Notes:

^{1.} The Executive of 11th February 2004 approved a process whereby services which trip a ceiling for overspending against budget of £75,000 or 1.5% of net budget where the controllable budget exceeds £5m are required to be highlighted within this monthly budgetary control report. They are required to develop and submit a recovery plan over a period not exceeding 3 years which is to be approved by the respective Cabinet Member. The services tripping this threshold are listed above together with their respective financial performance over a 12-month rolling basis for comparison of progress being made.
