As part of the 2014/15 Priority Led Budgeting process, Children's Services were targeted with savings of £488k to be achieved via commissioning reviews. Although several reviews are currently taking place, the extent of the possible savings remains unclear. This report assumes that the target will not be achieved in full in the current financial year. Although the target was not applied specifically to the Early Help for Children and Families division, it is in this area that commissioning reviews are currently being undertaken, which is why the pressure is shown on this budget line.

**Children's Social Care**

- The Children's Social Care division is forecasting an overspend of £932k due to the continuing high numbers of Looked After Children (LAC). This cost pressure has already been offset by £260k of savings identified following a review of the balance sheet and maximisation of new grant funding. LAC numbers peaked at around 500 in the early part of 2013, but a new recovery plan has now been implemented which targets a reduction to 420 by the end of 2014/15 and 400 by the end of 2015/16. Numbers had begun to fall with the figure at 443 as at the end of March 2014. However, referrals to social care are at the highest levels ever recorded and have been rising significantly since March. Extensive work is being undertaken by Children's Services and the Blackpool Safeguarding Children Board to understand this rise in demand but it is likely that as cases work their way through our system our progress in reducing LAC numbers may slow. It is worth noting that placement mix, and not just LAC numbers, has an impact on the financial forecast. The variation in unit costs can be significant with an average residential placement equivalent in cost to nine internal fostering placements and the most expensive placement equal to 18. Maximising less costly placements is, therefore, a key element of the recovery plan, and to this end placements are reviewed at a fortnightly panel.

**Education Services Grant**

- From April 2013, the education functions provided by local authorities have been funded from a new Education Services Grant (ESG). The Council receives £113 per pupil in relation to the pupils in schools maintained by the authority plus £15 for each pupil in all schools and academies in respect of responsibilities retained for every pupil within our boundary. A shortfall in grant of £688k is included in the forecast overspend, relating to the anticipated loss of funding due to both historical and in-year academy conversions.

**Summary of the Children's Services financial position**

As at the end of June 2014 the Children's Services Directorate is forecasting an over spend of £1,842k for the financial year to March 2015.
