Commentary on the key issues:

Directorate Summary

- The Revenue summary above lists the outturn projection for each individual service within the Places directorate against their respective, currently approved, revenue budget. The adjusted Budget includes the approved 2013/14 overspend carried forward. The forecast outturn of £104k overspend is based upon actual financial performance for the first 4 months of 2014/15 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year, all of which have been agreed with each head of service.
- The Places Directorate is newly constituted following the recent Council restructure, and comprises elements of the old Regeneration, Tourism and Culture department, Housing, Planning and Beach Patrol from the

Visitor Economy

- Visitor Economy comprises: Illuminations, Visit Blackpool, Partnerships and Business Development, Beach Patrol and Corporate Print Services.
- The £104k overspend is made up of £4k in Corporate Print Services due to a predicted short fall of income. This position has improved from month 3 due to a predicted fall in supplies and services spend. £100k is the remaining balance of 2013/14 overspend in Visit Blackpool. A recovery plan is already in place to address this overspend.
